--

At a meeting on September 15, 2020, the Board of Trustees of Nationwide Variable Insurance Trust approved the termination of WEDGE Capital L.L.P. ("WEDGE"), as a subadviser to the Nationwide Variable Insurance Trust - NVIT Multi-Manager Mid-Cap Value Fund (the "Fund").

Effective on or about November 2, 2020 (the "Effective Date"), WEDGE will no longer serve as a subadviser to the Fund. American Century Investment Management, Inc. and Thompson, Siegel & Walmsley, LLC will continue to serve as the subadvisers to the Fund.

**Prospectus supplement dated September 9, 2020
to the following prospectus(es):**

Compass All American Gold, Key All American Gold, M&T All American Gold, Wells Fargo Gold Variable Annuity, Nationwide Heritage Annuity and BOA All American Annuity prospectuses dated May 1, 2020

BOA Choice Venue Annuity II, Nationwide Destination EV, Nationwide Destination Navigator and Nationwide Destination Navigator (New York) prospectuses dated May 1, 2013

Schwab Income Choice Variable Annuity prospectus dated May 1, 2012

Schwab Custom Solutions Variable Annuity prospectus dated May 1, 2010

This supplement updates certain information contained in your prospectus. Please read it and keep it with your prospectus for future reference.

(1) The Board of Trustees of Nationwide Variable Insurance Trust (the "Board"), on behalf of NVIT Multi-Manager Large Cap Value Fund, approved the merger of the NVIT Multi-Manager Large Cap Value Fund (the "Target Fund") into the NVIT Mellon Dynamic U.S. Equity Income Fund (the "Surviving Fund"). The merger will be effective on or about September 11, 2020 (the "Effective Date").

As of the Effective Date, the following changes apply to the contract:

- the Target Fund will no longer be available to receive transfers or new purchase payments;
- the Target Fund will transfer all or substantially all of its assets to the Surviving Fund in exchange for shares of the Surviving Fund; and
- the Surviving Fund will assume all liabilities of the Target Fund.

Accordingly, the following changes apply to the prospectus:

- (1) Appendix A: Underlying Mutual Funds is amended to add the following:

Nationwide Variable Insurance Trust - NVIT Mellon Dynamic U.S. Equity Income: Class Z

Investment Advisor: Nationwide Fund Advisors
Sub-advisor: Mellon Investments Corporation
Investment Objective: The fund seeks capital appreciation, and secondarily current income.

- (2) All references in the prospectus to the Target Fund are deleted and replaced with the Surviving Fund.
- (3) Appendix A: Underlying Mutual Funds is amended to remove the following underlying mutual fund as an investment option under the contract:

Nationwide Variable Insurance Trust - NVIT Mellon Dynamic U.S. Equity Income: Class II (formerly, Nationwide Variable Insurance Trust - American Century NVIT Multi Cap Value Fund: Class II)

This underlying mutual fund is no longer available to receive transfers or new purchase payments effective September 11, 2020

Investment Advisor: Nationwide Fund Advisors
Sub-advisor: Mellon Investments Corporation
Investment Objective: The Fund seeks capital appreciation, and secondarily current income.

(2) The Board of Trustees of Nationwide Variable Insurance Trust (the "Board"), on behalf of NVIT Multi-Manager International Value Fund, approved the merger of the NVIT Multi-Manager International Value Fund (the "Target Fund") into the NVIT Columbia Overseas Value Fund (the "Surviving Fund"). The merger will be effective on or about October 16, 2020 (the "Effective Date").

As of the Effective Date, the following changes apply to the contract:

- the Target Fund will no longer be available to receive transfers or new purchase payments;
- the Target Fund will transfer all or substantially all of its assets to the Surviving Fund in exchange for shares of the Surviving Fund; and

- the Surviving Fund will assume all liabilities of the Target Fund.

Accordingly, the following changes apply to the prospectus:

- (1) Appendix A: Underlying Mutual Funds is amended to add the following:

Nationwide Variable Insurance Trust - NVIT Columbia Overseas Value Fund: Class Z

Investment Advisor:	Nationwide Fund Advisors
Sub-advisor:	Columbia Management Investment Advisers, LLC
Investment Objective:	The fund seeks to maximize total return consisting of capital appreciation and/or current income.

- (2) All references in the prospectus to the Target Fund are deleted and replaced with the Surviving Fund.
- (3) Appendix A: Underlying Mutual Funds is amended to remove the following underlying mutual fund as an investment option under the contract:

Nationwide Variable Insurance Trust - NVIT Columbia Overseas Value Fund: Class I (formerly, Nationwide Variable Insurance Trust - Templeton NVIT International Value Fund: Class I)

This underlying mutual fund is no longer available to receive transfers or new purchase payments effective October 16, 2020

Investment Advisor:	Nationwide Fund Advisors
Sub-advisor:	Columbia Management Investment Advisers, LLC
Investment Objective:	The Fund seeks to maximize total return consisting of capital appreciation and/or current income.

(3) The Board of Trustees of Nationwide Variable Insurance Trust (the "Board"), on behalf of NVIT DFA Capital Appreciation Fund, approved the merger of the NVIT DFA Capital Appreciation Fund (the "Target Fund") into the NVIT Investor Destinations Capital Appreciation Fund (the "Surviving Fund"). The merger will be effective on or about October 23, 2020 (the "Effective Date").

As of the Effective Date, the following changes apply to the contract:

- the Target Fund will no longer be available to receive transfers or new purchase payments;
- the Target Fund will transfer all or substantially all of its assets to the Surviving Fund in exchange for shares of the Surviving Fund; and
- the Surviving Fund will assume all liabilities of the Target Fund.

All references in the prospectus to the Target Fund are deleted and replaced with the Surviving Fund.

**Supplement dated August 21, 2020
to the**

Nationwide Destination Navigator (New York) prospectus dated May 1, 2013

This supplement updates certain information contained in the prospectus. Please read it and keep it with the prospectus for future reference.

The following section of the prospectus is deleted in its entirety and replaced with the following:

The Total Annual Mutual Fund Operating Expenses table, which shows the minimum and maximum total operating expenses, as of December 31, 2019, charged by the underlying mutual funds that a contract owner may periodically pay while the contract is in force. More detail concerning each mutual fund's fees and expenses is contained in the mutual fund's prospectus.

Total Annual Mutual Fund Operating Expenses		
	Minimum	Maximum
Total Annual Mutual Fund Operating Expenses (expenses that are deducted from the mutual fund assets, including management fees, distribution (12b-1) fees, and other expenses)	0.40%	8.41%

This supplement updates certain information contained in your prospectus. Please read it and keep it with your prospectus for future reference.

The following disclosure changes are made to the prospectus:

Risks Associated with COVID-19

In March 2020, the World Health Organization declared the COVID-19 outbreak a pandemic, which has resulted in market volatility and general economic uncertainty. To address disruptions in connection with the COVID-19 pandemic, Nationwide has implemented business continuity plans so that it can continue to provide products and services to its customers. While these efforts have been successful to date, Nationwide continues to be subject to certain risks that could negatively impact its operations, including system failures, mail delivery delays, unavailability of critical personnel due to illness or other reasons related to the pandemic, and disruptions to service providers.

Significant market volatility and negative investment returns in the market resulting from the COVID-19 pandemic could have a negative impact on returns of the underlying mutual funds in which the Separate Account invests. Additionally, prolonged current economic conditions and consumer behavior related to COVID-19 could affect the amount of sales and profitability of Nationwide's businesses and could have a negative impact on its financial condition and operations.

While we are confident in our ability to manage the financial risks related to COVID-19, the extent and duration of the risks related to the COVID-19 pandemic are unknown at this time. It is possible these risks could impact Nationwide's financial strength and claims-paying ability. There are many factors beyond Nationwide's control that cannot be mitigated or foreseen that could have a negative impact on Nationwide and the operation of the contract. Nationwide continues to monitor the economic situation and its business operations closely.

CARES Act

The CARES Act was enacted on March 27, 2020. The CARES Act made numerous changes to the Internal Revenue Code effective January 1, 2020, including the following:

- Waiving the 2020 minimum distribution requirement (RMD) from defined contribution plans and IRAs, including the 2019 RMD taken in 2020 for those individuals turning 70½ in 2019.
- Relief for coronavirus-related distributions and loans from qualified plans and IRAs, which includes an exception from the 10% penalty for early distribution and an exemption from the 20% mandatory withholding requirement.

Along with the passage of the CARES Act, the IRS extended the deadline to make a 2019 IRA or Roth IRA contribution to July 15, 2020 in order to coincide with the extended deadline for filing an individual's income tax return.

**Supplement dated May 1, 2020
to the**

Nationwide Destination Navigator (New York) prospectus dated May 1, 2013

This supplement updates certain information contained in the prospectus. Please read it and keep it with the prospectus for future reference.

1. The following is added to the prospectus as a result of the SECURE Act that was enacted on December 20, 2019:

For those contract owners who attained the age of 70 1/2 prior to January 1, 2020, distributions from an IRA, SEP IRA, Simple IRA, or tax sheltered annuity must begin no later than April 1 of the calendar year following the calendar year in which the contract owner reaches age 70 1/2. The SECURE Act raised the age that distributions from IRAs, SEP IRAs, Simple IRAs, or tax sheltered annuities must begin. For contract owners who attain age 72 on or after January 1, 2020, distributions must begin no later than April 1 of the calendar year in which the contract owner turns age 72.

The SECURE Act changed other provisions of the tax law. Consult a tax adviser for more information on the SECURE Act.

2. The following sections of the prospectus are restated.

- 1) The Total Annual Mutual Fund Operating Expenses table, which shows the minimum and maximum total operating expenses, as of December 31, 2019, charged by the underlying mutual funds that a contract owner may periodically pay while the contract is in force. More detail concerning each mutual fund's fees and expenses is contained in the mutual fund's prospectus.
- 2) The Legal Proceedings for Nationwide Life Insurance Company and Nationwide Investment Services Corporation, which describe certain information about the legal and regulatory proceedings that the Company is subject to.
- 3) The Underlying Mutual Fund Information appendix, which contains information about the mutual funds available to the contract owner through investment in the sub-accounts.

Total Annual Mutual Fund Operating Expenses		
	Minimum	Maximum
Total Annual Mutual Fund Operating Expenses (expenses that are deducted from the mutual fund assets, including management fees, distribution (12b-1) fees, and other expenses)	0.40%	6.31%

Legal Proceedings

Nationwide Life Insurance Company

Nationwide Financial Services, Inc. (NFS, or collectively with its subsidiaries, (the "Company") was formed in November 1996. NFS is the holding company for Nationwide Life Insurance Company (NLIC), Nationwide Life and Annuity Insurance Company (NLAIC) and other companies that comprise the life insurance and retirement savings operations of the Nationwide group of companies (Nationwide). This group includes Nationwide Financial Network (NFN), an affiliated distribution network that markets directly to its customer base. NFS is incorporated in Delaware and maintains its principal executive offices in Columbus, Ohio.

The Company is subject to legal and regulatory proceedings in the ordinary course of its business. These include proceedings specific to the Company and proceedings generally applicable to business practices in the industries in which the Company operates. The outcomes of these proceedings cannot be predicted due to their complexity, scope, and many uncertainties. The Company believes, however, that based on currently known information, the ultimate outcome of all pending legal and regulatory proceedings is not likely to have a material adverse effect on the Company's financial

position. The Company maintains Professional Liability Insurance and Director and Officer Liability insurance policies that may cover losses for certain legal and regulatory proceedings. The Company will make adequate provision for any probable and reasonably estimable recoveries under such policies.

The various businesses conducted by the Company are subject to oversight by numerous federal and state regulatory entities, including but not limited to the Securities and Exchange Commission, the Financial Industry Regulatory Authority, the Department of Labor, the Internal Revenue Service, the Office of the Comptroller of the Currency and state insurance authorities. Such regulatory entities may, in the normal course of business, be engaged in general or targeted inquiries, examinations and investigations of the Company and/or its affiliates. With respect to all such scrutiny directed at the Company or their affiliates, the Company is cooperating with regulators.

Nationwide Investment Services Corporation

The general distributor, NISC (the "Company"), is subject to legal and regulatory proceedings in the ordinary course of its business. These include proceedings specific to the Company and proceedings generally applicable to business practices in the industries in which the Company operates. The outcomes of these proceedings cannot be predicted due to their complexity, scope and many uncertainties. The Company believes, however, that based on currently known information, the ultimate outcome of all pending legal and regulatory proceedings is not likely to have a material adverse effect on the Company's financial position. The Company has agreements with Nationwide Life Insurance Company (NLIC) under which, NLIC pays all litigation costs on behalf of the Company. Should NLIC be unable or unwilling to pay these costs in the future, the Company would be liable for such costs.

The various businesses conducted by the Company are subject to oversight by numerous federal and state regulatory entities, including but not limited to the Securities and Exchange Commission, the Financial Industry Regulatory Authority, the Department of Labor, the Internal Revenue Service, the Office of the Comptroller of the Currency and state insurance authorities. Such regulatory entities may, in the normal course of business, be engaged in general or targeted inquiries, examinations and investigations of the Company and/or its affiliates. With respect to all such scrutiny directed at the Company or its affiliates, the Company is cooperating with regulators.

Underlying Mutual Fund Information

This appendix contains information about the underlying mutual funds in which the Sub-Accounts invest. The underlying mutual funds in which the Sub-Accounts invest are designed primarily as investments for variable annuity contracts and variable life insurance policies issued by insurance companies. There is no guarantee that the investment objectives will be met. Refer to the prospectus for each underlying mutual fund for more detailed information.

Designations Key:	
FF:	The underlying mutual fund primarily invests in other mutual funds. Therefore, a proportionate share of the fees and expenses of any acquired funds are indirectly borne by investors. As a result, investors in this Sub-Account may incur higher charges than if the assets were invested in an underlying mutual fund that does not invest in other mutual funds. Refer to the prospectus for this underlying mutual fund for more information.
MF:	The underlying mutual fund operates as a "feeder fund", which means it invests all of its investment assets in another mutual fund, the "master fund". Investors in this underlying mutual fund will bear the fees and expenses of both this underlying mutual fund and the "master fund" in which it invests. Therefore, this may result in higher expenses than those of other underlying mutual funds that invest directly in individual securities. Refer to the prospectus for this underlying mutual fund for more information.
VOL:	The underlying mutual fund uses a volatility management strategy to reduce a Contract Owner's exposure to equity investments when equity markets are volatile which may limit investment losses in a down market. However, use of such a strategy may also limit the growth of Contract Value. For contracts with a living benefit option elected, since the benefit base of a living benefit option is not decreased as a result of negative market performance, allocation to this type of underlying mutual fund may provide little or no additional benefit. For contracts without a living benefit option elected, allocation to this type of underlying mutual fund may result in foregone investment gains that could otherwise be realized by investing in riskier underlying mutual funds.

AllianceBernstein Variable Products Series Fund, Inc. - AB VPS Dynamic Asset Allocation Portfolio: Class B

This underlying mutual fund is only available in contracts for which good order applications were received before May 1, 2015

This supplement updates certain information contained in your prospectus. Please read it and keep it with your prospectus for future reference.

At meetings held December 9-11, 2019, the Board of Trustees of Invesco Funds approved an Agreement and Plan of Reorganization (the "Plan") under which Invesco – Invesco V.I. Mid Cap Growth Fund (the "Merging Fund") will transfer all of its assets and liabilities to the Invesco Oppenheimer V.I. Discovery Mid Cap Growth Fund (the "Acquiring Fund"). The merger will be effective on or about April 30, 2020 (the "Effective Date").

As a result of the merger, as of the Effective Date, the following changes apply to the contract:

- the Merging Fund will no longer be available to receive transfers or new purchase payments;
- the Merging Fund will transfer all of its assets to the Acquiring Fund in exchange for shares of the Acquiring Fund; and
- the Acquiring Fund will assume all liabilities of the Merging Fund.

Accordingly, the following changes apply to the prospectus:

Appendix A: Underlying Mutual Funds is amended to add the following:

Invesco Oppenheimer V.I. Discovery Mid Cap Growth Fund: Series II

This underlying mutual fund is only available in contracts for which good order applications were received before April 30, 2020

Investment Advisor: Invesco Advisers, Inc.

Investment Objective: Capital appreciation.

All references in the prospectus to the Merging Fund are deleted and replaced with the Acquiring Fund as of the Effective Date.

At a meeting of the Board of Trustees (the "Board") of Nationwide Variable Insurance Trust (the "Trust") held on December 4, 2019 (the "Meeting"), the Board approved the following actions:

1. The Board approved the termination of Loomis, Sayles & Company, L.P. ("Loomis Sayles"), Massachusetts Financial Services Company d/b/a MFS Investment Management ("MFS") and Smith Asset Group ("Smith Group"), as the subadvisers to the NVIT Multi-Manager Large Cap Growth Fund and the appointment of Jacobs Levy Equity Management, Inc. ("Jacobs Levy") as the new subadviser to the NVIT Multi Manager Large Cap Growth Fund. All references to, and information regarding Loomis Sayles, MFS and Smith Group are deleted in their entirety and the fund is renamed the "NVIT Jacobs Levy Large Cap Growth Fund." All references to the fund's former name are replaced accordingly.
2. The Board approved the termination of Neuberger Berman Investment Advisers LLC ("Neuberger Berman") as the subadviser to the NVIT Multi-Manager Mid Cap Growth Fund. Wells Capital Management, Inc. will continue to subadvise the fund. All references to, and information regarding Neuberger Berman are deleted in their entirety and the fund is renamed the "NVIT Wells Fargo Discovery Fund." All references to the fund's former name are replaced accordingly.

The changes are anticipated to take effect on or about January 20, 2020.

This supplement updates certain information contained in your prospectus. Please read it and keep it with your prospectus for future reference.

The following disclosure changes are made to the prospectus:

In a supplement dated May 22, 2019 to your prospectus it was incorrectly indicated that the name changes associated with Oppenheimer funds were to be effective on or about June 24, 2019. The correct effective date of the Oppenheimer fund name changes was May 24, 2019.

**Prospectus supplement dated May 22, 2019
to the following prospectus(es):**

Nationwide Destination EV, Nationwide Destination Navigator, and Nationwide Destination
Navigator (New York) dated May 1, 2013

This supplement updates certain information contained in your prospectus. Please read it and keep it with your prospectus for future reference.

The following disclosure changes are made to the prospectus:

- (1) The cover page of the prospectus is amended to include the following language:

Beginning on January 1, 2021, as permitted by regulations adopted by the SEC, Nationwide may discontinue mailing paper copies of shareholder reports for underlying mutual funds available under the contract unless the Contract Owner specifically requests that paper copies continue to be delivered. Instead, the shareholder reports will be made available on a website. Nationwide will notify Contract Owners by mail each time a shareholder report is posted and will provide a website link to access the report. Instructions for requesting paper copies will also be included in the notice.

Contracts where the Contract Owner already elected to receive shareholder reports electronically will not be affected by this change and no action is required. To elect to receive shareholder reports and other communications from Nationwide electronically, contact the Service Center (see *Contacting the Service Center*).

Contract Owners may elect to receive all future shareholder reports in paper free of charge. To do so, Contract Owners should contact the Service Center to inform Nationwide that paper copies of shareholder reports should continue to be delivered. Any election to receive shareholder reports in paper will apply to all underlying funds available under the contract.

- (2) The prospectus offers the following underlying mutual fund as an investment option under the contract/policy. Effective on or about June 1, 2019, the name of the investment option is updated as indicated below:

CURRENT NAME	UPDATED NAME
MFS® Variable Insurance Trust II – MFS International Value Portfolio	MFS® Variable Insurance Trust II – MFS International Intrinsic Value Portfolio

- (3) The prospectus offers the following underlying mutual fund(s) as investment option(s) under the contract/policy. Effective on or about June 3, 2019, the name of the investment option(s) are updated as indicated below:

**Supplement dated May 1, 2019
to the**

Nationwide Destination Navigator (New York) prospectus dated May 1, 2013

This supplement updates certain information contained in the prospectus. Please read it and keep it with the prospectus for future reference.

The following sections of the prospectus are restated.

- 1) The Total Annual Mutual Fund Operating Expenses table, which shows the minimum and maximum total operating expenses, as of December 31, 2018, charged by the underlying mutual funds that a contract owner may periodically pay while the contract is in force. More detail concerning each mutual fund's fees and expenses is contained in the mutual fund's prospectus.
- 2) The Legal Proceedings for Nationwide Life Insurance Company and Nationwide Investment Services Corporation, which describe certain information about the legal and regulatory proceedings that the Company is subject to.
- 3) The Underlying Mutual Fund Information appendix, which contains information about the mutual funds available to the contract owner through investment in the sub-accounts.

Total Annual Mutual Fund Operating Expenses		
	Minimum	Maximum
Total Annual Mutual Fund Operating Expenses (expenses that are deducted from the mutual fund assets, including management fees, distribution (12b-1) fees, and other expenses)	0.40%	2.93%

Legal Proceedings

Nationwide Life Insurance Company

Nationwide Financial Services, Inc. (NFS, or collectively with its subsidiaries, (the "Company") was formed in November 1996. NFS is the holding company for Nationwide Life Insurance Company (NLIC), Nationwide Life and Annuity Insurance Company (NLAIC) and other companies that comprise the life insurance and retirement savings operations of the Nationwide group of companies (Nationwide). This group includes Nationwide Financial Network (NFN), an affiliated distribution network that markets directly to its customer base. NFS is incorporated in Delaware and maintains its principal executive offices in Columbus, Ohio.

The Company is subject to legal and regulatory proceedings in the ordinary course of its business. These include proceedings specific to the Company and proceedings generally applicable to business practices in the industries in which the Company operates. The outcomes of these proceedings cannot be predicted due to their complexity, scope, and many uncertainties. The Company believes, however, that based on currently known information, the ultimate outcome of all pending legal and regulatory proceedings is not likely to have a material adverse effect on the Company's financial position. The Company maintains Professional Liability Insurance and Director and Officer Liability insurance policies that may cover losses for certain legal and regulatory proceedings. The Company will make adequate provision for any probable and reasonably estimable recoveries under such policies.

The various businesses conducted by the Company are subject to oversight by numerous federal and state regulatory entities, including but not limited to the Securities and Exchange Commission, the Financial Industry Regulatory Authority, the Department of Labor, the Internal Revenue Service, the Office of the Comptroller of the Currency and state insurance authorities. Such regulatory entities may, in the normal course of business, be engaged in general or targeted inquiries, examinations and investigations of the Company and/or its affiliates. With respect to all such scrutiny directed at the Company or their affiliates, the Company is cooperating with regulators.

Nationwide Investment Services Corporation

The general distributor, NISC (the "Company"), is subject to legal and regulatory proceedings in the ordinary course of its business. These include proceedings specific to the Company and proceedings generally applicable to business practices in the industries in which the Company operates. The outcomes of these proceedings cannot be predicted due to their complexity, scope and many uncertainties. The Company believes, however, that based on currently known information, the ultimate outcome of all pending legal and regulatory proceedings is not likely to have a material adverse effect on the Company's financial position. The Company has agreements with Nationwide Life Insurance Company (NLIC) under which, NLIC pays all litigation costs on behalf of the Company. Should NLIC be unable or unwilling to pay these costs in the future, the Company would be liable for such costs.

The various businesses conducted by the Company are subject to oversight by numerous federal and state regulatory entities, including but not limited to the Securities and Exchange Commission, the Financial Industry Regulatory Authority, the Department of Labor, the Internal Revenue Service, the Office of the Comptroller of the Currency and state insurance authorities. Such regulatory entities may, in the normal course, be engaged in general or targeted inquiries, examinations and investigations of the Company and/or its affiliates. With respect to all such scrutiny directed at the Company or their affiliates, the Company is cooperating with regulators.

The Company is engaged in an arbitration matter with at least a reasonable possibility of an unfavorable outcome that would exceed the materiality threshold for the Company, as follows:

Dabney, Edyth v. NISC and Edward Jones. This is a Financial Industry Regulatory Authority arbitration matter. Claimant alleges that NISC and Edward Jones improperly administered her 401k rollover. NISC and Edward Jones completed the correction in 2018, but the delay resulted in a taxable event for 2017. Claimant seeks damages of approximately \$25,000. The arbitration hearing is scheduled for April 25, 2019.

Underlying Mutual Fund Information

This appendix contains information about the underlying mutual funds in which the Sub-Accounts invest. The underlying mutual funds in which the Sub-Accounts invest are designed primarily as investments for variable annuity contracts and variable life insurance policies issued by insurance companies. There is no guarantee that the investment objectives will be met. Refer to the prospectus for each underlying mutual fund for more detailed information.

Designations Key:

- FF:** The underlying mutual fund primarily invests in other mutual funds. Therefore, a proportionate share of the fees and expenses of any acquired funds are indirectly borne by investors. As a result, investors in this Sub-Account may incur higher charges than if the assets were invested in an underlying mutual fund that does not invest in other mutual funds. Refer to the prospectus for this underlying mutual fund for more information.
- MF:** The underlying mutual fund operates as a "feeder fund", which means it invests all of its investment assets in another mutual fund, the "master fund". Investors in this underlying mutual fund will bear the fees and expenses of both this underlying mutual fund and the "master fund" in which it invests. Therefore, this may result in higher expenses than those of other underlying mutual funds that invest directly in individual securities. Refer to the prospectus for this underlying mutual fund for more information.
- VOL:** The underlying mutual fund uses a volatility management strategy to reduce a Contract Owner's exposure to equity investments when equity markets are volatile which may limit investment losses in a down market. However, use of such a strategy may also limit the growth of Contract Value. For contracts with a living benefit option elected, since the benefit base of a living benefit option is not decreased as a result of negative market performance, allocation to this type of underlying mutual fund may provide little or no additional benefit. For contracts without a living benefit option elected, allocation to this type of underlying mutual fund may result in foregone investment gains that could otherwise be realized by investing in riskier underlying mutual funds.

AllianceBernstein Variable Products Series Fund, Inc. - AB VPS Dynamic Asset Allocation Portfolio: Class B

This underlying mutual fund is only available in contracts for which good order applications were received before May 1, 2015

**Supplement dated May 1, 2018
to the**

Nationwide Destination Navigator (New York) prospectus dated May 1, 2013

This supplement updates certain information contained in the prospectus. Please read it and keep it with the prospectus for future reference.

The following disclosures are added to the prospectus. These disclosures supersede any conflicting information presently included in the prospectus.

- Nationwide will not pay insurance proceeds directly to minors. Contact a legal advisor for options to facilitate the timely availability of monies intended for a minor's benefit.
- Nationwide does not recommend or endorse any particular fund and it does not provide investment advice.
- Nationwide may substitute, eliminate, or combine shares of another underlying mutual fund for shares already purchased or to be purchased in the future if either: 1) shares of a current underlying mutual fund are no longer available for investment; or 2) further investment in an underlying mutual fund is inappropriate. Nationwide will not substitute shares of any underlying mutual fund in which the sub-accounts invest without any necessary prior approval of the appropriate state or federal regulatory authorities. All affected contract owners will be notified in the event there is a substitution, elimination, or combination of shares. The substitute underlying mutual fund may have different fees and expenses. Substitution may be made with respect to existing investments or the investment of future purchase payments, or both.

The following sections of the prospectus are restated.

- 1) The Total Annual Mutual Fund Operating Expenses table, which shows the minimum and maximum total operating expenses, as of December 31, 2017, charged by the underlying mutual funds that a contract owner may periodically pay while the contract is in force. More detail concerning each mutual fund's fees and expenses is contained in the mutual fund's prospectus.
- 2) The Legal Proceedings for Nationwide Life Insurance Company and Nationwide Investment Services Corporation, which describe certain information about the legal and regulatory proceedings that the Company is subject to.
- 3) The Underlying Mutual Fund Information appendix, which contains information about the mutual funds available to the contract owner through investment in the sub-accounts.

Total Annual Mutual Fund Operating Expenses		
	Minimum	Maximum
Total Annual Mutual Fund Operating Expenses (expenses that are deducted from the mutual fund assets, including management fees, distribution (12b-1) fees, and other expenses)	0.40%	2.61%

Legal Proceedings

Nationwide Life Insurance Company

Nationwide Financial Services, Inc. (NFS, or collectively with its subsidiaries, "the Company") was formed in November 1996. NFS is the holding company for Nationwide Life Insurance Company (NLIC), Nationwide Life and Annuity Insurance Company (NLAIC) and other companies that comprise the life insurance and retirement savings operations of the Nationwide group of companies (Nationwide). This group includes Nationwide Financial Network (NFN), an affiliated distribution network that markets directly to its customer base. NFS is incorporated in Delaware and maintains its principal executive offices in Columbus, Ohio.

The Company is subject to legal and regulatory proceedings in the ordinary course of its business. These include proceedings specific to the Company and proceedings generally applicable to business practices in the industries in which the Company operates. The outcomes of these proceedings cannot be predicted due to their complexity, scope, and many uncertainties. The Company believes, however, that based on currently known information, the ultimate outcome of all pending legal and regulatory proceedings is not likely to have a material adverse effect on the Company's consolidated

financial position. The Company maintains Professional Liability Insurance and Director and Officer Liability insurance policies that may cover losses for certain legal and regulatory proceedings. The Company will make adequate provision for any probable and reasonably estimable recoveries under such policies.

The various businesses conducted by the Company are subject to oversight by numerous federal and state regulatory entities, including but not limited to the Securities and Exchange Commission, the Financial Industry Regulatory Authority, the Department of Labor, the Internal Revenue Service, the Federal Reserve Bank and state insurance authorities. Such regulatory entities may, in the normal course, be engaged in general or targeted inquiries, examinations and investigations of the Company and/or its affiliates. With respect to all such scrutiny directed at the Company or their affiliates, the Company is cooperating with regulators. The Company will cooperate with its ultimate parent company, Nationwide Mutual Insurance Company (NMIC) insofar as any inquiry, examination or investigation encompasses NMIC's operations. In addition, recent regulatory activity, including state and federal regulatory activity related to fiduciary standards, may impact the Company's business and operations, and certain estimates and assumptions used by the Company in determining the amounts presented in the combined financial statements and accompanying notes. Actual results could differ significantly from those estimates and assumptions.

Nationwide Investment Services Corporation

The general distributor, NISC, is not engaged in any litigation that is likely to have a material adverse effect on its ability to perform its contract with the variable account.

Underlying Mutual Fund Information

This appendix contains information about the underlying mutual funds in which the Sub-Accounts invest. The underlying mutual funds in which the Sub-Accounts invest are designed primarily as investments for variable annuity contracts and variable life insurance policies issued by insurance companies. There is no guarantee that the investment objectives will be met. Refer to the prospectus for each underlying mutual fund for more detailed information.

Designations Key:	
FF:	The underlying mutual fund primarily invests in other mutual funds. Therefore, a proportionate share of the fees and expenses of any acquired funds are indirectly borne by investors. As a result, investors in this Sub-Account may incur higher charges than if the assets were invested in an underlying mutual fund that does not invest in other mutual funds. Refer to the prospectus for this underlying mutual fund for more information.
MF:	The underlying mutual fund operates as a "feeder fund", which means it invests all of its investment assets in another mutual fund, the "master fund". Investors in this underlying mutual fund will bear the fees and expenses of both this underlying mutual fund and the "master fund" in which it invests. Therefore, this may result in higher expenses than those of other underlying mutual funds that invest directly in individual securities. Refer to the prospectus for this underlying mutual fund for more information.
VOL:	The underlying mutual fund uses a volatility management strategy to reduce a Contract Owner's exposure to equity investments when equity markets are volatile which may limit investment losses in a down market. However, use of such a strategy may also limit the growth of Contract Value. For contracts with a living benefit option elected, since the benefit base of a living benefit option is not decreased as a result of negative market performance, allocation to this type of underlying mutual fund may provide little or no additional benefit. For contracts without a living benefit option elected, allocation to this type of underlying mutual fund may result in foregone investment gains that could otherwise be realized by investing in riskier underlying mutual funds.

AllianceBernstein Variable Products Series Fund, Inc. - AB VPS Dynamic Asset Allocation Portfolio: Class B

This underlying mutual fund is only available in contracts for which good order applications were received before May 1, 2015

Effective May 1, 2017, the *Legal Proceedings* section of the prospectus is deleted and replaced in its entirety with the following:

Legal Proceedings

Nationwide Life Insurance Company

Nationwide Financial Services, Inc. (NFS, or collectively with its subsidiaries, "the Company") was formed in November 1996. NFS is the holding company for Nationwide Life Insurance Company (NLIC), Nationwide Life and Annuity Insurance Company (NLAIC) and other companies that comprise the life insurance and retirement savings operations of the Nationwide group of companies (Nationwide). This group includes Nationwide Financial Network (NFN), an affiliated distribution network that markets directly to its customer base. NFS is incorporated in Delaware and maintains its principal executive offices in Columbus, Ohio.

The Company is subject to legal and regulatory proceedings in the ordinary course of its business. These proceedings include proceedings specific to the Company and proceedings generally applicable to business practices in the industries in which the Company operates. The outcomes of these proceedings cannot be predicted due to their complexity, scope, and many uncertainties. Regulatory proceedings may also affect the outcome of one or more of the Company's litigation matters. Furthermore, it is often not possible with any degree of certainty to determine the likely ultimate outcomes of the pending regulatory and legal proceedings or to provide reasonable ranges of potential losses. Some matters are in very preliminary stages, and the Company does not have sufficient information to make an assessment of the claims for liability or damages. In some of the legal proceedings which are seeking to be certified as class actions, the court has not yet decided whether a class will be certified or (in the event of certification) the size of the class and class period. In many of legal proceedings, the plaintiffs are seeking undefined amounts of damages or other relief, including punitive damages and equitable remedies, which are difficult to quantify and cannot be defined based on the information currently available. The Company believes, however, that based on currently known information, the ultimate outcome of all pending legal and regulatory proceedings is not likely to have a material adverse effect on the Company's condensed consolidated financial position. Nonetheless, it is possible that such outcomes could materially affect the Company's condensed consolidated financial position or results of operations in a particular quarter or annual period given the large or indeterminate amounts sought in certain of these legal proceedings and the inherent unpredictability of litigation. The Company maintains Professional Liability Insurance and Director and Officer Liability insurance policies that may cover losses for certain legal and regulatory proceedings. The Company recognizes an asset for insurance recoveries, not to exceed cumulative accrued losses, when recovery under such policies is probable and reasonably estimable.

The various businesses conducted by the Company are subject to oversight by numerous federal and state regulatory entities, including but not limited to the Securities and Exchange Commission, the Financial Industry Regulatory Authority, the Department of Labor ("DOL"), the Internal Revenue Service, the Federal Reserve Bank and state insurance authorities. Such regulatory entities may, in the normal course, be engaged in general or targeted inquiries, examinations and investigations of the Company and/or its affiliates. With respect to all such scrutiny directed at the Company or its affiliates, the Company is cooperating with regulators. The Company will cooperate with its ultimate parent company, Nationwide Mutual Insurance Company ("NMIC") insofar as any inquiry, examination or investigation encompasses NMIC's operations. In addition, recent regulatory activity, including activity by the DOL, may impact the Company's business and operations, and certain estimates and assumptions used by the Company in determining the amounts presented in the financial statements and accompanying notes. Actual results could differ significantly from those estimates and assumptions.

Nationwide Investment Services Corporation

The general distributor, NISC, is not engaged in any litigation of any material nature.

Nationwide Destination B and Nationwide Destination L prospectuses dated May 1, 2016
Nationwide Income Architect Annuity, Nationwide Destination EV, Nationwide Destination Navigator, Nationwide Destination Navigator (New York) prospectuses dated May 1, 2013
Schwab Income Choice Variable Annuity prospectus dated May 1, 2012

This supplement updates certain information contained in your prospectus. Please read it and keep it with your prospectus for future reference.

The following changes are made to the prospectus:

1) The *Designations Key of Appendix A: Underlying Mutual Funds* is revised to include the following designation:

MF: The underlying mutual fund operates as a "feeder fund", which means it invests all of its investment assets in another mutual fund, the "master fund". Investors in this underlying mutual fund will bear the fees and expenses of both this underlying mutual fund and the "master fund" in which it invests. Therefore, this may result in higher expenses than those of other underlying mutual funds that invest directly in individual securities. Refer to the prospectus for this underlying mutual fund for more information.

The designations for the following underlying mutual funds listed in *Appendix A: Underlying Mutual Funds* are updated as follows:

Nationwide Variable Insurance Trust - American Funds NVIT Asset Allocation Fund: Class II

Investment Advisor: Capital Research and Management Company
Investment Objective: The fund seeks to provide high total return (including income and capital gains) consistent with preservation of capital over the long term.

Designation: MF

Nationwide Variable Insurance Trust - American Funds NVIT Bond Fund: Class II

Investment Advisor: Capital Research and Management Company
Investment Objective: The Fund seeks to maximize an investors level of current income and preserve the investor's capital.

Designation: MF

Nationwide Variable Insurance Trust - American Funds NVIT Global Growth Fund: Class II

Investment Advisor: Capital Research and Management Company
Investment Objective: The Fund is designed for investors seeking capital appreciation through stocks.

Designation: MF

Nationwide Variable Insurance Trust - American Funds NVIT Growth Fund: Class II

Investment Advisor: Capital Research and Management Company
Investment Objective: The Fund is designed for investors seeking capital appreciation principally through investment in stocks.

Designation: MF

Nationwide Variable Insurance Trust - American Funds NVIT Growth-Income Fund: Class II

Investment Advisor: Capital Research and Management Company
Investment Objective: The fund seeks to achieve long-term growth of capital and income.

Designation: MF

2) Effective January 1, 2016, all references to Neuberger Berman Management LLC, Neuberger Berman LLC, and Neuberger Berman Fixed Income LLC as Sub-advisor to the following funds is changed to Neuberger Berman Investment Advisers LLC:

- Nationwide Variable Insurance Trust – NVIT Multi-Manager Mid Cap Growth Fund
- Nationwide Variable Insurance Trust – Neuberger Berman NVIT Multi Cap Opportunities Fund

- Neuberger Berman Advisers Management Trust – Short Duration Bond Portfolio
- Nationwide Variable Insurance Trust – NVIT Core Bond Fund
- Nationwide Variable Insurance Trust – Neuberger Berman NVIT Socially Responsible Fund

**Prospectus supplement dated May 1, 2016
to the following prospectus(es):**

Nationwide Destination Navigator (New York) prospectus dated May 1, 2013

This supplement updates certain information contained in your prospectus. Please read it and keep it with your prospectus for future reference.

The following disclosure changes are made to the prospectus:

1) The *Treatment of Unclaimed Property* section in the prospectus is deleted and replaced in its entirety with the following:

Treatment of Unclaimed Property

Every state has unclaimed property laws which generally declare annuity contracts or life insurance policies to be abandoned after a period of inactivity of three to five years from the contract's annuity commencement date or policy maturity date or the date Nationwide becomes informed that a death benefit is due and payable. For example, if the payment of a death benefit has been triggered, but, if after a thorough search, Nationwide is still unable to locate the beneficiary of the death benefit, or the beneficiary does not come forward to claim the death benefit in a timely manner, the death benefit will be surrendered and placed in a non-interest bearing account. While in the non-interest bearing account, Nationwide will continue to perform due diligence required by state law. Once the state mandated period has expired, Nationwide will escheat the death benefit to the abandoned property division or unclaimed property office of the state in which the beneficiary or the contract/policy owner last resided, as shown on Nationwide's books and records, or to Ohio, Nationwide's state of domicile. If a claim is subsequently made, the state is obligated to pay any such amount (without interest) to the designated recipient upon presentation of proper documentation.

To prevent escheatment, it is important to update beneficiary designations - including complete names, complete addresses, phone numbers, and social security numbers - as they change. Such updates should be sent to the Service Center.

2) Effective May 1, 2016, any and all references to "underlying mutual fund payments" are deleted and replaced with "underlying mutual fund service fee payments" in the prospectus and/or SAI.

3) Effective May 1, 2016, any and all references to "mutual fund payments" are deleted and replaced with "mutual fund service fee payments" in the prospectus and/or SAI.

Effective May 1, 2016, the following underlying mutual fund is available as an investment option to all contracts/policies:

- Nationwide Variable Insurance Trust – Neuberger Berman NVIT Multi Cap Opportunities Fund: Class II

The following investment option(s) are only available to contracts/policies for which good order applications were received prior to May 1, 2016:

- Dreyfus Variable Investment Fund – Appreciation Portfolio: Initial Shares
- Janus Aspen Series – Overseas Portfolio: Service Shares

The prospectus offers the following underlying mutual fund(s) as investment option(s) under the contract/policy. Effective May 1, 2016, the name of the investment option(s) are updated as indicated below:

Effective May 1, 2016, the *Legal Proceedings* section of the prospectus is deleted and replaced in its entirety with the following:

Legal Proceedings

Nationwide Life Insurance Company and Nationwide Life and Annuity Insurance Company

Nationwide Financial Services, Inc. (NFS, or collectively with its subsidiaries, “the Company”) was formed in November 1996. NFS is the holding company for Nationwide Life Insurance Company (NLIC), Nationwide Life and Annuity Insurance Company (NLAIC) and other companies that comprise the life insurance and retirement savings operations of the Nationwide group of companies (Nationwide). This group includes Nationwide Financial Network (NFN), an affiliated distribution network that markets directly to its customer base. NFS is incorporated in Delaware and maintains its principal executive offices in Columbus, Ohio.

The Company is subject to legal and regulatory proceedings in the ordinary course of its business. The Company’s legal and regulatory matters include proceedings specific to the Company and other proceedings generally applicable to business practices in the industries in which the Company operates. These matters are subject to many uncertainties, and given their complexity and scope, their outcomes cannot be predicted. Regulatory proceedings could also affect the outcome of one or more of the Company’s litigation matters. Furthermore, it is often not possible to determine the ultimate outcomes of the pending regulatory investigations and legal proceedings or to provide reasonable ranges of potential losses with any degree of certainty. Some matters, including certain of those referred to below, are in very preliminary stages, and the Company does not have sufficient information to make an assessment of the plaintiffs’ claims for liability or damages. In some of the cases seeking to be certified as class actions, the court has not yet decided whether a class will be certified or (in the event of certification) the size of the class and class period. In many of the cases, the plaintiffs are seeking undefined amounts of damages or other relief, including punitive damages and equitable remedies, which are difficult to quantify and cannot be defined based on the information currently available. The Company believes, however, that based on currently known information, the ultimate outcome of all pending legal and regulatory matters is not likely to have a material adverse effect on the Company’s condensed consolidated financial position. Nonetheless, given the large or indeterminate amounts sought in certain of these matters and the inherent unpredictability of litigation, it is possible that such outcomes could materially affect the Company’s condensed consolidated financial position or results of operations in a particular quarter or annual period.

The various businesses conducted by the Company are subject to oversight by numerous federal and state regulatory entities, including but not limited to the Securities and Exchange Commission, the Financial Industry Regulatory Authority, the Department of Labor, the Internal Revenue Service, the Federal Reserve Bank and state insurance authorities. Such regulatory entities may, in the normal course, be engaged in general or targeted inquiries, examinations and investigations of the Company and/or its affiliates. The financial services industry has been the subject of increasing scrutiny in connection with a broad spectrum of regulatory issues; with respect to all such scrutiny directed at the Company and/or its affiliates, the Company is cooperating with regulators. The Company will cooperate with Nationwide Mutual Insurance Company (NMIC) insofar as any inquiry, examination or investigation encompasses NMIC’s operations.

On August 15, 2001, NFS and NLIC were named in a lawsuit filed in the United States District Court for the District of Connecticut entitled *Lou Haddock, as trustee of the Flyte Tool & Die, Incorporated Deferred Compensation Plan, et al v. Nationwide Financial Services, Inc. and Nationwide Life Insurance Company*. On November 18, 2009, the plaintiffs filed a sixth amended complaint amending the list of named plaintiffs and claiming to represent a class of qualified retirement plan trustees under the Employee Retirement Income Security Act of 1974 (ERISA) that purchased variable annuities from NLIC. The plaintiffs allege that they invested ERISA plan assets in their variable annuity contracts and that NLIC and NFS breached ERISA fiduciary duties by allegedly accepting service payments from certain mutual funds. The complaint seeks damages in an amount equivalent to some or all of the payments allegedly received by NFS and NLIC, other

unspecified relief for restitution, declaratory and injunctive relief, and attorneys fees. On November 6, 2009, the Court granted the plaintiffs motion for class certification. On October 21, 2010, the District Court dismissed NFS from the lawsuit. On February 6, 2012, the Second Circuit Court of Appeals vacated the November 6, 2009 order granting class certification and remanded the case back to the District Court for further consideration. On September 6, 2013, the District Court granted the plaintiffs motion for class certification. On December 11, 2014, the plaintiffs filed a 7th Amended Complaint adding another sub class of defendants that held trust platform products. On December 11, 2014, plaintiff filed a motion for preliminary approval of settlement. On January 5, 2015, the Court signed the Order Preliminarily Approving Settlement and Approving Form and Manner of Notice. On March 31, 2015, the Court held a Fairness Hearing. On April 9, 2015, the Court entered the Final Order and Consent Judgment. The Company has paid the loss amount. In November 2015, the settlement administrator mailed settlement checks to class members.

Nationwide Investment Services Corporation

The general distributor, NISC, is not engaged in any litigation of any material nature.

--

In December, 2015, the Board of Trustees (the "Board") of the Nationwide Variable Insurance Trust (the "Trust"), on behalf of the Nationwide Variable Insurance Trust – NVIT Growth Fund: Class II ("Target Fund") and the Nationwide Variable Insurance Trust – NVIT Large Cap Growth Fund: Class II ("Acquiring Fund"), approved the Plan of Reorganization whereby all of the Target Fund's assets will be transferred to the Acquiring Fund (the "Transaction"). The Transaction will result in Class II shares of the Target Fund being exchanged for Class II shares of the Acquiring Fund equal in value to (but having a different price per share than) shares of the Target Fund.

The proposed Transaction is subject to approval by the shareholders of the Target Fund at a shareholders' meeting expected to be held on or about March 29, 2016. If approved, the Transaction is expected to occur at the close of business on April 22, 2016. Therefore, effective on or about April 23, 2016, any allocations to the Target Fund are transferred to the Acquiring Fund.

to the following prospectus(es):

Nationwide Destination EV, Nationwide Destination Navigator, and Nationwide Destination Navigator (New York) prospectus dated May 1, 2013

Schwab Income Choice Variable Annuity prospectus dated May 1, 2012

This supplement updates certain information contained in your prospectus. Please read it and keep it with your prospectus for future reference.

1) The following disclosures are added to the prospectus. Any conflicting information in the existing prospectus is superseded by the following:

Cybersecurity

Nationwide's businesses are highly dependent upon its computer systems and those of its business partners. This makes Nationwide potentially susceptible to operational and information security risks resulting from a cyber-attack. These risks include direct risks, such as theft, misuse, corruption and destruction of data maintained by Nationwide, and indirect risks, such as denial of service attacks on service provider websites and other operational disruptions that impede Nationwide's ability to electronically interact with service providers. Cyber-attacks affecting Nationwide, the underlying mutual funds, intermediaries, and other service providers may adversely affect Nationwide and Contract Values. In connection with any such cyber-attacks, Nationwide and/or its service providers and intermediaries may be subject to regulatory fines and financial losses and/or reputational damage. Cyber security risks may also impact the issuers of securities in which the underlying mutual funds invest, which may cause the underlying mutual funds to lose value. Although Nationwide undertakes substantial efforts to protect its computer systems from cyber-attacks, including internal processes and technological defenses that are preventative or detective, and other controls designed to provide multiple layers of security assurance, there can be no guarantee that Nationwide, its service providers, or the underlying mutual funds will avoid losses affecting contracts due to cyber-attacks or information security breaches in the future.

In the event that contract/policy values are adversely affected as a result of the failure of Nationwide's cyber-security controls, Nationwide will take reasonable steps to restore contract/policy values to the levels that they would have been had the cyber-attack not occurred. Nationwide will not, however, be responsible for any adverse impact to contract/policy values that result from the contract owner or its designee's negligent acts or failure to use reasonably appropriate safeguards to protect against cyber-attacks.

Currency

Any money Nationwide pays, or that is paid to Nationwide, must be in the currency of the United States of America.

The first paragraph of the *Types of Payments Nationwide Receives* section is deleted in its entirety and replaced with the following:

In light of the above, the underlying mutual funds and their affiliates make certain payments to Nationwide or its affiliates (the "payments"). The amount of these payments is typically based on a percentage of assets invested in the underlying mutual funds attributable to the contracts and other variable contracts Nationwide and its affiliates issue, but in some cases may involve a flat fee. These payments are made for various purposes, including payments for the services provided and expenses incurred by the Nationwide companies in promoting, marketing and administering the contracts and underlying funds. Nationwide may realize a profit on the payments received.

The following paragraph is added to the *Amount of Payments Nationwide Receives* section:

For contracts/policies owned by an employer sponsored retirement plan, upon a plan trustee's request, Nationwide will provide a best estimate of plan-specific, aggregate data regarding the amount of underlying mutual fund payments Nationwide received in connection with the plan's investments either for the previous calendar year or plan year, if the plan year is not the same as the calendar year.

2) The following investment option(s) are only available to contracts for which good order applications were received prior to May 1, 2015:

- AllianceBernstein Variable Products Series Fund, Inc. - AllianceBernstein VPS Dynamic Asset Allocation Portfolio: Class B
- Huntington VA Funds - VA Situs Fund
- Invesco - Invesco V.I. Mid Cap Core Equity: Series II Shares

3) The prospectus offers the following underlying mutual fund(s) as investment option(s) under the contract. Effective May 1, 2015, the name of the investment option(s) are updated as indicated below:

CURRENT NAME	UPDATED NAME
AllianceBernstein Variable Products Series Fund, Inc. - AllianceBernstein Small/Mid Cap Value Portfolio: Class B	AllianceBernstein Variable Products Series Fund, Inc. - AB VPS Small/Mid Cap Value Portfolio: Class B

4) The following change(s) have been made with respect to the following underlying mutual fund(s):

Effective April 30, 2015 (the "Effectiveness Date"), Fidelity Variable Insurance Products Fund - VIP Overseas Portfolio: Service Class 2 (the "Target Fund") is added as an investment option in all contracts/policies. On the Effectiveness Date, any account value allocated to Fidelity Variable Insurance Products Fund - VIP Overseas Portfolio: Service Class 2R will transfer to the Target Fund. Following the merger, the Target Fund will remain available as an investment option in all contracts/policies and the following disclosure is added to *Appendix A: Underlying Mutual Funds*.

Fidelity Variable Insurance Products Fund - VIP Overseas Portfolio: Service Class 2

Investment Advisor: Fidelity Management & Research Company
Sub-adviser: FMR Co., Inc., Fidelity Management & Research (U.K.) Inc., Fidelity Research & Analysis Company, Fidelity International Investment Advisors, Fidelity International Investment Advisors (U.K.) Limited, Fidelity Investments Japan Limited
Investment Objective: Long-term capital growth.

5) The *Legal Proceedings* section of the prospectus is deleted and replaced in its entirety with the following:

Nationwide Life Insurance Company and Nationwide Life and Annuity Insurance Company

Nationwide Financial Services, Inc. (NFS, or collectively with its subsidiaries, "the Company") was formed in November 1996. NFS is the holding company for Nationwide Life Insurance Company (NLIC), Nationwide Life and Annuity Insurance Company (NLAIC) and other companies that comprise the life insurance and retirement savings operations of the Nationwide group of companies (Nationwide). This group includes Nationwide Financial Network (NFN), an affiliated distribution network that markets directly to its customer base. NFS is incorporated in Delaware and maintains its principal executive offices in Columbus, Ohio.

The Company is subject to legal and regulatory proceedings in the ordinary course of its business. The Company's legal and regulatory matters include proceedings specific to the Company and other proceedings generally applicable to business practices in the industries in which the Company operates. These matters are subject to many uncertainties, and given their complexity and scope, their outcomes cannot be predicted. Regulatory proceedings could also affect the outcome of one or more of the Company's litigation matters. Furthermore, it is often not possible to determine the ultimate outcomes of the pending regulatory investigations and legal proceedings or to provide reasonable ranges of potential losses with any degree of certainty. Some matters, including certain of those referred to below, are in very preliminary stages, and the Company does not have sufficient information to make an assessment of the plaintiffs' claims for liability or damages. In some of the cases seeking to be certified as class actions, the court has not yet decided whether a class

will be certified or (in the event of certification) the size of the class and class period. In many of the cases, the plaintiffs are seeking undefined amounts of damages or other relief, including punitive damages and equitable remedies, which are difficult to quantify and cannot be defined based on the information currently available. The Company believes, however, that based on currently known information, the ultimate outcome of all pending legal and regulatory matters is not likely to have a material adverse effect on the Company's condensed consolidated financial position. Nonetheless, given the large or indeterminate amounts sought in certain of these matters and the inherent unpredictability of litigation, it is possible that such outcomes could materially affect the Company's condensed consolidated financial position or results of operations in a particular quarter or annual period.

The various businesses conducted by the Company are subject to oversight by numerous federal and state regulatory entities, including but not limited to the Securities and Exchange Commission, the Financial Industry Regulatory Authority, the Department of Labor, the Internal Revenue Service, the Federal Reserve Bank and state insurance authorities. Such regulatory entities may, in the normal course, be engaged in general or targeted inquiries, examinations and investigations of the Company and/or its affiliates. The financial services industry has been the subject of increasing scrutiny in connection with a broad spectrum of regulatory issues; with respect to all such scrutiny directed at the Company and/or its affiliates, the Company is cooperating with regulators. The Company will cooperate with Nationwide Mutual Insurance Company (NMIC) insofar as any inquiry, examination or investigation encompasses NMIC's operations.

On August 15, 2001, NFS and NLIC were named in a lawsuit filed in the United States District Court for the District of Connecticut entitled *Lou Haddock, as trustee of the Flyte Tool & Die, Incorporated Deferred Compensation Plan, et al v. Nationwide Financial Services, Inc. and Nationwide Life Insurance Company*. On November 18, 2009, the plaintiffs filed a sixth amended complaint amending the list of named plaintiffs and claiming to represent a class of qualified retirement plan trustees under the Employee Retirement Income Security Act of 1974 (ERISA) that purchased variable annuities from NLIC. The plaintiffs allege that they invested ERISA plan assets in their variable annuity contracts and that NLIC and NFS breached ERISA fiduciary duties by allegedly accepting service payments from certain mutual funds. The complaint seeks damages in an amount equivalent to some or all of the payments allegedly received by NFS and NLIC, other unspecified relief for restitution, declaratory and injunctive relief, and attorneys fees. On November 6, 2009, the Court granted the plaintiffs motion for class certification. On October 21, 2010, the District Court dismissed NFS from the lawsuit. On February 6, 2012, the Second Circuit Court of Appeals vacated the November 6, 2009 order granting class certification and remanded the case back to the District Court for further consideration. On September 6, 2013, the District Court granted the plaintiffs motion for class certification. On December 11, 2014, the plaintiffs filed a 7th Amended Complaint adding another sub class of defendants that held trust platform products. On December 11, 2014, plaintiff filed a motion for preliminary approval of settlement. On January 5, 2015, the Court signed the Order Preliminarily Approving Settlement and Approving Form and Manner of Notice. On March 31, 2015, the Court held a Fairness Hearing and proposed a few changes to the Final Order that Nationwide has taken under consideration. NFS has made adequate provision for all probable and reasonably estimable losses associated with this settlement.

Legal Proceedings

Nationwide Life Insurance Company

Nationwide Financial Services, Inc. (NFS, or collectively with its subsidiaries, "the Company") was formed in November 1996. NFS is the holding company for Nationwide Life Insurance Company (NLIC), Nationwide Life and Annuity Insurance Company (NLAIC) and other companies that comprise the life insurance and retirement savings operations of the Nationwide group of companies (Nationwide). This group includes Nationwide Financial Network (NFN), an affiliated distribution network that markets directly to its customer base. NFS is incorporated in Delaware and maintains its principal executive offices in Columbus, Ohio.

The Company is subject to legal and regulatory proceedings in the ordinary course of its business. The Company's legal and regulatory matters include proceedings specific to the Company and other proceedings generally applicable to business practices in the industries in which the Company operates. These matters are subject to many uncertainties, and given their complexity and scope, their outcomes cannot be predicted. Regulatory proceedings could also affect the outcome of one or more of the Company's litigation matters. Furthermore, it is often not possible to determine the ultimate outcomes of the pending regulatory investigations and legal proceedings or to provide reasonable ranges of potential losses with any degree of certainty. Some matters, including certain of those referred to below, are in very preliminary stages, and the Company does not have sufficient information to make an assessment of the plaintiffs' claims for liability or damages. In some of the cases seeking to be certified as class actions, the court has not yet decided whether a class will be certified or (in the event of certification) the size of the class and class period. In many of the cases, the plaintiffs are seeking undefined amounts of damages or other relief, including punitive damages and equitable remedies, which are difficult to quantify and cannot be defined based on the information currently available. The Company believes, however, that based on currently known information, the ultimate outcome of all pending legal and regulatory matters is not likely to have a material adverse effect on the Company's condensed consolidated financial position. Nonetheless, given the large or indeterminate amounts sought in certain of these matters and the inherent unpredictability of litigation, it is possible that such outcomes could materially affect the Company's condensed consolidated financial position or results of operations in a particular quarter or annual period.

The various businesses conducted by the Company are subject to oversight by numerous federal and state regulatory entities, including but not limited to the Securities and Exchange Commission, the Financial Industry Regulatory Authority, the Department of Labor, the Internal Revenue Service, and state insurance authorities. Such regulatory entities may, in the normal course, be engaged in general or targeted inquiries, examinations and investigations of the Company and/or its affiliates. The financial services industry has been the subject of increasing scrutiny in connection with a broad spectrum of regulatory issues; with respect to all such scrutiny directed at the Company and/or its affiliates, the Company is cooperating with regulators. The Company will cooperate with Nationwide Mutual Insurance Company (NMIC) insofar as any inquiry, examination or investigation encompasses NMIC's operations.

On August 15, 2001, NFS and NLIC were named in a lawsuit filed in the United States District Court for the District of Connecticut entitled *Lou Haddock, as trustee of the Flyte Tool & Die, Incorporated Deferred Compensation Plan, et al v. Nationwide Financial Services, Inc. and Nationwide Life Insurance Company*. On November 18, 2009, the plaintiffs filed a sixth amended complaint amending the list of named plaintiffs and claiming to represent a class of qualified retirement plan trustees under the Employee Retirement Income Security Act of 1974 (ERISA) that purchased variable annuities from NLIC. The plaintiffs allege that they invested ERISA plan assets in their variable annuity contracts and that NLIC and NFS breached ERISA fiduciary duties by allegedly accepting service payments from certain mutual funds. The complaint seeks disgorgement of some or all of the payments allegedly received by NFS and NLIC, other unspecified relief for restitution, declaratory and injunctive relief, and attorneys' fees. On November 6, 2009, the Court granted the plaintiffs' motion for class certification. On October 21, 2010, the District Court dismissed NFS from the lawsuit. On February 6, 2012, the Second Circuit Court of Appeals vacated the November 6, 2009 order granting class certification and remanded the case back to the District Court for further consideration. On September 6, 2013, the District Court granted the plaintiffs' motion for class certification. The case is set for trial beginning February 9, 2015. NLIC continues to defend this lawsuit vigorously.

On November 20, 2007, Nationwide Retirement Solutions, Inc. (NRS) and NLIC were named in a lawsuit filed in the Circuit Court of Jefferson County, Alabama entitled *Ruth A. Gwin and Sandra H. Turner, and a class of similarly situated individuals v. Nationwide Life Insurance Company, Nationwide Retirement Solutions, Inc., Alabama State Employees Association, PEBCO, Inc. and Fictitious Defendants A to Z*. On March 12, 2010, NRS and NLIC were named in a Second Amended Class Action Complaint filed in the Circuit Court of Jefferson County, Alabama entitled *Steven E. Coker, Sandra H. Turner, David N. Lichtenstein and a class of similarly situated individuals v. Nationwide Life Insurance Company, Nationwide Retirement Solutions, Inc., Alabama State Employees Association, Inc., PEBCO, Inc. and Fictitious*

Defendants A to Z claiming to represent a class of all participants in the Alabama State Employees Association, Inc. (ASEA) Plan, excluding members of the Deferred Compensation Committee, ASEA's directors, officers and board members, and PEBCO's directors, officers and board members. On October 22, 2010, the parties to this action executed a court approved stipulation of settlement that agreed to certify a class for settlement purposes only, that provided for payments to the settlement class, and that provided for releases, certain bar orders, and dismissal of the case. The settlement fund has been paid out. On December 6, 2011, the Court entered an Order that NRS owed indemnification to ASEA and PEBCO for only the Coker (Gwin) class action, and dismissed NLIC. The Company resolved the indemnification claims of ASEA. On February 15, 2013, the Court issued its Order determining the amount of fees due to PEBCO on its indemnification claim. On March 28, 2014, the Alabama Supreme Court reversed the trial Court decision awarding PEBCO its attorney fees and remanded the case back to the trial court to enter a judgment in favor of NRS. NRS continues to defend this case vigorously.

Lehman Brothers Holdings, Inc. (Debtors) and Giddens, James v NLIC and NMIC, et al. In 2012 the Plaintiff, Debtor in Possession Lehman Brothers Special Financing, Inc., filed a class action in the United States Bankruptcy Court for the Southern District of New York seeking the recovery of nearly \$3.0 billion in assets from all the named defendants including NLIC and NMIC. This litigation arises from two collateralized debt obligation transactions, 801 Grand and Alta, which resulted in payments to NLIC and NMIC after the Plaintiff and its parent company, Lehman Brothers Holding, Inc. filed for bankruptcy in 2008. This triggered an early termination of the above transactions. The Plaintiff seeks to have sums returned to the bankruptcy estate in addition to prejudgment interest and costs. The case is currently stayed. In 2013, Plaintiff sent correspondence to all defendants inviting settlement discussions and has served NMIC and NLIC with a "SPV Derivatives ADR Notice," formally starting the Alternative Dispute Resolution process. NMIC and NLIC have responded, and are currently taking part in the ADR process. Mediation was scheduled for and proceeded on December 13, 2013, but the parties reached an impasse. The mediator is continuing to work with the parties and is expected to issue a final recommendation shortly. On January 10, 2014, Lehman filed another motion to extend the stay for a final four month period. After a hearing, the court extended the stay to the later of (a) May 20, 2014 or (b) 30 days after the court enters a scheduling order governing the Distributed Action. The parties have been negotiating the proposed scheduling order for the conduct of the Distributed Action litigation, and Lehman filed a revised proposed scheduling order on March 24, 2014. On April 14, 2014, Nationwide and 77 other defendants filed a joint response to the proposed scheduling order, and a hearing on the proposed scheduling order has been scheduled for May 14, 2014.

Nationwide Investment Services Corporation

The Board of Trustees of Nationwide Variable Insurance Trust ("NVIT") approved a proposal to convert shares of NVIT funds that assess a redemption fee ("Redemption Fee Funds") into corresponding shares of NVIT funds that do not assess a redemption fee ("Non-redemption Fee Funds"). The conversion is expected to occur after the close of business on April 25, 2014.

To implement this conversion, after the close of business on April 25, 2014, all assets allocated to Sub-Accounts of Redemption Fee Funds will be redeemed and the proceeds will be applied to corresponding Sub-Accounts of Non-redemption Fee Funds. As of April 26, 2014, Sub-Accounts of Redemption Fee Funds will no longer exist and all references in your prospectus to the Redemption Fee Funds will be replaced with Non-redemption Fee Funds.

The specific Sub-Accounts impacted by this conversion are noted below:

<i>Redemption Fee Fund</i>	<i>Non-redemption Fee Fund</i>
NVIT - Federated NVIT High Income Bond Fund: Class III	NVIT - Federated NVIT High Income Bond Fund: Class I*
NVIT - NVIT Emerging Markets Fund: Class VI	NVIT - NVIT Emerging Markets Fund: Class II*
NVIT - NVIT Multi-Manager International Growth Fund: Class VI	NVIT - NVIT Multi-Manager International Growth Fund: Class II*
NVIT - NVIT Multi-Manager International Value Fund: Class VI	NVIT - NVIT Multi-Manager International Value Fund: Class II*

*This Non-redemption Fee Fund will be an available investment option for all Contract Owners (subject to any limitations described elsewhere in the prospectus).

This supplement updates certain information contained in your prospectus. Please read it and keep it with your prospectus for future reference.

Effective immediately, the *Same-Sex Marriages, Domestic Partnership, and Other Similar Relationships* section under *Federal Tax Considerations* in *Appendix C: Contract Types and Tax Information* is deleted and replaced with the following:

Same-Sex Marriages, Domestic Partnership, and Other Similar Relationships

In *US. v. Windsor*, the United States Supreme Court declared Section 3 of the Defense of Marriage Act to be unconstitutional and concluded that same sex marriages, in states that recognize them, are to be accorded the same federal benefits, rights and obligations as other marriages recognized by that state.

Revenue Ruling 2013-17 declared that the terms "spouse," "husband and wife," "husband" and "wife" do not include individuals (whether of the opposite sex or the same sex) who have entered into a registered domestic partnership, civil union, or other similar formal relationship recognized under state law that is not denominated as a marriage under the laws of that state. Therefore, the favorable income-deferral options afforded by federal tax law to a married spouse under Code Sections 72 and 401(a)(9) are not available to individuals who have entered into a domestic partnership, civil union or other similar formal relationship recognized under state law that is not denominated as a marriage under the laws of that state.

Effective October 1, 2013, Nationwide will permit withdrawal requests to be submitted by telephone to the Service Center subject to dollar amount limitations and payment restrictions. Nationwide reserves the right to restrict or remove the ability to submit requests by telephone upon written notice. As a result, the following change applies to the prospectus:

(1) The first paragraph of the "Surrender/Withdrawal Prior to Annuitization" section is deleted in its entirety and replaced with the following:

Prior to annuitization and before the Annuitant's death, Contract Owners may generally withdraw some or all of their Contract Value. Withdrawals from the contract may be subject to federal income tax and/or a tax penalty (see *Appendix C: Contract Types and Tax Information*). Withdrawal requests may be submitted in writing or by telephone to the Service Center and Nationwide may require additional information. Requests submitted by telephone will be subject to dollar amount limitations and may be subject to payment restrictions to prevent fraud. Nationwide reserves the right to restrict or remove the ability to submit requests by telephone upon written notice. Contact the Service Center for current limitations and restrictions. When taking a full surrender, Nationwide may require that the contract accompany the request. Nationwide may require a signature guarantee.

This supplement updates certain information contained in your prospectus. Please read it and keep it with your prospectus for future reference.

On June 3, 2013, pursuant to the terms of the contract Nationwide is exercising its right to refuse subsequent purchase payments which total in aggregate \$50,000 or more in any calendar year. Nationwide will accept subsequent purchase payments through July 14, 2013. Effective July 15, 2013, Nationwide will begin imposing the \$50,000 per calendar year restriction. Consequently, in connection with the terms of the prospectus the following changes apply:

(1) The "Subsequent Purchase Payments" subsection of the "Dollar Limit Restrictions" section is replaced with the following:

Subsequent Purchase Payments. If the Contract Owner elects the 10% Nationwide Lifetime Income Rider, 7% Nationwide Lifetime Income Rider, or 5% Nationwide Lifetime Income Rider, effective July 15, 2013, subsequent purchase payments are limited to an aggregate total of \$50,000 per calendar year.

(2) The "Subsequent Purchase Payments" subsection of the "10% Nationwide Lifetime Income Rider (formerly the 10% Lifetime Income Option)" section is replaced with the following:

Subsequent Purchase Payments

Subsequent purchase payments are permitted under the 10% Nationwide L.inc Rider as long as the Contract Value is greater than \$0. Effective July 15, 2013, subsequent purchase payments are limited to an aggregate total of \$50,000 in any calendar year. The \$50,000 threshold may take into consideration all contracts issued by Nationwide to a particular Contract Owner or using the same determining life. If subsequent purchase payments are submitted in excess of \$50,000 in any calendar year, the entire purchase payment that causes the aggregate amount to exceed \$50,000 will be immediately returned to the Contract Owner in the same form in which it was received. Contract Owners may contact the Service Center to find out if Nationwide will accept a particular subsequent purchase payment. Nationwide may waive the \$50,000 limitation for subsequent purchase payments in the future.

(3) The "Subsequent Purchase Payments" subsection of the "7% Nationwide Lifetime Income Rider (formerly the 7% Lifetime Income Option)" section is replaced with the following:

Subsequent Purchase Payments

Subsequent purchase payments are permitted under the 7% Nationwide L.inc Rider as long as the Contract Value is greater than \$0. Effective July 15, 2013, subsequent purchase payments are limited to an aggregate total of \$50,000 in any calendar year. The \$50,000 threshold may take into consideration all contracts issued by Nationwide to a particular Contract Owner or using the same determining life. If subsequent purchase payments are submitted in excess of \$50,000 in any calendar year, the entire purchase payment that causes the aggregate amount to exceed \$50,000 will be immediately returned to the Contract Owner in the same form in which it was received. Contract Owners may contact the Service Center to find out if Nationwide will accept a particular subsequent purchase payment. Nationwide may waive the \$50,000 limitation for subsequent purchase payments in the future.

(4) The "Subsequent Purchase Payments" subsection of the "5% Nationwide Lifetime Income Rider (formerly the 5% Lifetime Income Option)" section is replaced with the following:

Subsequent Purchase Payments

Subsequent purchase payments are permitted under the 5% Nationwide L.inc Rider as long as the Contract Value is greater than \$0. Effective July 15, 2013, subsequent purchase payments are limited to an aggregate total of \$50,000 in any calendar year. The \$50,000 threshold may take into consideration all contracts issued by Nationwide to a particular

Contract Owner or using the same determining life. If subsequent purchase payments are submitted in excess of \$50,000 in any calendar year, the entire purchase payment that causes the aggregate amount to exceed \$50,000 will be immediately returned to the Contract Owner in the same form in which it was received. Contract Owners may contact the Service Center to find out if Nationwide will accept a particular subsequent purchase payment. Nationwide may waive the \$50,000 limitation for subsequent purchase payments in the future.

Effective on or about June 17, 2013, Aberdeen Asset Management Inc. and Diamond Hill Capital Management, Inc. will no longer be sub-advisers for the Nationwide Variable Insurance Trust – NVIT Nationwide Fund and will be replaced by Highmark Capital Management, Inc.

Nationwide DestinationSM Navigator New York

Individual Flexible Premium Deferred Variable Annuity Contracts

Issued by

Nationwide Life Insurance Company

through its

Nationwide Variable Account-II

The date of this prospectus is May 1, 2013.

The contracts described in this prospectus are only available in the state of New York.

This prospectus contains basic information about the contracts that should be understood before investing. Read this prospectus carefully and keep it for future reference.

Variable annuities are complex investment products with unique benefits and advantages that may be particularly useful in meeting long-term savings and retirement needs. There are costs and charges associated with these benefits and advantages - costs and charges that are different, or do not exist at all, within other investment products. With help from financial consultants and advisors, investors are encouraged to compare and contrast the costs and benefits of the variable annuity described in this prospectus against those of other investment products, especially other variable annuity and variable life insurance products offered by Nationwide and its affiliates. Nationwide offers a wide array of such products, many with different charges, benefit features, and underlying investment options. This process of comparison and analysis should aid in determining whether the purchase of the contract described in this prospectus is consistent with the purchaser's investment objectives, risk tolerance, investment time horizon, marital status, tax situation, and other personal characteristics and needs.

The Statement of Additional Information (dated May 1, 2013), which contains additional information about the contracts and the Variable Account, has been filed with the SEC and is incorporated herein by reference. The table of contents for the Statement of Additional Information is on page 64. To obtain free copies of the Statement of Additional Information or to make any other service requests, contact Nationwide by one of the methods described in *Contacting the Service Center*.

Information about Nationwide and the variable annuity contract described in this prospectus (including the Statement of Additional Information) may also be reviewed and copied at the SEC's Public Reference Room in Washington, D.C., or may be obtained upon payment of a duplicating fee by writing the Public Reference Section of the SEC, 100 F Street NE, Washington, D.C. 20549. Additional information on the operation of the Public Reference Room may be obtained by calling the SEC at (202) 551-8090. The SEC also maintains a web site (www.sec.gov) that contains the prospectus, the Statement of Additional Information, material incorporated by reference, and other information.

Variable annuities are not insured by the Federal Deposit Insurance Corporation or any other federal government agency, and are not deposits of, guaranteed by, or insured by the depository institution where offered or any of its affiliates. Variable annuity contracts involve investment risk and may lose value. These securities have not been approved or disapproved by the SEC, nor has the SEC passed upon the accuracy or adequacy of the prospectus. Any representation to the contrary is a criminal offense.

This contract contains features that apply credits to the Contract Value. The benefit of the credits may be more than offset by the additional fees that the Contract Owner will pay in connection with the credits. A contract without credits may cost less.

The Sub-Accounts available under this contract invest in underlying mutual funds of the portfolio companies listed below.

- AllianceBernstein Variable Products Series Fund, Inc.
- American Century Variable Portfolios II, Inc.
- American Century Variable Portfolios, Inc.
- BlackRock Variable Series Funds, Inc.

For a complete list of the available Sub-Accounts, refer to *Appendix A: Underlying Mutual Funds*. For more information on the underlying mutual funds, refer to the prospectus for the mutual fund.

Purchase payments not invested in the Sub-Accounts may be allocated to the Fixed Account.

Glossary of Special Terms

Accumulation Unit – An accounting unit of measure used to calculate the Contract Value allocated to the Variable Account before the Annuitization Date.

Annuitant – The person(s) whose length of life determines how long annuity payments are paid.

Annuitization Date – The date on which annuity payments begin.

Annuity Commencement Date – The date on which annuity payments are scheduled to begin.

Annuity Unit – An accounting unit of measure used to calculate the value of variable annuity payments.

Charitable Remainder Trust – A trust meeting the requirements of Section 664 of the Internal Revenue Code.

Co-Annuitant – The person designated by the Contract Owner to receive the benefit associated with the Spousal Protection Feature.

Contingent Annuitant – The individual who becomes the Annuitant if the Annuitant dies before the Annuitization Date.

Contract Anniversary – Each recurring one-year anniversary of the date the contract was issued.

Contract Owner(s) – The person(s) who owns all rights under the contract.

Contract Value – The value of all Accumulation Units in a contract plus any amount held in the Fixed Account.

Contract Year – Each year the contract is in force beginning with the date the contract is issued.

Current Income Benefit Base – For purposes of the 10% Nationwide Lifetime Income Rider, 7% Nationwide Lifetime Income Rider, and 5% Nationwide Lifetime Income Rider, it is equal to the Original Income Benefit Base adjusted throughout the life of the contract to account for subsequent purchase payments, excess withdrawals, and reset opportunities. This amount is multiplied by the Lifetime Withdrawal Percentage to arrive at the benefit amount for any given year.

Daily Net Assets – A figure that is calculated at the end of each Valuation Date and represents the sum of all the Contract Owners' interests in the Sub-Accounts after the deduction of underlying mutual fund expenses.

Fixed Account – An investment option that is funded by Nationwide's General Account. Amounts allocated to the Fixed Account will receive periodic interest subject to a guaranteed minimum crediting rate.

General Account – All assets of Nationwide other than those of the Variable Account or in other separate accounts of Nationwide.

Individual Retirement Account – An account that qualifies for favorable tax treatment under Section 408(a) of the Internal Revenue Code, but does not include Roth IRAs.

Individual Retirement Annuity or IRA – An annuity contract that qualifies for favorable tax treatment under Section 408(b) of the Internal Revenue Code, but does not include Roth IRAs or Simple IRAs.

Investment-Only Contract – A contract purchased by a qualified pension, profit-sharing, or stock bonus plan as defined by Section 401(a) of the Internal Revenue Code.

Lifetime Withdrawal – For purposes of the 10% Nationwide Lifetime Income Rider, 7% Nationwide Lifetime Income Rider, and 5% Nationwide Lifetime Income Rider, it is a withdrawal of all or a portion of the Lifetime Withdrawal Amount.

Lifetime Withdrawal Amount – For purposes of the 10% Nationwide Lifetime Income Rider, 7% Nationwide Lifetime Income Rider, and 5% Nationwide Lifetime Income Rider, the maximum amount that can be withdrawn between Contract Anniversaries without reducing the Current Income Benefit Base. It is calculated annually, on each Contract Anniversary, by multiplying the Current Income Benefit Base by the Lifetime Withdrawal Percentage.

Lifetime Withdrawal Percentage – An age-based percentage used to determine the annual amount available for withdrawal under the 10% Nationwide Lifetime Income Rider, 7% Nationwide Lifetime Income Rider, and 5% Nationwide Lifetime Income Rider. The applicable percentage is multiplied by the Current Income Benefit Base to arrive at the Lifetime Withdrawal Amount for any given year.

Nationwide – Nationwide Life Insurance Company.

Net Asset Value – The value of one share of an underlying mutual fund at the close of the New York Stock Exchange.

Non-Qualified Contract – A contract which does not qualify for favorable tax treatment as a Qualified Plan, IRA, Roth IRA, SEP IRA, Simple IRA, or Tax Sheltered Annuity.

Original Income Benefit Base – For purposes of the 10% Nationwide Lifetime Income Rider, 7% Nationwide Lifetime Income Rider, and 5% Nationwide Lifetime Income Rider, the initial benefit base calculated on the date the option is elected, which is equal to the Contract Value.

Purchase Payment Credits or PPCs – Additional credits that Nationwide will apply to a contract when cumulative purchase payments reach certain aggregate levels.

Qualified Plan – A retirement plan that receives favorable tax treatment under Section 401 of the Internal Revenue Code, including Investment-Only Contracts. In this prospectus, all provisions applicable to Qualified Plans also apply to Investment-Only Contracts unless specifically stated otherwise.

Roth IRA – An annuity contract that qualifies for favorable tax treatment under Section 408A of the Internal Revenue Code.

SEC – Securities and Exchange Commission.

SEP IRA – An annuity contract which qualifies for favorable tax treatment under Section 408(k) of the Internal Revenue Code.

Service Center – The department of Nationwide responsible for receiving all service and transaction requests relating to the contract. For service and transaction requests submitted other than by telephone (including fax requests), the Service Center is Nationwide's mail and document processing facility. For service and transaction requests communicated by telephone, the Service Center is Nationwide's operations processing facility. Information on how to contact the Service Center is in the *Contacting the Service Center* provision.

Simple IRA – An annuity contract which qualifies for favorable tax treatment under Section 408(p) of the Internal Revenue Code.

Sub-Accounts – Divisions of the Variable Account, each of which invests in a single underlying mutual fund.

Valuation Date – Each day the New York Stock Exchange is open for business or any other day during which there is a sufficient degree of trading of underlying mutual fund shares such that their current Net Asset Value might be materially affected. Values of the Variable Account are determined as of the close of the New York Stock Exchange, which generally closes at 4:00 p.m. EST.

Valuation Period – The period of time commencing at the close of a Valuation Date and ending at the close of the New York Stock Exchange for the next succeeding Valuation Date.

Variable Account – Nationwide Variable Account-II, a separate account that Nationwide established to hold Contract Owner assets allocated to variable investment options. The Variable Account is divided into Sub-Accounts, each of which invests in a separate underlying mutual fund.

Contract Expenses

The following tables describe the fees and expenses that a Contract Owner will pay when buying, owning, or surrendering the contract.

The first table describes the fees and expenses a Contract Owner will pay at the time the contract is purchased, surrendered, or when cash value is transferred between investment options.

Contract Owner Transaction Expenses								
Maximum Contingent Deferred Sales Charge ("CDSC") (as a percentage of purchase payments withdrawn)								7%
Range of CDSC over time:								
Number of Completed Years from Date of Purchase Payment	0	1	2	3	4	5	6	7+
CDSC Percentage	7%	7%	6%	5%	4%	3%	2%	0%
Maximum Premium Tax Charge (as a percentage of purchase payments)								5% ¹
Maximum Short-Term Trading Fee (as a percentage of transaction amount ²)								1%

The next table describes the fees and expenses that a Contract Owner will pay periodically during the life of the contract (not including underlying mutual fund fees and expenses).

Recurring Contract Expenses	
Maximum Annual Contract Maintenance Charge	\$30 ³
Variable Account Annual Expenses (assessed as an annualized percentage of Daily Net Assets)	
Mortality and Expense Risk Charge	1.10%
Administrative Charge	0.20%
Reduced CDSC Option ("Liquidity Option")⁴ (assessed as an annualized percentage of Daily Net Assets)	0.50%
Total Variable Account Charges (including this option only)	1.80%
One-Year Enhanced Death Benefit Option Charge	0.20%
Total Variable Account Charges (including this option only)	1.50%
Additional Optional Riders (assessed annually as a percentage of the Current Income Benefit Base ⁵) (eligible applicants may purchase 1 Lifetime Income Rider)	
Maximum 5% Nationwide Lifetime Income Rider Charge	1.00% ⁶
Maximum 7% Nationwide Lifetime Income Rider Charge	1.00%
Maximum 10% Nationwide Lifetime Income Rider Charge	1.20%
Maximum Joint Option for the 5% Nationwide Lifetime Income Rider Charge	0.15% ⁷
Maximum Joint Option for the 7% Nationwide Lifetime Income Rider Charge	0.30% ⁸

The next table shows the fees and expenses that a Contract Owner would pay if he/she elected all of the optional benefits available under the contract (and the most expensive of mutually exclusive optional benefits).

Summary of Maximum Contract Expenses (annualized rate, as a percentage of the Daily Net Assets)	
Mortality and Expense Risk Charge (applicable to all contracts)	1.10%
Administrative Charge (applicable to all contracts)	0.20%
Reduced CDSC Option ("Liquidity Option")	0.50%
One-Year Enhanced Death Benefit Option Charge	0.20%
Maximum 7% Nationwide Lifetime Income Rider Charge	1.00% ⁹
Maximum Joint Option for the 7% Nationwide Lifetime Income Rider Charge	0.30% ⁹
Maximum Possible Total Variable Account Charges	3.30%¹⁰

¹ Nationwide will charge between 0% and 5% of purchase payments for premium taxes levied by state or other government entities. The amount assessed to the contract will equal the amount assessed by the state or government entity.

² The transaction amount is the amount of the transfer determined to be engaged in short-term trading (see *Short-Term Trading Fees*).

³ On each contract's Contract Anniversary, Nationwide deducts the Contract Maintenance Charge if the Contract Value is less than \$50,000 on such Contract Anniversary. This charge is permanently waived for any contracts valued at \$50,000 or more on any Contract Anniversary.

- 4 Election of the Liquidity Option replaces the standard 7 year CDSC schedule with the following reduced CDSC schedule:

Range of Liquidity Option CDSC over time:					
Number of Completed Years from Date of Contract Issuance	0	1	2	3	4
CDSC Percentage	7%	7%	6%	5%	0%

- Nationwide will discontinue deducting the charge associated with the Liquidity Option 4 years from the date the contract was issued.
- 5 For information about how the Current Income Benefit Base is calculated, see *Determination of the Income Benefit Base Prior to the First Withdrawal*.
- 6 Currently, the charge associated with the 5% Nationwide Lifetime Income Rider is 0.75% of the Current Income Benefit Base.
- 7 For contracts issued on or after December 5, 2011 or the date of state approval (whichever is later), there is currently no charge associated with the Joint Option for the 5% Nationwide Lifetime Income Rider. For contracts issued before December 5, 2011 or the date of state approval (whichever is later), the charge associated with the Joint Option for the 5% Nationwide Lifetime Income Rider is 0.15% of the Current Income Benefit Base.
- 8 For contracts issued on or after December 5, 2011 or the date of state approval (whichever is later), there is currently no charge associated with the Joint Option for the 7% Nationwide Lifetime Income Rider. For contracts issued before December 5, 2011 or the date of state approval (whichever is later), the charge associated with the Joint Option for the 7% Nationwide Lifetime Income Rider is equal to 0.15% of the Current Income Benefit Base.
- 9 This charge is a percentage of the Current Income Benefit Base. For purposes of this table, Nationwide assumes the Current Income Benefit Base is equal to the Daily Net Assets.
- 10 The Maximum Possible Total Variable Account Charges associated with a particular contract may be higher or lower depending on whether the Current Income Benefit Base is higher or lower than the Daily Net Assets. For purposes of this table, Nationwide assumes the Current Income Benefit Base is equal to the Daily Net Assets.

Underlying Mutual Fund Annual Expenses

The next table provides the minimum and maximum total operating expenses, as of December 31, 2012, charged by the underlying mutual funds that the Contract Owner may pay periodically during the life of the contract. The table does not reflect Short-Term Trading Fees. More detail concerning each underlying mutual fund's fees and expenses is contained in the prospectus for each underlying mutual fund.

Total Annual Underlying Mutual Fund Operating Expenses		
	Minimum	Maximum
(expenses that are deducted from underlying mutual fund assets, including management fees, distribution (12b-1) fees, and other expenses, as a percentage of average underlying mutual fund assets)	0.41%	4.21%

The minimum and maximum underlying mutual fund operating expenses indicated above do not reflect voluntary or contractual reimbursements and/or waivers applied to some underlying mutual funds. Therefore, actual expenses could be lower. Refer to the underlying mutual fund prospectuses for specific expense information.

Example

This Example is intended to help Contract Owners compare the cost of investing in the contract with the cost of investing in other variable annuity contracts. These costs include Contract Owner transaction expenses, contract fees, Variable Account annual expenses, and underlying mutual fund fees and expenses. The Example does not reflect premium taxes or Short-Term Trading Fees which, if reflected, would result in higher expenses.

The following Example assumes:

- a \$10,000 investment in the contract for the time periods indicated;
- a 5% return each year;
- the maximum and the minimum fees and expenses of any of the underlying mutual funds;
- the maximum Contingent Deferred Sales Charge under the standard 7 year CDSC schedule;
- a \$30 Contract Maintenance Charge expressed as a percentage of the average contract account size; and
- the total Variable Account charges associated with the most expensive allowable combination of optional benefits (3.30%).¹

For those contracts that do not elect the most expensive combination of optional benefits, the expenses would be lower.

	If you surrender your contract at the end of the applicable time period				If you annuitize your contract at the end of the applicable time period				If you do not surrender your contract			
	1 Yr.	3 Yrs.	5 Yrs.	10 Yrs.	1 Yr.	3 Yrs.	5 Yrs.	10 Yrs.	1 Yr.	3 Yrs.	5 Yrs.	10 Yrs.
Maximum Total Underlying Mutual Fund Operating Expenses (4.21%)	\$1,520	\$2,882	\$4,146	\$7,115	*	\$2,382	\$3,846	\$7,115	\$820	\$2,382	\$3,846	\$7,115
Minimum Total Underlying Mutual Fund Operating Expenses (0.41%)	\$1,121	\$1,773	\$2,439	\$4,363	*	\$1,273	\$2,139	\$4,363	\$421	\$1,273	\$2,139	\$4,363

* The contracts sold under this prospectus do not permit annuitization during the first two Contract Years.

¹ The total Variable Account charges associated with the most expensive allowable combination of optional benefits may be higher or lower depending on whether the Current Income Benefit Base is higher or lower than the Daily Net Assets. For purposes of this table, Nationwide assumes the Current Income Benefit Base is equal to the Daily Net Assets.

Synopsis of the Contracts

The annuity described in this prospectus is intended to provide benefits to a single or joint owner and his/her beneficiaries. The contracts described in this prospectus are Individual Flexible Premium Deferred Variable Annuity Contracts.

The contracts can be categorized as:

- Charitable Remainder Trusts
- Individual Retirement Annuities ("IRAs")
- Investment-Only Contracts (Qualified Plans)
- Non-Qualified Contracts
- Roth IRAs
- Simplified Employee Pension IRAs ("SEP IRAs")
- Simple IRAs

For more detailed information with regard to the differences in contract types, see *Appendix C: Contract Types and Tax Information*.

The contracts described in this prospectus are no longer available for purchase.

Surrenders/Withdrawals

Contract Owners may generally withdraw some or all of their Contract Value at any time prior to annuitization by notifying the Service Center in writing (see *Surrender/Withdrawal Prior to Annuitization*). After the Annuitization Date, withdrawals are not permitted (see *Surrender/Withdrawal After Annuitization*).

Minimum Initial and Subsequent Purchase Payments

For Non-Qualified Contracts and Charitable Remainder Trusts, the minimum initial purchase payment is \$10,000. For all other contract types, the minimum initial purchase payment is \$3,000. A Contract Owner will meet the minimum initial purchase payment requirement by making purchase payments equal to the required minimum over the course of the first Contract Year. The minimum subsequent purchase payment is \$1,000. However, for subsequent purchase payments sent via electronic deposit, the minimum subsequent purchase payment is \$150.

Some optional benefits may restrict the Contract Owner's ability to make subsequent purchase payments.

Credits applied to the contract cannot be used to meet the minimum purchase payment requirements.

If the Contract Owner elects the Liquidity Option, subsequent purchase payments are only permitted during the first Contract Year.

Nationwide reserves the right to refuse any purchase payment that would result in the cumulative total for all contracts issued by Nationwide on the life of any one Annuitant or owned by any one Contract Owner to exceed \$1,000,000. Its decision as to whether or not to accept a purchase payment in excess of that amount will be based on one or more factors, including, but not limited to: age, spouse age (if applicable), Annuitant age, state of issue, total purchase payments, optional benefits elected, current market conditions, and current hedging costs. All such decisions will be based on internally established actuarial guidelines and will be applied in a non-discriminatory manner. In the event that

Nationwide does not accept a purchase payment under these guidelines, the purchase payment will be immediately returned in its entirety in the same manner as it was received. If Nationwide accepts the purchase payment, it will be applied to the contract immediately and will receive the next calculated Accumulation Unit value. Any references in this prospectus to purchase payment amounts in excess of \$1,000,000 are assumed to have been approved by Nationwide.

Nationwide prohibits subsequent purchase payments made after death of the Contract Owner(s), the Annuitant, or Co-Annuitant. If upon notification of death of the Contract Owner(s), the Annuitant, or Co-Annuitant, it is determined that death occurred prior to a subsequent purchase payment being made, Nationwide reserves the right to return the purchase payment.

Dollar Limit Restrictions

Certain features of the contract have additional purchase payment and/or Contract Value limitations associated with them:

Annuitization. Annuity payment options will be limited if the Contract Owner submits total purchase payments in excess of \$2,000,000. Furthermore, if the amount to be annuitized is greater than \$5,000,000, Nationwide may limit both the amount that can be annuitized on a single life and the annuity payment options (see *Annuity Payment Options*).

Death Benefit Calculations. Purchase payments up to \$3,000,000 may result in a higher death benefit payment than purchase payments in excess of \$3,000,000 (see *Death Benefit Calculations*).

Subsequent Purchase Payments. If the Contract Owner elects the 10% Nationwide Lifetime Income Rider, 7% Nationwide Lifetime Income Rider, or 5% Nationwide Lifetime Income Rider, subsequent purchase payments may be limited to an aggregate total of \$50,000 per calendar year.

Credits on Purchase Payments

Purchase Payment Credits ("PPCs") are additional credits that Nationwide will apply to a contract when cumulative purchase payments reach certain aggregate levels.

Each time a Contract Owner submits a purchase payment, Nationwide will perform a calculation to determine if and how many PPCs are payable as a result of that particular deposit. For purposes of all benefits and taxes under these contracts, PPCs are considered earnings, not purchase payments, and they will be allocated in the same proportion that purchase payments are allocated on the date the PPCs are applied.

If the Contract Owner cancels the contract pursuant to the contractual free look provision, Nationwide will recapture all PPCs applied to the contract. The Contract Owner will retain any earnings attributable to the PPCs, but all losses attributable to the PPCs will be incurred by Nationwide.

All PPCs are fully vested after the end of the contractual free look period and are not subject to recapture.

Mortality and Expense Risk Charge

Nationwide deducts a Mortality and Expense Risk Charge equal to an annualized rate of 1.10% of the Daily Net Assets. The Mortality and Expense Risk Charge compensates Nationwide for providing the insurance benefits under the contract, including the contract's standard death benefit. It also compensates Nationwide for assuming the risk that Annuitants will live longer than assumed. Finally, the Mortality and Expense Risk Charge compensates Nationwide for guaranteeing that charges will not increase regardless of actual expenses. Nationwide may realize a profit from this charge.

Administrative Charge

Nationwide deducts an Administrative Charge equal to an annualized rate of 0.20% of the Daily Net Assets. The Administrative Charge reimburses Nationwide for administrative costs it incurs resulting from providing contract benefits, including preparation of the contract and prospectus, confirmation statements, annual account statements and annual reports, legal and accounting fees, as well as various related expenses. Nationwide may realize a profit from this charge.

Contract Maintenance Charge

A \$30 Contract Maintenance Charge is assessed on each Contract Anniversary and upon full surrender of the contract. If on any Contract Anniversary (or on the date of a full surrender) the Contract Value is \$50,000 or more, Nationwide will waive the Contract Maintenance Charge from that point forward.

Contingent Deferred Sales Charge

Nationwide does not deduct a sales charge from purchase payments upon deposit into the contract. However, Nationwide may deduct a Contingent Deferred Sales Charge ("CDSC") if any amount is withdrawn from the contract. This CDSC reimburses Nationwide for sales expenses. The amount of the CDSC will not exceed 7% of purchase payments withdrawn.

Reduced CDSC Option ("Liquidity Option")

The contract contains a standard seven-year CDSC schedule at no additional charge. In lieu of the standard seven-year CDSC schedule, an applicant may elect the Liquidity Option at the time of application. Election of the Liquidity Option replaces the contract's standard seven-year CDSC schedule with a four-year CDSC schedule that expires four years from the contract issue date.

If the applicant elects the Liquidity Option, Nationwide will assess a charge equal to an annualized rate of 0.50% of the Daily Net Assets during the first four Contract Years in exchange for a reduced CDSC schedule. Subsequent purchase payments will only be permitted during the first Contract Year.

Death Benefit Options

The contract contains a standard death benefit (the greater of (i) Contract Value or (ii) net purchase payments) at no additional charge. An optional death benefit is also available for an additional charge, which may provide a greater death benefit than the standard death benefit.

In lieu of the standard death benefit, an applicant may elect the following death benefit option at the time of application:

- The One-Year Enhanced Death Benefit Option is available for contracts with Annuitants age 80 or younger at the time of application. The charge for this option is equal to 0.20% of the Daily Net Assets.

10% Nationwide Lifetime Income Rider (formerly the 10% Lifetime Income Option)

The 10% Nationwide Lifetime Income Rider provides for Lifetime Withdrawals, up to a certain amount each year, even after the Contract Value is \$0, provided that the Contract Owner does not deplete the Current Income Benefit Base by taking excess withdrawals. Investment restrictions apply. Additionally, if the Contract Owner delays taking withdrawals for 10 years, Nationwide will guarantee that the Current Income Benefit Base on the 10th Contract Anniversary will be no less than the Original Income Benefit Base plus simple interest at a rate of 10% annually for each of those 10 years. The 10% Nationwide Lifetime Income Rider is available under the contract at the time of application. The Contract Owner (or the Annuitant in the case of a non-natural Contract Owner) must be between age 50 and 85 at the time of application.

If the 10% Nationwide Lifetime Income Rider is elected, Nationwide will deduct an additional charge not to exceed 1.20% of the Current Income Benefit Base, which is the amount upon which the Lifetime Withdrawal Amount is based. Currently, the charge for the 10% Nationwide Lifetime Income Rider is 1.20% of the Current Income Benefit Base. The charge is deducted on each Contract Anniversary and is taken from the Sub-Accounts proportionally based on contract allocations at the time the charge is deducted.

Election of the 10% Nationwide Lifetime Income Rider requires that the Contract Owner, until annuitization, allocate the entire Contract Value to a limited set of investment options. If the Contract Value is greater than \$0, Lifetime Withdrawals are paid from the Contract Owner's Contract Value. If the Contract Value is equal to or less than \$0, Lifetime Withdrawals are paid from Nationwide's General Account. Lifetime Withdrawals paid from the General Account are subject to Nationwide's creditors and ultimately, its overall claims paying ability. **The cost of the 10% Nationwide Lifetime Income Rider may exceed the benefit.**

7% Nationwide Lifetime Income Rider (formerly the 7% Lifetime Income Option)

The 7% Nationwide Lifetime Income Rider provides for Lifetime Withdrawals, up to a certain amount each year, even after the Contract Value is \$0, provided that the Contract Owner does not deplete the Current Income Benefit Base by taking excess withdrawals. Investment restrictions apply. Additionally, if the Contract Owner delays taking Lifetime Withdrawals for 10 years, Nationwide will guarantee that the Current Income Benefit Base on the 10th Contract Anniversary will be no less than the Original Income Benefit Base plus simple interest at a rate of 7% annually for each of those 10 years. The 7% Nationwide Lifetime Income Rider is available under the contract at the time of application. The Contract Owner (or the Annuitant in the case of a non-natural Contract Owner) must be between age 50 and 85 at the time of application.

If the 7% Nationwide Lifetime Income Rider is elected, Nationwide will deduct an additional charge not to exceed 1.00% of the Current Income Benefit Base, which is the amount upon which the Lifetime Withdrawal Amount is based. For contracts issued on or after December 5, 2011 or the date of state approval (whichever is later), the current charge for the 7% Nationwide Lifetime Income Rider is 1.00% of the Current Income Benefit Base. For contracts issued before December 5, 2011 or the date of state approval (whichever is later), the charge for the 7% Nationwide Lifetime Income Rider is 0.95% of the Current Income Benefit Base. The charge is deducted on each Contract Anniversary and is taken from the Sub-Accounts proportionally based on contract allocations at the time the charge is deducted.

Election of the 7% Nationwide Lifetime Income Rider requires that the Contract Owner, until annuitization, allocate the entire Contract Value to a limited set of investment options. If the Contract Value is greater than \$0, Lifetime Withdrawals are paid from the Contract Owner's Contract Value. If the Contract Value is equal to or less than \$0, Lifetime Withdrawals are paid from Nationwide's General Account. Lifetime Withdrawals paid from the General Account are subject to Nationwide's creditors and ultimately, its overall claims paying ability. **The cost of the 7% Nationwide Lifetime Income Rider may exceed the benefit.**

5% Nationwide Lifetime Income Rider (formerly the 5% Lifetime Income Option)

The 5% Nationwide Lifetime Income Rider provides for Lifetime Withdrawals, up to a certain amount each year, even after the Contract Value is \$0, provided that the Contract Owner does not deplete the Current Income Benefit Base by taking excess withdrawals. Investment restrictions apply. Additionally, if the Contract Owner delays taking Lifetime Withdrawals for 10 years, Nationwide will guarantee that the Current Income Benefit Base on the 10th Contract Anniversary will be no less than the Original Income Benefit Base plus simple interest at a rate of 5% annually for each of those 10 years. The 5% Nationwide Lifetime Income Rider is available under the contract at the time of application. The Contract Owner (or the Annuitant in the case of a non-natural Contract Owner) must be between age 45 and 85 at the time of application.

If the 5% Nationwide Lifetime Income Rider is elected, Nationwide will deduct an additional charge not to exceed 1.00% of the Current Income Benefit Base, which is the amount upon which the Lifetime Withdrawal Amount is based. Currently, the charge for the 5% Nationwide Lifetime Income Rider is 0.75% of the Current Income Benefit Base. The charge is deducted on each anniversary of the date the option was elected and is taken from the Sub-Accounts proportionally based on contract allocations at the time the charge is deducted.

Election of the 5% Nationwide Lifetime Income Rider requires that the Contract Owner, until annuitization, allocate the entire Contract Value to a limited set of investment options. If the Contract Value is greater than \$0, Lifetime Withdrawals are paid from the Contract Owner's Contract Value. If the Contract Value is equal to or less than \$0, Lifetime Withdrawals are paid from Nationwide's General Account. Lifetime Withdrawals paid from the General Account are subject to Nationwide's creditors and ultimately, its overall claims paying ability. **The cost of the 5% Nationwide Lifetime Income Rider may exceed the benefit.**

Joint Option for the 7% Nationwide Lifetime Income Rider (formerly the 7% Spousal Continuation Benefit)

The Joint Option for the 7% Nationwide Lifetime Income Rider ("Joint Option") allows a surviving spouse to continue to receive, for the duration of his/her lifetime, the benefit associated with the 7% Nationwide Lifetime Income Rider, provided that certain conditions are satisfied. The Joint Option is only available for election if and when the 7% Nationwide Lifetime Income Rider is elected. The Joint Option is not available for contracts issued as Charitable Remainder Trusts.

If the Joint Option is elected, Nationwide will deduct an additional charge not to exceed 0.30% of the Current Income Benefit Base. For contracts issued on or after December 5, 2011 or the date of state approval (whichever is later) that elect the Joint Option, there is no additional charge associated with the option. However, Nationwide will reduce the Lifetime Withdrawal Percentages associated with the 7% Nationwide Lifetime Income Rider. For contracts issued before December 5, 2011 or the date of state approval (whichever is later) that elected the Joint Option, the current charge is 0.15% of the Current Income Benefit Base and there is no reduction to the Lifetime Withdrawal Percentages associated with the 7% Nationwide Lifetime Income Rider. The Contract Owner's spouse (or the Annuitant's spouse in the case of a non-natural Contract Owner) must be between age 50 and 85 at the time of application. If assessed, the charge is deducted at the same time and in the same manner as the 7% Nationwide Lifetime Income Rider charge. **The cost of the Joint Option may exceed the benefit.**

Joint Option for the 5% Nationwide Lifetime Income Rider (formerly the 5% Spousal Continuation Benefit)

The Joint Option for the 5% Nationwide Lifetime Income Rider ("Joint Option") allows a surviving spouse to continue to receive, for the duration of his/her lifetime, the benefit associated with the 5% Nationwide Lifetime Income Rider, provided that certain conditions are satisfied. The Joint Option is only available for election at the time of application if the 5% Nationwide Lifetime Income Rider is elected. The Joint Option is not available for contracts issued as Charitable Remainder Trusts.

If the Joint Option is elected, Nationwide will deduct an additional charge not to exceed 0.15% of the Current Income Benefit Base. For contracts issued on or after December 5, 2011 or the date of state approval (whichever is later) that elect the Joint Option, there is no additional charge associated with the option. However, Nationwide will reduce the Lifetime Withdrawal Percentages associated with the 5% Nationwide Lifetime Income Rider. For contracts issued before December 5, 2011 or the date of state approval (whichever is later) that elected the Joint Option, the current charge is 0.15% of the Current Income Benefit Base and there is no reduction to the Lifetime Withdrawal Percentages associated with the 5% Nationwide Lifetime Income Rider. The Contract Owner's spouse (or the Annuitant's spouse in the case of a non-natural Contract Owner) must be between age 45 and 85 at the time of application. If assessed, the charge is deducted at the same time and in the same manner as the 5% Nationwide Lifetime Income Rider charge. **The cost of the Joint Option may exceed the benefit.**

Charges for Optional Benefits

Generally, the charges associated with optional benefits are only assessed prior to annuitization. However, certain optional benefits will assess the charge for a specified duration, even if the contract is annuitized:

- The charge for the Liquidity Option will be assessed for four years from the date the contract was issued.

Underlying Mutual Fund Annual Expenses

The underlying mutual funds charge fees and expenses that are deducted from underlying mutual fund assets. These fees and expenses are in addition to the fees and expenses assessed by the contract. The prospectus for each underlying mutual fund provides information regarding the fees and expenses applicable to the fund.

Short-Term Trading Fees

Some underlying mutual funds may assess (or reserve the right to assess) a short-term trading fee in connection with transfers from a Sub-Account that occur within 60 days after the date of allocation to the Sub-Account.

Any short-term trading fee assessed by any underlying mutual fund available in conjunction with the contracts described in this prospectus will equal 1% of the amount determined to be engaged in short-term trading.

Annuity Payments

On the Annuitization Date, annuity payments begin (see *Annuitizing the Contract*). Annuity payments will be based on the annuity payment option chosen prior to annuitization. Nationwide will send annuity payments no later than seven days after each annuity payment date.

Taxation

How distributions from an annuity contract are taxed depends on the type of contract issued and the purpose for which the contract is purchased. Generally, distributions from an annuity contract, including the payment of death benefits, are taxable to the extent they exceed investment in the contract. Nationwide will charge against the contract any premium taxes levied by any governmental authority. Premium tax rates currently range from 0% to 5% (see *Premium Taxes* and *Appendix C: Contract Types and Tax Information*).

Death Benefit

An applicant may elect either the standard death benefit (Return of Premium) or the optional death benefit that is offered under the contract for an additional charge. If no election is made at the time of application, the death benefit will be the standard death benefit.

Cancellation of the Contract

Under state insurance laws, Contract Owners have the right, during a limited period of time, to examine their contract and decide if they want to keep it or cancel it. This right is referred to as a "free look" right. The length of this time period depends on state law and may vary depending on whether the purchase is a replacement of another annuity contract.

If the Contract Owner elects to cancel the contract pursuant to the free look provision, Nationwide will return the Contract Value, less any Purchase Payment Credits withdrawals from the contract, and applicable federal and state income tax withholding (see *Right to Examine and Cancel*).

Condensed Financial Information

The value of an Accumulation Unit is determined on the basis of changes in the per share value of the underlying mutual funds and the assessment of Variable Account charges which may vary from contract to contract (see *Determining the Contract Value*). Refer to *Appendix B: Condensed Financial Information* for information regarding the minimum and maximum class of Accumulation Unit values. All classes of Accumulation Unit values may be obtained free of charge by contacting the Service Center.

Financial Statements

Financial statements for the Variable Account and consolidated financial statements for Nationwide are located in the Statement of Additional Information. A current Statement of Additional Information may be obtained, without charge, by contacting the Service Center.

Nationwide Life Insurance Company

Nationwide, the depositor, is a stock life insurance company organized under Ohio law in March 1929, with its home office at One Nationwide Plaza, Columbus, Ohio 43215. Nationwide is a provider of life insurance, annuities, and retirement products. Nationwide is admitted to do business in all states, the District of Columbia, and Puerto Rico.

Nationwide is a member of the Nationwide group of companies. Nationwide Mutual Insurance Company and Nationwide Mutual Fire Insurance Company (the "Companies") are the ultimate controlling persons of the Nationwide group of companies. The Companies were organized under Ohio law in December 1925 and 1933 respectively. The Companies engage in a general insurance and reinsurance business, except life insurance.

Nationwide Investment Services Corporation

The contracts are distributed by the general distributor, Nationwide Investment Services Corporation ("NISC"), One Nationwide Plaza, Columbus, Ohio 43215. NISC is a wholly-owned subsidiary of Nationwide.

Investing in the Contract

The Variable Account and Underlying Mutual Funds

Nationwide Variable Account-II is a variable account that invests in the underlying mutual funds listed in *Appendix A: Underlying Mutual Funds*. Nationwide established the Variable Account on October 7, 1981 pursuant to Ohio law. Although the Variable Account is registered with the SEC as a unit investment trust pursuant to the Investment Company Act of 1940 ("1940 Act"), the SEC does not supervise the management of Nationwide or the Variable Account.

Income, gains, and losses credited to or charged against the Variable Account reflect the Variable Account's own investment experience and not the investment experience of Nationwide's other assets. The Variable Account's assets are held separately from Nationwide's assets and are not chargeable with liabilities incurred in any other business of Nationwide. Nationwide is obligated to pay all amounts promised to Contract Owners under the contracts.

The Variable Account is divided into Sub-Accounts, each of which invests in shares of a single underlying mutual fund. Nationwide uses the assets of each Sub-Account to buy shares of the underlying mutual funds based on Contract Owner instructions.

Contract Owners receive underlying mutual fund prospectuses when they make their initial Sub-Account allocations and any time they change those allocations. **Contract Owners can obtain prospectuses for underlying mutual funds free of charge at any time by contacting the Service Center.** Contract Owners should read these prospectuses carefully before investing.

Underlying mutual funds in the Variable Account are NOT publicly traded mutual funds. They are only available as investment options in variable life insurance policies or variable annuity contracts issued by life insurance companies, or in some cases, through participation in certain qualified pension or retirement plans.

The investment advisers of the underlying mutual funds may manage publicly traded mutual funds with similar names and investment objectives. However, the underlying mutual funds are NOT directly related to any publicly traded mutual fund. Contract Owners should not compare the performance of a publicly traded fund with the performance of underlying mutual funds participating in the Variable Account. The performance of the underlying mutual funds could differ substantially from that of any publicly traded funds.

The particular underlying mutual funds available under the contract may change from time to time. Specifically, underlying mutual funds or underlying mutual fund share classes that are currently available may be removed or closed off to future investment. New underlying mutual funds or new share classes of currently available underlying mutual funds may be added. Contract Owners will receive notice of any such changes that affect their contract.

Voting Rights

Contract Owners with assets allocated to Sub-Accounts are entitled to certain voting rights. Nationwide will vote Contract Owner shares at special shareholder meetings based on Contract Owner instructions. However, if the law changes and Nationwide is allowed to vote in its own right, it may elect to do so.

Contract Owners with voting interests in an underlying mutual fund will be notified of issues requiring the shareholders' vote as soon as possible before the shareholder meeting. Notification will contain proxy materials and a form with which to give Nationwide voting instructions. Nationwide will vote shares for which no instructions are received in the same proportion as those that are received. What this means is that when only a small number of Contract Owners vote, each vote has a greater impact on, and may control, the outcome.

The number of shares which a Contract Owner may vote is determined by dividing the cash value of the amount they have allocated to an underlying mutual fund by the Net Asset Value of that underlying mutual fund. Nationwide will designate a date for this determination not more than 90 days before the shareholder meeting.

Material Conflicts

The underlying mutual funds may be offered through separate accounts of other insurance companies, as well as through other separate accounts of Nationwide. Nationwide does not anticipate any disadvantages to this. However, it is possible that a conflict may arise between the interests of the Variable Account and one or more of the other separate accounts in which these underlying mutual funds participate.

Material conflicts may occur due to a change in law affecting the operations of variable life insurance policies and variable annuity contracts, or differences in the voting instructions of the Contract Owners and those of other companies. If a material conflict occurs, Nationwide will take whatever steps are necessary to protect Contract Owners and variable annuity payees, including withdrawal of the Variable Account from participation in the underlying mutual fund(s) involved in the conflict.

Substitution of Securities

Nationwide may substitute, eliminate, or combine shares of another underlying mutual fund for shares already purchased or to be purchased in the future if either of the following occurs:

- (1) shares of a current underlying mutual fund are no longer available for investment; or
- (2) further investment in an underlying mutual fund is inappropriate.

No substitution of shares may take place without the prior approval of the SEC. All affected Contract Owners will be notified in the event there is a substitution, elimination, or combination of shares.

Deregistration of the Variable Account

Nationwide may deregister the Variable Account under the 1940 Act in the event the Variable Account meets an exemption from registration under the 1940 Act, if there are no shareholders in the separate account, or for any other purpose approved by the SEC.

No deregistration may take place without the prior approval of the SEC. All affected Contract Owners will be notified in the event Nationwide deregisters the Variable Account.

The Fixed Account

The Fixed Account is an investment option that is funded by assets of Nationwide's General Account. The General Account contains all of Nationwide's assets other than those in this and other Nationwide separate accounts and is used to support Nationwide's annuity and insurance obligations. The General Account is not subject to the same laws as the Variable Account and the SEC has not reviewed material in this prospectus relating to the Fixed Account.

Purchase payments will be allocated to the Fixed Account by election of the Contract Owner. Nationwide reserves the right to limit or refuse purchase payments and/or transfers allocated to the Fixed Account at its sole discretion. Generally, Nationwide will invoke this right when interest rates are low by historical standards. The Fixed Account may not be available in every state.

The investment income earned by the Fixed Account will be allocated to the contracts at varying guaranteed interest rate(s) depending on the following categories of Fixed Account allocations:

- **New Money Rate** – The rate credited on the Fixed Account allocation when the contract is purchased or when subsequent purchase payments are made. Subsequent purchase payments may receive different New Money Rates than the rate when the contract was issued, since the New Money Rate is subject to change based on market conditions.
- **Variable Account to Fixed Rate** – Allocations transferred from any of the Sub-Accounts to the Fixed Account may receive a different rate. The rate may be lower than the New Money Rate. There may be limits on the amount and frequency of movements from the Sub-Accounts to the Fixed Account.
- **Renewal Rate** – The rate available for maturing Fixed Account allocations which are entering a new guarantee period. The Contract Owner will be notified of this rate in a letter issued with the quarterly statements when a Contract Owner's Fixed Account allocation matures. At that time, the Contract Owner will have an opportunity to leave the money in the Fixed Account and receive the Renewal Rate or the Contract Owner can move the money to any of the other investment options.
- **Dollar Cost Averaging Rate** – From time to time, Nationwide may offer a more favorable rate for an initial purchase payment into a new contract when used in conjunction with a Dollar Cost Averaging program. Rates will vary depending on the Dollar Cost Averaging program elected (see *Contract Owner Services*).

All of these rates are subject to change on a daily basis; however, once applied to the Fixed Account, the interest rates are guaranteed until the end of the calendar quarter during which the 12-month anniversary of the Fixed Account allocation occurs.

Credited interest rates are annualized rates – the effective yield of interest over a one-year period. Interest is credited to each contract on a daily basis. As a result, the credited interest rate is compounded daily to achieve the stated effective yield.

The guaranteed rate for any purchase payment will be effective for not less than 12 months. Nationwide guarantees that the rate will not be less than the minimum interest rate required by applicable state law. Any interest in excess of the minimum interest rate required by applicable state law will be credited to Fixed Account allocations at Nationwide's sole discretion.

Nationwide guarantees that the value of Fixed Account allocations will not be less than the amount of the purchase payments and Purchase Payment Credits allocated to the Fixed Account, plus interest credited as described above, less any withdrawals and any applicable charges including CDSC.

Fixed Account Interest Rate Guarantee Period

The Fixed Account interest rate guarantee period is the period of time that the Fixed Account interest rate is guaranteed to remain the same. During a Fixed Account interest rate guarantee period, transfers cannot be made from the Fixed Account, and amounts transferred to the Fixed Account must remain on deposit.

For new purchase payments allocated to the Fixed Account and transfers to the Fixed Account, the Fixed Account interest rate guarantee period begins on the date of deposit or transfer and ends on the one-year anniversary of the deposit or transfer. The guaranteed interest rate period may last for up to three months beyond the one-year anniversary because guaranteed terms end on the last day of a calendar quarter.

Contacting the Service Center

All inquiries, paperwork, information requests, service requests, and transaction requests should be made to the Service Center:

- by telephone at 1-800-848-6331 (TDD 1-800-238-3035)
- by mail to P.O. Box 182021, Columbus, Ohio 43218-2021

- by fax at 1-888-634-4472
- by Internet at www.nationwide.com.

Nationwide reserves the right to restrict or remove the ability to submit service requests via Internet, phone, or fax upon written notice.

Not all methods of communication are available for all types of requests. To determine which methods are permitted for a particular request, refer to the specific transaction provision in this prospectus or call the Service Center. Requests submitted by means other than described in this prospectus could be returned or delayed.

Service and transaction requests will generally be processed on the Valuation Date they are received at the Service Center as long as the request is in good order. Good order generally means that all necessary information to process the request is complete and in a form acceptable to Nationwide. If a request is not in good order, Nationwide will take reasonable actions to obtain the information necessary to process the request. Requests that are not in good order may be delayed or returned. Nationwide reserves the right to process any purchase payment or withdrawal request sent to a location other than the Service Center on the Valuation Date it is received at the Service Center.

Nationwide may be required to provide information about one or more contracts to government regulators. If mandated under applicable law, Nationwide may be required to reject a purchase payment and to refuse to process transaction requests for transfers, withdrawals, loans, and/or death benefits until instructed otherwise by the appropriate regulator.

Nationwide will use reasonable procedures to confirm that instructions are genuine and will not be liable for following instructions that it reasonably determined to be genuine. Nationwide may record telephone requests. Telephone and computer systems may not always be available. Any telephone system or computer can experience outages or slowdowns for a variety of reasons. The outages or slowdowns could prevent or delay processing. Although Nationwide has taken precautions to support heavy use, it is still possible to incur an outage or delay. To avoid technical difficulties, submit transaction requests by mail.

The Contract in General

In order to comply with the USA Patriot Act and rules promulgated thereunder, Nationwide has implemented procedures designed to prevent contracts described in this prospectus from being used to facilitate money laundering or the financing of terrorist activities.

If the contract described in this prospectus is replacing another variable annuity, the mortality tables used to determine the amount of annuity payments for this contract may be less favorable than those in the contract being replaced. Additionally, upon replacement, all benefits accrued under the replaced contract are forfeited.

The contract described in this prospectus is incontestable two years after the date of issue or during the lifetime of the Annuitant, whichever is shorter.

The annuity described in this prospectus is intended to provide benefits to a single individual and his/her beneficiaries. It is not intended to be used by institutional investors, in connection with other Nationwide contracts that have the same Annuitant, or in connection with other Nationwide contracts that have different Annuitants, but the same Contract Owner. If Nationwide determines that the risks it intended to assume in issuing the contract have been altered by misusing the contract as described above, Nationwide reserves the right to take any action it deems necessary to reduce or eliminate the altered risk. Nationwide also reserves the right to take any action it deems necessary to reduce or eliminate altered risk resulting from materially false, misleading, incomplete, or otherwise deficient information provided by the Contract Owner.

These contracts are offered to customers of various financial institutions and brokerage firms. No financial institution or brokerage firm is responsible for any of the contractual insurance benefits and features guaranteed under the contracts. *These guarantees are the sole responsibility of Nationwide.*

In general, deferred variable annuities are long-term investments; they are not intended as short-term investments. The contracts associated with this prospectus are not intended to be sold to a terminally ill Contract Owner or Annuitant. Accordingly, Nationwide has designed the contract to offer features, pricing, and investment options that encourage long-term ownership. It is very important that Contract Owners and prospective purchasers understand all the costs associated with owning a contract, and if and how those costs change during the lifetime of the contract. Contract charges may not be the same in later Contract Years as they are in early Contract Years. The various contract charges are assessed in order to compensate Nationwide for administrative services, distribution and operational expenses, and assumed actuarial risks associated with the contract.

Following is a discussion of some relevant factors that may be of particular interest to prospective investors.

Distribution, Promotional, and Sales Expenses

Nationwide pays commissions to the firms that sell the contracts. The maximum gross commission that Nationwide will pay on the sale of the contracts is 8.00% of purchase payments. **Note:** The individual registered representatives typically receive only a portion of this amount; the remainder is retained by the firm. Nationwide may also, instead of a premium-based commission, pay an asset-based commission (sometimes referred to as "trails" or "residuals"), or a combination of the two.

In addition to or partially in lieu of commission, Nationwide may also pay the selling firms a marketing allowance, which is based on the firm's ability and demonstrated willingness to promote and market Nationwide's products. How any marketing allowance is spent is determined by the firm, but generally will be used to finance firm activities that may contribute to the promotion and marketing of Nationwide's products. For more information on the exact compensation arrangement associated with this contract, consult your sales representative.

Underlying Mutual Fund Payments

Nationwide's Relationship with the Underlying Mutual Funds

The underlying mutual funds incur expenses each time they sell, administer, or redeem their shares. The Variable Account aggregates Contract Owner purchase, redemption, and transfer requests and submits net or aggregated purchase/redemption requests to each underlying mutual fund daily. The Variable Account (not the Contract Owners) is the underlying mutual fund shareholder. When the Variable Account aggregates transactions, the underlying mutual fund does not incur the expense of processing individual transactions it would normally incur if it sold its shares directly to the public. Nationwide incurs these expenses instead.

Nationwide also incurs the distribution costs of selling the contract (as discussed above), which benefit the underlying mutual funds by providing Contract Owners with Sub-Account options that correspond to the underlying mutual funds.

An investment adviser or subadviser of an underlying mutual fund or its affiliates may provide Nationwide or its affiliates with wholesaling services that assist in the distribution of the contract and may pay Nationwide or its affiliates to participate in educational and/or marketing activities. These activities may provide the adviser or subadviser (or their affiliates) with increased exposure to persons involved in the distribution of the contract.

Types of Payments Nationwide Receives

In light of the above, the underlying mutual funds and their affiliates make certain payments to Nationwide or its affiliates (the "payments"). The amount of these payments is typically based on a percentage of assets invested in the underlying mutual funds attributable to the contracts and other variable contracts Nationwide and its affiliates issue, but in some cases may involve a flat fee. These payments may be used by Nationwide for any corporate purpose, which include reducing the prices of the contracts, paying expenses that Nationwide or its affiliates incur in promoting, marketing, and administering the contracts and the underlying mutual funds, and achieving a profit.

Nationwide or its affiliates receive the following types of payments:

- Underlying mutual fund 12b-1 fees, which are deducted from underlying mutual fund assets;
- Sub-transfer agent fees or fees pursuant to administrative service plans adopted by the underlying mutual fund, which may be deducted from underlying mutual fund assets; and
- Payments by an underlying mutual fund's adviser or subadviser (or its affiliates). Such payments may be derived, in whole or in part, from the advisory fee, which is deducted from underlying mutual fund assets and is reflected in mutual fund charges.

Furthermore, Nationwide benefits from assets invested in Nationwide's affiliated underlying mutual funds (*i.e.*, Nationwide Variable Insurance Trust) because its affiliates also receive compensation from the underlying mutual funds for investment advisory, administrative, transfer agency, distribution, and/or other services. Thus, Nationwide may receive more revenue with respect to affiliated underlying mutual funds than unaffiliated underlying mutual funds.

Nationwide took into consideration the anticipated payments from the underlying mutual funds when it determined the charges imposed under the contracts (apart from fees and expenses imposed by the underlying mutual funds). Without these payments, Nationwide would have imposed higher charges under the contract.

Amount of Payments Nationwide Receives

For the year ended December 31, 2012, the underlying mutual fund payments Nationwide and its affiliates received from the underlying mutual funds did not exceed 0.75% (as a percentage of the average Daily Net Assets invested in the underlying mutual funds) offered through this contract or other variable contracts that Nationwide and its affiliates issue. Payments from investment advisers or subadvisers to participate in educational and/or marketing activities have not been taken into account in this percentage.

Most underlying mutual funds or their affiliates have agreed to make payments to Nationwide or its affiliates, although the applicable percentages may vary from underlying mutual fund to underlying mutual fund and some may not make any payments at all. Because the amount of the actual payments Nationwide and its affiliates receive depends on the assets of the underlying mutual funds attributable to the contract, Nationwide and its affiliates may receive higher payments from underlying mutual funds with lower percentages (but greater assets) than from underlying mutual funds that have higher percentages (but fewer assets).

Identification of Underlying Mutual Funds

Nationwide may consider several criteria when identifying the underlying mutual funds, including some or all of the following: investment objectives, investment process, investment performance, risk characteristics, investment capabilities, experience and resources, investment consistency, and fund expenses. Another factor Nationwide considers during the identification process is whether the underlying mutual fund's adviser or subadviser is a Nationwide affiliate or whether the underlying mutual fund, its adviser, its subadviser(s), or an affiliate will make payments to Nationwide or its affiliates.

There may be underlying mutual funds with lower fees, as well as other variable contracts that offer underlying mutual funds with lower fees. The purchaser should consider all of the fees and charges of the contract in relation to its features and benefits when making a decision to invest. **Note:** Higher contract and underlying mutual fund fees and charges have a direct effect on and may lower investment performance.

Profitability

Nationwide does consider profitability when determining the charges in the contract. In early Contract Years, Nationwide does not anticipate earning a profit, since that is a time when administrative and distribution expenses are typically higher. Nationwide does, however, anticipate earning a profit in later Contract Years. In general, Nationwide's profit will be greater the higher the investment return and the longer the contract is held.

Contract Modification

Nationwide may modify the contract, but no modification will affect the amount or term of any contract unless a modification is required to conform the contract to applicable federal or state law. No modification will affect the method by which Contract Value is determined.

Standard Charges and Deductions

Mortality and Expense Risk Charge

Nationwide deducts a Mortality and Expense Risk Charge equal to an annualized rate of 1.10% of the Daily Net Assets. The Mortality and Expense Risk Charge compensates Nationwide for providing the insurance benefits under the contract, including the contract's standard death benefit. It also compensates Nationwide for assuming the risk that Annuitants will live longer than assumed. Finally, the Mortality and Expense Risk Charge compensates Nationwide for guaranteeing that charges will not increase regardless of actual expenses. Nationwide may realize a profit from this charge.

Administrative Charge

Nationwide deducts an Administrative Charge equal to an annualized rate of 0.20% of the Daily Net Assets. The Administrative Charge reimburses Nationwide for administrative costs it incurs resulting from providing contract benefits, including preparation of the contract and prospectus, confirmation statements, annual account statements and annual reports, legal and accounting fees, as well as various related expenses. Nationwide may realize a profit from this charge.

Contract Maintenance Charge

A \$30 Contract Maintenance Charge is assessed on each Contract Anniversary and upon full surrender of the contract.

This charge reimburses Nationwide for administrative expenses involved in issuing and maintaining the contract. If on any Contract Anniversary (or on the date of a full surrender) the Contract Value is \$50,000 or more, Nationwide will waive the Contract Maintenance Charge from that point forward.

The deduction of the Contract Maintenance Charge will be taken proportionally from each Sub-Account and the Fixed Account based on the value in each option as compared to the total Contract Value.

Nationwide will not reduce or eliminate the Contract Maintenance Charge where it would be discriminatory or unlawful.

Contingent Deferred Sales Charge

No sales charge deduction is made from purchase payments upon deposit into the contract. However, if any part of the contract is withdrawn, Nationwide may deduct a CDSC. The CDSC will not exceed 7% of purchase payments withdrawn. For contracts that have not elected the Liquidity Option, the standard CDSC schedule applies. The CDSC is calculated by multiplying the applicable CDSC percentage shown in Table 1 by the amount of purchase payments withdrawn. For purposes of calculating the CDSC, withdrawals are considered to come first from the oldest purchase payment made to the contract, then the next oldest purchase payment, and so forth. CDSC provisions vary by state. Refer to the contract for state specific information.

**Table 1
Standard CDSC Schedule**

<u>Number of Completed Years from Date of Purchase Payment</u>	<u>0</u>	<u>1</u>	<u>2</u>	<u>3</u>	<u>4</u>	<u>5</u>	<u>6</u>	<u>7+</u>
CDSC Percentage.....	7%	7%	6%	5%	4%	3%	2%	0%

For contracts that have elected the Liquidity Option, the standard CDSC schedule is replaced with a reduced CDSC schedule. The CDSC is calculated by multiplying the applicable CDSC percentage shown in Table 2 by the amount of purchase payments withdrawn.

**Table 2
Liquidity Option CDSC Schedule**

<u>Number of Completed Years from Date of Contract Issuance</u>	<u>0</u>	<u>1</u>	<u>2</u>	<u>3</u>	<u>4+</u>
CDSC Percentage	7%	7%	6%	5%	0%

Earnings are not subject to the CDSC, but may not be distributed prior to the distribution of all purchase payments. (For tax purposes, a withdrawal is usually treated as a withdrawal of earnings first.)

The CDSC is used to cover sales expenses, including commissions, production of sales material, and other promotional expenses. If expenses are greater than the CDSC, the shortfall will be made up from Nationwide’s general assets, which may indirectly include portions of the Variable Account charges, since Nationwide may generate a profit from these charges.

All or a portion of any withdrawal may be subject to federal income taxes. Contract Owners taking withdrawals before age 59½ may be subject to a 10% penalty tax.

Additional purchase payments made to the contract after receiving the benefit of the Spousal Protection Feature are subject to the same CDSC provisions that were applicable prior to receiving the benefit of the Spousal Protection Feature.

Waiver of Contingent Deferred Sales Charge

The maximum amount that can be withdrawn annually without a CDSC is the greatest of:

- (1) 10% of the net difference of purchase payments that are subject to CDSC minus purchase payments previously withdrawn that were subject to CDSC;
- (2) any amount withdrawn to meet minimum distribution requirements for this contract under the Internal Revenue Code; or
- (3) for those contracts with the 10% Nationwide Lifetime Income Rider, 7% Nationwide Lifetime Income Rider, or 5% Nationwide Lifetime Income Rider, withdrawals up to the annual benefit amount.

This CDSC-free withdrawal privilege is non-cumulative. Free amounts not taken during any given Contract Year cannot be taken as free amounts in a subsequent Contract Year.

Note: CDSC-free withdrawals do not count as “purchase payments previously withdrawn that were subject to CDSC” and, therefore, do not reduce the amount used to calculate subsequent CDSC-free withdrawal amounts.

In addition, no CDSC will be deducted:

- (1) upon the annuitization of contracts which have been in force for at least two years;
- (2) upon payment of a death benefit; or
- (3) from any values for which the applicable CDSC period has expired:
 - (a) for those contracts without the Liquidity Option, purchase payments held for at least seven years from the date of allocation to the contract; and
 - (b) for those contracts with the Liquidity Option, for any withdrawals after the end of the fourth Contract Year.

No CDSC applies to transfers between or among the various investment options in the contract.

A contract held by a Charitable Remainder Trust (within the meaning of Internal Revenue Code Section 664) may withdraw CDSC-free the greater of the amount that would otherwise be available for withdrawal without a CDSC, and the difference between:

- (a) the Contract Value at the close of the day prior to the date of the withdrawal; and
- (b) the total purchase payments made to the contract as of the date of the withdrawal (less an adjustment for amounts previously withdrawn).

The CDSC will not be eliminated if to do so would be unfairly discriminatory or prohibited by state law.

The CDSC-free withdrawal privilege does not apply to full surrenders of the contract. For purposes of the CDSC-free withdrawal privilege, a full surrender is:

- multiple withdrawals taken within a Contract Year that deplete the entire Contract Value; or
- any single net withdrawal of 90% or more of the Contract Value.

Premium Taxes

Nationwide will charge against the Contract Value any premium taxes levied by a state or other government entity. Premium tax rates currently range from 0% to 5% and vary from state to state. This range is subject to change. Nationwide will assess premium taxes to the contract at the time Nationwide is assessed the premium taxes by the state.

Premium taxes may be deducted from death benefit proceeds.

Short-Term Trading Fees

Some underlying mutual funds may assess (or reserve the right to assess) a short-term trading fee in connection with transfers from a Sub-Account that occur within 60 days after the date of allocation to the Sub-Account.

Short-term trading fees are intended to compensate the underlying mutual fund (and Contract Owners with interests in the underlying mutual fund) for the negative impact on fund performance that may result from frequent, short-term trading strategies. Short-term trading fees are not intended to affect the large majority of Contract Owners not engaged in such strategies.

Any short-term trading fee assessed by any underlying mutual fund available in conjunction with the contracts described in this prospectus will equal 1% of the amount determined to be engaged in short-term trading.

Short-term trading fees will only apply to those Sub-Accounts corresponding to underlying mutual funds that charge such fees (see the underlying mutual fund prospectus). Contract Owners are responsible for monitoring the length of time allocations are held in any particular Sub-Account. Nationwide will not provide advance notice of the assessment of any applicable short-term trading fee.

To determine whether a particular underlying mutual fund assesses (or reserves the right to assess) a short-term trading fee, see *Appendix A: Underlying Mutual Funds*.

If a short-term trading fee is assessed, the underlying mutual fund will charge the Variable Account 1% of the amount determined to be engaged in short-term trading. The Variable Account will then pass the short-term trading fee on to the specific Contract Owner that engaged in short-term trading by deducting an amount equal to the short-term trading fee from that Contract Owner's Sub-Account value. All such fees will be remitted to the underlying mutual fund; none of the fee proceeds will be retained by Nationwide or the Variable Account.

When multiple purchase payments (or exchanges) are made to a Sub-Account that is subject to short-term trading fees, transfers will be considered to be made on a first in/first out (FIFO) basis for purposes of determining short-term trading fees. In other words, units held the longest time will be treated as being transferred first, and units held for the shortest time will be treated as being transferred last.

Some transactions are not subject to the short-term trading fees, including:

- scheduled and systematic transfers;
- withdrawals, including CDSC-free withdrawals;
- withdrawals of Annuity Units to make annuity payments;
- withdrawals of Accumulation Units to pay the Contract Maintenance Charge;
- withdrawals of Accumulation Units to pay a death benefit; or
- transfers made upon annuitization of the contract.

New share classes of currently available underlying mutual funds may be added as investment options under the contracts. These new share classes may require the assessment of short-term trading fees. When these new share classes are added, new purchase payment allocations and exchange reallocations to the underlying mutual funds in question may be limited to the new share class.

Optional Contract Benefits, Charges, and Deductions

For an additional charge, the following optional benefits are available to applicants. Unless otherwise indicated:

- (1) optional benefits must be elected at the time of application;
- (2) optional benefits, once elected, may not be terminated;
- (3) the charges associated with the optional benefits are calculated and deducted daily as part of the Accumulation Unit value calculation; and
- (4) the charges associated with the optional benefits will be assessed until annuitization.

Reduced CDSC Option ("Liquidity Option")

For an additional charge equal to an annualized rate of 0.50% of the Daily Net Assets, an applicant may elect the Liquidity Option. The charge associated with the Liquidity Option will be assessed until the end of the fourth Contract Year. Nationwide may realize a profit from the charge assessed for this option.

If the Liquidity Option is elected, subsequent purchase payments are only permitted during the first Contract Year.

Election of the Liquidity Option replaces the contract's standard seven year CDSC schedule with a four year CDSC schedule. The Liquidity Option CDSC schedule applies as follows:

<u>Number of Completed Years from Date of Contract Issuance</u>	<u>0</u>	<u>1</u>	<u>2</u>	<u>3</u>	<u>4+</u>
CDSC Percentage	7%	7%	6%	5%	0%

Under this option, CDSC will not exceed 7% of purchase payments withdrawn and no CDSC will be assessed on any withdrawal taken after the end of the fourth Contract Year.

One-Year Enhanced Death Benefit Option

For an additional charge at an annualized rate of 0.20% of the Daily Net Assets, an applicant can elect the One-Year Enhanced Death Benefit Option. The One-Year Enhanced Death Benefit Option is only available for contracts with Annuitants age 80 or younger at the time of application. Nationwide may realize a profit from the charge assessed for this option.

If the Annuitant dies prior to the Annuitization Date and the total of all purchase payments made to the contract is less than or equal to \$3,000,000, the death benefit will be the greatest of:

- (1) the Contract Value as of the date that Nationwide receives all the information necessary to pay the death benefit;
- (2) the total of all purchase payments, less an adjustment for amounts withdrawn; or
- (3) the highest Contract Value on any Contract Anniversary prior to the Annuitant's 86th birthday, less an adjustment for amounts subsequently withdrawn, plus purchase payments received after that Contract Anniversary.

Any adjustment for amounts withdrawn will reduce the applicable factor above in the same proportion that the Contract Value was reduced on the date(s) of the partial withdrawal(s).

Note: For Contract Owners who have elected this option, if the total of all purchase payments made to the contract is greater than \$3,000,000, the death benefit calculation will be adjusted as described in the *Death Benefit Calculations* provision.

The One-Year Enhanced Death Benefit Option also includes the Spousal Protection Feature, which allows a surviving spouse to continue the contract while receiving the economic benefit of the death benefit upon the death of the other spouse.

10% Nationwide Lifetime Income Rider (formerly the 10% Lifetime Income Option)

The 10% Nationwide Lifetime Income Rider (the "10% Nationwide L.inc Rider") provides for Lifetime Withdrawals, up to a certain amount each year, even after the Contract Value is \$0, provided that the Contract Owner does not deplete the Current Income Benefit Base by taking excess withdrawals. Investment restrictions apply. The age of the person upon which the benefit depends (the "determining life") must be between 50 and 85 years old at the time of application. For most contracts, the determining life is that of the Contract Owner. For those contracts where the Contract Owner is a non-natural person, for purposes of this option, the determining life is that of the Annuitant, and all references in this option to "Contract Owner" shall mean Annuitant. If, in addition to the Annuitant, a Co-Annuitant or Joint Annuitant has been elected, the determining life will be that of the primary Annuitant as named on the application. The determining life may not be changed.

Availability

The 10% Nationwide Lifetime Income Rider is available under the contract at the time of application. The 10% Nationwide L.inc Rider is not available on beneficially owned contracts – those contracts that are inherited by a beneficiary and the beneficiary continues to hold the contract as a beneficiary (as opposed to treating the contract as his/her own) for tax purposes. However, contracts that are purchased in the normal course of business with the 10% Nationwide L.inc Rider may keep the 10% Nationwide L.inc Rider even after such contract becomes beneficially owned. However, once a contract becomes beneficially owned, the contract will not receive the benefit of the RMD privilege discussed later in this section.

10% Nationwide L.inc Rider Charge

In exchange for Lifetime Withdrawals, Nationwide will assess an annual charge not to exceed 1.20% of the Current Income Benefit Base. Currently, the charge for the 10% Nationwide Lifetime Income Rider is 1.20% of the Current Income Benefit Base. The current charge will not change, except, possibly, upon the Contract Owner's election to reset the benefit base, as discussed herein. If the current charge does change, it will not exceed the maximum charge of 1.20% of the Current Income Benefit Base.

The charge will be assessed on each Contract Anniversary and will be deducted via redemption of Accumulation Units. A prorated charge will also be deducted upon full surrender of the contract. Accumulation Units will be redeemed proportionally from each Sub-Account in which the Contract Owner is invested at the time the charge is taken. Amounts redeemed as the 10% Nationwide L.inc Rider charge will not negatively impact calculations associated with other benefits elected or available under the contract, will not be subject to a CDSC, and will not reduce amounts available under the CDSC-free withdrawal privilege.

Lifetime Income Rider Investment Requirements

Election of the 10% Nationwide L.inc Rider requires that the Contract Owner, until annuitization, allocate the entire Contract Value to a limited set of investment options currently available in the contract. For the list of available investment options, see *Income Benefit Investment Options*. Allocation requests to investment options other than those listed in the *Income Benefit Investment Options* section will not be honored; they will be treated as though no allocation request was submitted. Nationwide may offer Dollar Cost Averaging for Living Benefits described in the *Contract Owner Services* provision. Allocation to the Fixed Account is not permitted (except as the originating account when the Contract Owner elects Dollar Cost Averaging for Living Benefits).

Transfers Among Permitted Investment Options

The Contract Owner may reallocate the Contract Value among the limited set of investment options in accordance with the *Transfers Prior to Annuitization* provision. The Contract Owner may reallocate the Contract Value within the Custom Portfolio Asset Rebalancing Service in accordance with that provision. Additionally, Contract Owners may change from the Custom Portfolio Asset Rebalancing Service to the permitted investment options, and vice versa.

Subsequent Purchase Payments

Subsequent purchase payments are permitted under the 10% Nationwide L.inc Rider as long as the Contract Value is greater than \$0. There may be instances where a subsequent purchase payment creates a financial risk that Nationwide is unwilling to bear. If this occurs, Nationwide may exercise its right to refuse subsequent purchase payments which total in aggregate \$50,000 or more in any calendar year. The \$50,000 threshold will take into consideration all contracts issued by Nationwide to a particular Contract Owner or using the same determining life. If Nationwide exercises this right to

refuse a purchase payment, the entire purchase payment that causes the aggregate amount to exceed \$50,000 will be immediately returned to the Contract Owner in the same form in which it was received. Generally, Nationwide may invoke this right in times of economic instability. Contract Owners may contact the Service Center to find out if Nationwide will accept a particular subsequent purchase payment.

Determination of the Income Benefit Base Prior to the First Withdrawal

Upon contract issuance, the Original Income Benefit Base is equal to the Contract Value. Thereafter, Nationwide tracks, on a continuous basis, the Current Income Benefit Base which is used to calculate the Lifetime Withdrawal Amount. The Current Income Benefit Base from the date of contract issuance until the first Lifetime Withdrawal will reflect any additional purchase payments, Purchase Payment Credits, and reset opportunities, as described below.

Provided no withdrawals are taken from the contract, the Current Income Benefit Base for the 10% Nationwide L.inc Rider will equal the greater of:

- (1) the highest Contract Value on any Contract Anniversary plus purchase payments submitted and any Purchase Payment Credits applied after that Contract Anniversary; or
- (2) the 10% roll-up amount, which is equal to the sum of the following calculations:
 - (a) Original Income Benefit Base with Roll-up: the Original Income Benefit Base, plus 10% of the Original Income Benefit Base for each Contract Anniversary up to and including the 10th Contract Anniversary; plus
 - (b) Purchase Payments with Roll-up: any purchase payments submitted after contract issuance and before the 10th Contract Anniversary, plus any Purchase Payment Credits applied, increased by simple interest at an annual rate of 10% each year from the date of the purchase payment through the 10th Contract Anniversary; plus
 - (c) Purchase Payments with No Roll-up: any purchase payments submitted after the 10th Contract Anniversary plus any Purchase Payment Credits applied.

When a purchase payment and any Purchase Payment Credits are applied on a date other than a Contract Anniversary, simple interest is calculated using a prorated method based upon the number of days from the date of the purchase payment to the next Contract Anniversary. However, if at any time prior to the first withdrawal the Contract Value equals \$0, no additional purchase payments will be accepted and no further benefit base calculations will be made. The Current Income Benefit Base will be set equal to the benefit base calculated on the most recent Contract Anniversary minus adjustments made for excess withdrawals after that date, and the Lifetime Withdrawal Amount will be based on that Current Income Benefit Base. Since the roll-up is only calculated for the first 10 Contract Years or prior to the first withdrawal, whichever comes first, any purchase payments the Contract Owner makes during that time period will increase the Current Income Benefit Base more than purchase payments made after that time period.

Lifetime Withdrawals

At any time after the 10% Nationwide L.inc Rider is elected, the Contract Owner may begin taking the Lifetime Withdrawal Amount by taking a withdrawal from the contract. The first withdrawal under the contract constitutes the first Lifetime Withdrawal, even if such withdrawal is taken to meet minimum distribution requirements under the Internal Revenue Code. Nationwide will surrender Accumulation Units proportionally from the Sub-Accounts as of the date of the Lifetime Withdrawal request. As with any withdrawal, Lifetime Withdrawals reduce the Contract Value and consequently, the amount available for annuitization.

At the time of the first Lifetime Withdrawal, the Current Income Benefit Base is locked in and will not change unless the Contract Owner takes excess withdrawals, elects a reset opportunity (both discussed later in this provision), or submits additional purchase payments. Additional purchase payments submitted after the first Lifetime Withdrawal from the contract will increase the Current Income Benefit Base by the amount of the purchase payment.

Simultaneously, the Lifetime Withdrawal Percentage is determined based on the age of the Contract Owner as indicated in the following tables.

For contracts issued on or after December 5, 2011 or the date of state approval (whichever is later):

Contract Owner's Age (at time of first Lifetime Withdrawal)	50 up to 59½	59½ through 64	65 through 80	81 and older
Lifetime Withdrawal Percentage	3.00%	3.75%	4.75%	5.75%

For contracts that elect the Joint Option for the 10% Nationwide Lifetime Income Rider, the Lifetime Withdrawal Percentages will be reduced (see *10% Spousal Continuation Benefit*).

For contracts issued before December 5, 2011 or the date of state approval of the changes shown above (whichever is later):

Contract Owner's Age (at time of first Lifetime Withdrawal)	50 up to 59½	59½ through 64	65 through 80	81 and older
Lifetime Withdrawal Percentage	3.00%	4.00%	5.25%	6.25%

A Contract Owner will receive the greatest Lifetime Withdrawal Percentage only if he or she does not take a Lifetime Withdrawal from the contract prior to age 81.

Note: The Internal Revenue Code requires that IRAs, SEP IRAs, Simple IRAs, and Investment-Only Contracts begin distributions no later than April 1 of the calendar year following the calendar year in which the Contract Owner reaches age 70½. **Contract Owners subject to minimum required distribution rules may not be able to take advantage of the Lifetime Withdrawal Percentages available at higher age bands if distributions are taken from the contract to meet these Internal Revenue Code requirements.** Contract Owners who elect not to take minimum required distributions from this contract, *i.e.*, they take minimum required distributions from other sources, may be able to take advantage of Lifetime Withdrawal Percentages at the higher age bands. Consult a qualified tax advisor for more information.

At the time of the first Lifetime Withdrawal and on each Contract Anniversary thereafter, the Lifetime Withdrawal Percentage is multiplied by the Current Income Benefit Base to determine the Lifetime Withdrawal Amount for that year. The Lifetime Withdrawal Amount is the maximum amount that can be withdrawn from the contract before the next Contract Anniversary without reducing the Current Income Benefit Base. The ability to withdraw the Lifetime Withdrawal Amount will continue until the earlier of the Contract Owner's death or annuitization.

The Contract Owner can elect to set up Systematic Withdrawals or can request each Lifetime Withdrawal separately. All Lifetime Withdrawal requests must be made on a Nationwide form available by contacting the Service Center.

Each year's Lifetime Withdrawal Amount is non-cumulative. A Contract Owner cannot take a previous year's Lifetime Withdrawal Amount in a subsequent year without causing an excess withdrawal (discussed herein) that will reduce the Current Income Benefit Base. Although Lifetime Withdrawals up to the Lifetime Withdrawal Amount do not reduce the Current Income Benefit Base, they do reduce the Contract Value and the death benefit.

Impact of Withdrawals in Excess of the Lifetime Withdrawal Percentage Limit

The Contract Owner is permitted to withdraw Contract Value in excess of that year's Lifetime Withdrawal Amount provided that the Contract Value is greater than \$0. Withdrawals in excess of the Lifetime Withdrawal Amount will reduce the Current Income Benefit Base, and consequently, the Lifetime Withdrawal Amount calculated for subsequent years. In the event of excess withdrawals, the Current Income Benefit Base will be reduced by the greater of:

- (1) the dollar amount of the withdrawal in excess of the Lifetime Withdrawal Amount; or
- (2) a figure representing the proportional amount of the withdrawal. This amount is determined by the following formula:

dollar amount of the excess withdrawal

Contract Value (reduced by the amount of the Lifetime Withdrawal Amount withdrawn)

X

Current Income Benefit Base

prior to the withdrawal

In situations where the Contract Value exceeds the existing Current Income Benefit Base, excess withdrawals will typically result in a dollar amount reduction to the new Current Income Benefit Base. In situations where the Contract Value is less than the existing Current Income Benefit Base, excess withdrawals will typically result in a proportional reduction to the new Current Income Benefit Base.

Currently, Nationwide allows for an "RMD privilege" whereby Nationwide permits a Contract Owner to withdraw Contract Value in excess of the Lifetime Withdrawal Amount without reducing the Current Income Benefit Base if such excess withdrawal is for the sole purpose of meeting Internal Revenue Code required minimum distributions for this contract. This RMD privilege does not apply to beneficially owned contracts. In order to qualify for the RMD privilege, the Contract Owner must:

- (1) be at least 70½ years old as of the date of the request;
- (2) own the contract as an IRA, SEP IRA, Simple IRA, or Investment-Only Contract; and
- (3) submit a completed administrative form in advance of the withdrawal to the Service Center.

Nationwide reserves the right to modify or eliminate the RMD privilege if there is any change to the Internal Revenue Code or IRS rules relating to required minimum distributions, including the issuance of relevant IRS guidance. If Nationwide exercises this right, Nationwide will provide notice to Contract Owners and any withdrawal in excess of the Lifetime Withdrawal Amount will reduce the remaining Current Income Benefit Base.

Once the Contract Value falls to \$0, the Contract Owner is no longer permitted to submit additional purchase payments or take withdrawals in excess of the Lifetime Withdrawal Amount. Additionally, there is no Contract Value to annuitize, making the payment of the benefit associated with this option the only income stream producing benefit remaining in the contract.

Reset Opportunities

Nationwide offers an automatic reset of the Current Income Benefit Base. If, on any Contract Anniversary, the Contract Value exceeds the Current Income Benefit Base, Nationwide will automatically reset the Current Income Benefit Base to equal that Contract Value. This higher amount will be the new Current Income Benefit Base. This automatic reset will continue until either the current price or the list of permitted investment options associated with the 10% Nationwide L.inc Rider changes.

In the event the current price or the list of permitted investment options of the 10% Nationwide L.inc Rider changes, the reset opportunities still exist, but are no longer automatic. An election to reset the Current Income Benefit Base must be made by the Contract Owner to Nationwide. On or about each Contract Anniversary, Nationwide will provide the Contract Owner with information necessary to make this determination. Specifically, Nationwide will provide: the Contract Value; the Current Income Benefit Base; the current terms and conditions associated with the 10% Nationwide L.inc Rider; and instructions on how to communicate an election to reset the benefit base.

If the Contract Owner elects to reset the Current Income Benefit Base, it will be at the then current terms and conditions of the option as described in the most current prospectus. If Nationwide does not receive a Contract Owner's election to reset the Current Income Benefit Base within 60 days after the Contract Anniversary, Nationwide will assume that the Contract Owner does not wish to reset the Current Income Benefit Base. If the Current Income Benefit Base is not reset, it will remain the same and the terms and conditions of the 10% Nationwide L.inc Rider will not change (as applicable to that particular contract).

Contract Owners may cancel the automatic reset feature of the 10% Nationwide L.inc Rider by notifying Nationwide as to such election. Nationwide reserves the right to modify or terminate the automatic reset feature at any time upon written notice to Contract Owners.

Settlement Options

If a Contract Owner's Contract Value falls to \$0 and there is still a positive Current Income Benefit Base, Nationwide will provide the Contract Owner with settlement options. Specifically, Nationwide will provide a notification to the Contract Owner describing the following three options, along with instructions on how to submit the election to Nationwide:

- (1) The Contract Owner can take Lifetime Withdrawals of the Lifetime Withdrawal Amount until the death of the Contract Owner;
- (2) The Contract Owner can elect the Age Based Lump Sum Settlement Option, as described below; or
- (3) If the Contract Owner qualifies after a medical examination, the Contract Owner can elect the Underwritten Lump Sum Settlement Option, as described below.

The options above each result in a different amount ultimately received under the 10% Nationwide L.inc Rider. The Underwritten Lump Sum Settlement Option will generally pay a larger amount than the Age Based Lump Sum Settlement Option when a Contract Owner is healthier than the normal population. Regardless of age or health, the Underwritten Lump Sum Settlement Option amount will never be less than the Age Based Lump Sum Settlement Option amount. Election of the Age Based Lump Sum Settlement Option enables the Contract Owner to receive payment without a medical exam, which could potentially delay payment. Before selecting a settlement option, consult with a qualified financial advisor to determine which option is best based on the Contract Owner's individual financial situation and needs.

The Contract Owner will have 60 days from the date of Nationwide's notification letter to make an election ("Notification Period"). Once the Contract Owner makes an election, the election is irrevocable. **If the Contract Owner is receiving Systematic Withdrawals of the Lifetime Withdrawal Amount and does not make an election within the Notification Period, Nationwide will continue sending Systematic Withdrawals of the full amount of the Lifetime Withdrawal Amount to the Contract Owner.** If the Contract Owner had requested Systematic Withdrawals of only a portion of the Lifetime Withdrawal Amount prior to the notice, Systematic Withdrawals will continue, but Nationwide will increase the Lifetime Withdrawals to the full amount of the Lifetime Withdrawal Amount.

If the Contract Owner is not taking Systematic Withdrawals of the Lifetime Withdrawal Amount and does not make an election within the Notification Period, Nationwide will initiate Systematic Withdrawals of the Lifetime Withdrawal Amount on behalf of the Contract Owner and will begin mailing to the Contract Owner on an annual basis an amount equal to the Lifetime Withdrawal Amount. If Nationwide initiates Systematic Withdrawals of the Lifetime Withdrawal Amount on behalf of the Contract Owner, it will be irrevocable. If Nationwide initiates Systematic Withdrawals of the Lifetime Withdrawal Amount on behalf of the Contract Owner, the first payment of the Lifetime Withdrawal Amount will be sent on the next business day following the Notification Period ("Settlement Payment Date"). Nationwide will then send the Contract Owner the Lifetime Withdrawal Amount annually on the anniversary of the Settlement Payment Date (or the next business day if the anniversary of the Settlement Payment Date does not fall on a business day). Nationwide will mail a check to the Contract Owner's address on record. The Contract Owner may contact the Service Center at any time to change the frequency of the Systematic Withdrawals.

Note: In any event, if the Contract Owner does not make an election within the Notification Period, Nationwide will send the Contract Owner the full amount of the Lifetime Withdrawal Amount to which he/she is entitled to each year. There may be tax consequences if Nationwide increases or initiates the Lifetime Withdrawals on behalf of a Contract Owner. Consult a qualified tax advisor.

Age Based Lump Sum Settlement Option

Under the Age Based Lump Sum Settlement Option, in lieu of taking Lifetime Withdrawals of the Lifetime Withdrawal Amount, Nationwide will pay the Contract Owner a lump sum equal to the Contract Owner's most recently calculated Lifetime Withdrawal Amount multiplied by the Annual Benefit Multiplier listed below:

<u>Contract Owner's Age*</u>	<u>Up to Age 70</u>	<u>71-75</u>	<u>76-80</u>	<u>81-85</u>	<u>86-90</u>	<u>91-95</u>	<u>96+</u>
Annual Benefit Multiplier.....	5.5	4.5	3.5	2.5	2.0	1.5	1.0

* As of the date the Age Based Lump Sum Option is elected.

For contracts that have elected the Joint Option for the 10% Nationwide Lifetime Income Rider, if both spouses are living on the date the Age Based Lump Sum Settlement Option is elected, Nationwide will use the age of the younger spouse minus three years to determine the Annual Benefit Multiplier. If only one spouse is living on the date the Age Based Lump Sum Settlement Option is elected, Nationwide will use the age of the living spouse to determine the Annual Benefit Multiplier.

Underwritten Lump Sum Settlement Option

Under the Underwritten Lump Sum Settlement Option, in lieu of taking Lifetime Withdrawals of the Lifetime Withdrawal Amount, for those who qualify based on a medical exam, Nationwide will pay the Contract Owner a lump sum based upon the attained age, sex, and health of the Contract Owner (and spouse if the Joint Option for the 10% Nationwide Lifetime Income Rider is elected). Once Nationwide receives the Contract Owner's election to take the Underwritten Lump Sum Settlement Option, Nationwide will provide the Contract Owner with a medical examination form, which must be completed by a certified physician chosen by the Contract Owner and returned to the Service Center within 30 days. Upon completion of underwriting by Nationwide, the lump sum settlement amount (determined as of the date that Nationwide received all of the necessary information) is issued to the Contract Owner. If Nationwide does not receive the completed form within the 30-day period, Nationwide will pay the Contract Owner the amount that would be payable under the Age Based Lump Sum Settlement Option.

Annuitization

If the Contract Owner elects to annuitize the contract, this option will terminate. Specifically, the charge associated with the option will no longer be assessed and all benefits associated with the 10% Nationwide L.inc Rider will terminate.

Death of Determining Life

For contracts with no Joint Option for the 10% Nationwide Lifetime Income Rider, upon the death of the determining life, the benefits associated with the option terminate. If the Contract Owner is also the Annuitant, the death benefit will be paid in accordance with the *Death Benefits* provision. If the Contract Owner is not the Annuitant, the Contract Value will be distributed as described in *Appendix C: Contract Types and Tax Information*.

For contracts with the Joint Option for the 10% Nationwide Lifetime Income Rider, upon the death of the determining life, the surviving spouse continues to receive the same benefit associated with the 10% Nationwide L.inc Rider which had been received by the deceased spouse, for the remainder of the survivor's lifetime. The Contract Value will reflect the death benefit and the Spousal Protection Feature.

Tax Treatment

Although the tax treatment for Lifetime Withdrawals under withdrawal benefits such as the 10% Nationwide L.inc Rider is not clear, Nationwide will treat a portion of each Lifetime Withdrawal as a taxable distribution, as follows:

First, Nationwide determines which is greater: (1) the Contract Value immediately before the Lifetime Withdrawal; or (2) the Lifetime Withdrawal Amount immediately before the Lifetime Withdrawal. That amount (the greater of (1) or (2)) minus any remaining investment in the contract at the time of the Lifetime Withdrawal will be reported as a taxable distribution.

For any Lifetime Withdrawal taken when the Contract Value is less than or equal to the total investment in the contract, Nationwide treats the Lifetime Withdrawal as a tax-free return of investment until the entire investment in the contract has been received tax-free. Once the entire investment in the contract has been received tax-free, Lifetime Withdrawals will be reported as taxable distributions. Consult a qualified tax advisor.

7% Nationwide Lifetime Income Rider (formerly the 7% Lifetime Income Option)

The 7% Nationwide Lifetime Income (the "7% Nationwide L.inc") Rider provides for Lifetime Withdrawals, up to a certain amount each year, even after the Contract Value is \$0, provided that the Contract Owner does not deplete the Current Income Benefit Base by taking excess withdrawals. Investment restrictions apply. The age of the person upon which the benefit depends (the "determining life") must be between 50 and 85 years old at the time of application. For most contracts, the determining life is that of the Contract Owner. For those contracts where the Contract Owner is a non-natural person, for purposes of this option, the determining life is that of the Annuitant, and all references in this option to "Contract Owner" shall mean Annuitant. If, in addition to the Annuitant, a Co-Annuitant or Joint Annuitant has been elected, the determining life will be that of the primary Annuitant as named on the application. The determining life may not be changed.

Availability

The 7% Nationwide Lifetime Income Rider is available under the contract at the time of application. The 7% Nationwide L.inc Rider is not available on beneficially owned contracts – those contracts that are inherited by a beneficiary and the beneficiary continues to hold the contract as a beneficiary (as opposed to treating the contract as his/her own) for tax purposes. However, contracts that are purchased in the normal course of business with the 7% Nationwide L.inc Rider may keep the 7% Nationwide L.inc Rider even after such contract becomes beneficially owned. However, once a contract becomes beneficially owned, the contract will not receive the benefit of the RMD privilege discussed later in this section.

7% Nationwide L.inc Rider Charge

In exchange for Lifetime Withdrawals, Nationwide will assess an annual charge not to exceed 1.00% of the Current Income Benefit Base. For contracts issued on or after December 5, 2011 or the date of state approval (whichever is later), the current charge for the 7% Nationwide Lifetime Income Rider is 1.00% of the Current Income Benefit Base. For contracts issued before December 5, 2011 or the date of state approval (whichever is later), the charge for the 7% Nationwide Lifetime Income Rider is 0.95% of the Current Income Benefit Base. The current charge will not change, except, possibly, upon the Contract Owner's election to reset the benefit base, as discussed herein. If the current charge does change, it will not exceed the maximum charge of 1.00% of the Current Income Benefit Base.

The charge will be assessed on each Contract Anniversary and will be deducted via redemption of Accumulation Units. A prorated charge will also be deducted upon full surrender of the contract. Accumulation Units will be redeemed proportionally from each Sub-Account in which the Contract Owner is invested at the time the charge is taken. Amounts redeemed as the 7% Nationwide L.inc Rider charge will not negatively impact calculations associated with other benefits elected or available under the contract, will not be subject to a CDSC, and will not reduce amounts available under the CDSC-free withdrawal privilege.

Lifetime Income Rider Investment Requirements

Election of the 7% Nationwide L.inc Rider requires that the Contract Owner, until annuitization, allocate the entire Contract Value to a limited set of investment options currently available in the contract. For the list of available investment options, see *Income Benefit Investment Options*. Allocation requests to investment options other than those listed in the *Income Benefit Investment Options* section will not be honored; they will be treated as though no allocation request was submitted. Nationwide may offer Dollar Cost Averaging for Living Benefits described in the *Contract Owner Services* provision. Allocation to the Fixed Account is not permitted (except as the originating account when the Contract Owner elects Dollar Cost Averaging for Living Benefits).

Transfers Among Permitted Investment Options

The Contract Owner may reallocate the Contract Value among the limited set of investment options in accordance with the *Transfers Prior to Annuitization* provision. The Contract Owner may reallocate the Contract Value within the Custom Portfolio Asset Rebalancing Service in accordance with that provision. Additionally, Contract Owners may change from the Custom Portfolio Asset Rebalancing Service to the permitted investment options, and vice versa.

Subsequent Purchase Payments

Subsequent purchase payments are permitted under the 7% Nationwide L.inc Rider as long as the Contract Value is greater than \$0. There may be instances where a subsequent purchase payment creates a financial risk that Nationwide is unwilling to bear. If this occurs, Nationwide may exercise its right to refuse subsequent purchase payments which total in aggregate \$50,000 or more in any calendar year. The \$50,000 threshold will take into consideration all contracts issued by Nationwide to a particular Contract Owner or using the same determining life. If Nationwide exercises this right to refuse a purchase payment, the entire purchase payment that causes the aggregate amount to exceed \$50,000 will be immediately returned to the Contract Owner in the same form in which it was received. Generally, Nationwide may invoke this right in times of economic instability. Contract Owners may contact the Service Center to find out if Nationwide will accept a particular subsequent purchase payment.

Determination of the Income Benefit Base Prior to the First Withdrawal

Upon contract issuance, the Original Income Benefit Base is equal to the Contract Value. Thereafter, Nationwide tracks, on a continuous basis, the Current Income Benefit Base which is used to calculate the benefit amount. The Current Income Benefit Base from the date of contract issuance until the first Lifetime Withdrawal will reflect any additional purchase payments, Purchase Payment Credits, and reset opportunities, as described below.

Provided no withdrawals are taken from the contract, the Current Income Benefit Base for the 7% Nationwide L.inc Rider will equal the greater of:

- (1) the highest Contract Value on any Contract Anniversary plus purchase payments submitted and any Purchase Payment Credits applied after that Contract Anniversary; or
- (2) the 7% roll-up amount, which is equal to the sum of the following calculations:
 - (a) Original Income Benefit Base with Roll-up: the Original Income Benefit Base, plus 7% of the Original Income Benefit Base for each Contract Anniversary up to and including the 10th Contract Anniversary; plus
 - (b) Purchase Payments with Roll-up: any purchase payments submitted after contract issuance and before the 10th Contract Anniversary, plus any Purchase Payment Credits applied, increased by simple interest at an annual rate of 7% each year from the date of the purchase payment through the 10th Contract Anniversary; plus
 - (c) Purchase Payments with No Roll-up: any purchase payments submitted after the 10th Contract Anniversary plus any Purchase Payment Credits applied.

When a purchase payment and any Purchase Payment Credits are applied on a date other than a Contract Anniversary, simple interest is calculated using a prorated method based upon the number of days from the date of the purchase payment to the next Contract Anniversary. However, if at any time prior to the first Lifetime Withdrawal the Contract Value equals \$0, no additional purchase payments will be accepted and no further benefit base calculations will be made. The Current Income Benefit Base will be set equal to the benefit base calculated on the most recent Contract Anniversary minus adjustments made for excess withdrawals after that date, and the Lifetime Withdrawal Amount will be based on that Current Income Benefit Base. Since the roll-up is only calculated for the first 10 Contract Years or prior to the first Lifetime Withdrawal, whichever comes first, any purchase payments the Contract Owner makes during that time period will increase the Current Income Benefit Base more than purchase payments made after that time period.

Lifetime Withdrawals

At any time after the 7% Nationwide L.inc Rider is elected, the Contract Owner may begin taking the lifetime income benefit by taking a Lifetime Withdrawal from the contract. The first withdrawal under the contract constitutes the first Lifetime Withdrawal, even if such withdrawal is taken to meet minimum distribution requirements under the Internal Revenue Code. Nationwide will surrender Accumulation Units proportionally from the Sub-Accounts as of the date of the withdrawal request. As with any withdrawal, Lifetime Withdrawals reduce the Contract Value and consequently, the amount available for annuitization.

At the time of the first Lifetime Withdrawal, the Current Income Benefit Base is locked in and will not change unless the Contract Owner takes excess withdrawals, elects a reset opportunity (both discussed later in this provision), or submits additional purchase payments. Additional purchase payments submitted after the first Lifetime Withdrawal from the contract will increase the Current Income Benefit Base by the amount of the purchase payment.

Simultaneously, the Lifetime Withdrawal Percentage is determined based on the age of the Contract Owner as indicated in the following table:

For contracts issued on or after December 5, 2011 or the date of state approval (whichever is later):

<u>Contract Owner's Age</u> <u>(at time of first withdrawal)</u>	<u>50 up to 59½</u>	<u>59½ through 64</u>	<u>65 through 80</u>	<u>81 and older</u>
Lifetime Withdrawal Percentage	3.00%	3.75%	4.75%	5.75%

For contracts that elect the Joint Option for the 7% Nationwide Lifetime Income Rider, the Lifetime Withdrawal Percentages will be reduced (see *Joint Option for the 7% Nationwide Lifetime Income Rider (formerly the 7% Spousal Continuation Benefit)*).

For contracts issued before December 5, 2011 or the date of state approval of the changes noted above (whichever is later):

<u>Contract Owner's Age</u> <u>(at time of first withdrawal)</u>	<u>50 up to 59½</u>	<u>59½ through 64</u>	<u>65 through 80</u>	<u>81 and older</u>
Lifetime Withdrawal Percentage	3.00%	4.00%	5.25%	6.25%

A Contract Owner will receive the greatest Lifetime Withdrawal Percentage only if he or she does not take a withdrawal from the contract prior to age 81.

Note: The Internal Revenue Code requires that IRAs, SEP IRAs, Simple IRAs, and Investment-Only Contracts begin distributions no later than April 1 of the calendar year following the calendar year in which the Contract Owner reaches age 70½. **Contract Owners subject to minimum required distribution rules may not be able to take advantage of the Lifetime Withdrawal Percentages available at higher age bands if distributions are taken from the contract to meet these Internal Revenue Code requirements.** Contract Owners who elect not to take minimum required distributions from this contract, *i.e.*, they take minimum required distributions from other sources, may be able to take advantage of Lifetime Withdrawal Percentages at the higher age bands. Consult a qualified tax advisor for more information.

At the time of the first Lifetime Withdrawal and on each Contract Anniversary thereafter, the Lifetime Withdrawal Percentage is multiplied by the Current Income Benefit Base to determine the Lifetime Withdrawal Amount for that year. The Lifetime Withdrawal Amount is the maximum amount that can be withdrawn from the contract before the next Contract Anniversary without reducing the Current Income Benefit Base. The ability to withdraw the Lifetime Withdrawal Amount will continue until the earlier of the Contract Owner's death or annuitization.

The Contract Owner can elect to set up Systematic Withdrawals or can request each Lifetime Withdrawal separately. All Lifetime Withdrawal requests must be made on a Nationwide form available by contacting the Service Center.

Each year's Lifetime Withdrawal Amount is non-cumulative. A Contract Owner cannot take a previous year's Lifetime Withdrawal Amount in a subsequent year without causing an excess withdrawal (discussed herein) that will reduce the Current Income Benefit Base. Although Lifetime Withdrawals up to the Lifetime Withdrawal Amount do not reduce the Current Income Benefit Base, they do reduce the Contract Value and the death benefit.

Impact of Withdrawals in Excess of the Lifetime Withdrawal Amount

The Contract Owner is permitted to withdraw Contract Value in excess of that year's Lifetime Withdrawal Amount provided that the Contract Value is greater than \$0. Withdrawals in excess of the Lifetime Withdrawal Amount will reduce the Current Income Benefit Base, and consequently, the Lifetime Withdrawal Amount calculated for subsequent years. In the event of excess withdrawals, the Current Income Benefit Base will be reduced by the greater of:

- (1) the dollar amount of the withdrawal in excess of the Lifetime Withdrawal Amount; or

- (2) a figure representing the proportional amount of the withdrawal. This amount is determined by the following formula:

$$\frac{\text{dollar amount of the excess withdrawal}}{\text{Contract Value (reduced by the amount of the Lifetime Withdrawal Amount withdrawn)}} \times \text{Current Income Benefit Base prior to the withdrawal}$$

In situations where the Contract Value exceeds the existing Current Income Benefit Base, excess withdrawals will typically result in a dollar amount reduction to the new Current Income Benefit Base. In situations where the Contract Value is less than the existing Current Income Benefit Base, excess withdrawals will typically result in a proportional reduction to the new Current Income Benefit Base.

Currently, Nationwide allows for an "RMD privilege" whereby Nationwide permits a Contract Owner to withdraw Contract Value in excess of the Lifetime Withdrawal Amount without reducing the Current Income Benefit Base if such excess withdrawal is for the sole purpose of meeting Internal Revenue Code required minimum distributions for this contract. This RMD privilege does not apply to beneficially owned contracts. In order to qualify for the RMD privilege, the Contract Owner must:

- (1) be at least 70½ years old as of the date of the request;
- (2) own the contract as an IRA, SEP IRA, Simple IRA, or Investment-Only Contract; and
- (3) submit a completed administrative form in advance of the withdrawal to the Service Center.

Nationwide reserves the right to modify or eliminate the RMD privilege if there is any change to the Internal Revenue Code or IRS rules relating to required minimum distributions, including the issuance of relevant IRS guidance. If Nationwide exercises this right, Nationwide will provide notice to Contract Owners and any withdrawal in excess of the Lifetime Withdrawal Amount will reduce the remaining Current Income Benefit Base.

Once the Contract Value falls to \$0, the Contract Owner is no longer permitted to submit additional purchase payments or take withdrawals in excess of the Lifetime Withdrawal Amount. Additionally, there is no Contract Value to annuitize, making the payment of the benefit associated with this option the only income stream producing benefit remaining in the contract.

Reset Opportunities

Nationwide offers an automatic reset of the Current Income Benefit Base. If, on any Contract Anniversary, the Contract Value exceeds the Current Income Benefit Base, Nationwide will automatically reset the Current Income Benefit Base to equal that Contract Value. This higher amount will be the new Current Income Benefit Base. This automatic reset will continue until either the current price or the list of permitted investment options associated with the 7% Nationwide L.inc Rider changes.

In the event the current price or the list of permitted investment options of the 7% Nationwide L.inc Rider changes, the reset opportunities still exist, but are no longer automatic. An election to reset the Current Income Benefit Base must be made by the Contract Owner to Nationwide. On or about each Contract Anniversary, Nationwide will provide the Contract Owner with information necessary to make this determination. Specifically, Nationwide will provide: the Contract Value; the Current Income Benefit Base; the current terms and conditions associated with the 7% Nationwide L.inc Rider; and instructions on how to communicate an election to reset the benefit base.

If the Contract Owner elects to reset the Current Income Benefit Base, it will be at the then current terms and conditions of the option as described in the most current prospectus. If Nationwide does not receive a Contract Owner's election to reset the Current Income Benefit Base within 60 days after the Contract Anniversary, Nationwide will assume that the Contract Owner does not wish to reset the Current Income Benefit Base. If the Current Income Benefit Base is not reset, it will remain the same and the terms and conditions of the 7% Nationwide L.inc Rider will not change (as applicable to that particular contract).

Contract Owners may cancel the automatic reset feature of the 7% Nationwide L.inc Rider by notifying Nationwide as to such election. Nationwide reserves the right to modify or terminate the automatic reset feature at any time upon written notice to Contract Owners.

Settlement Options

If a Contract Owner's Contract Value falls to \$0 and there is still a positive Current Income Benefit Base, Nationwide will provide the Contract Owner with settlement options. Specifically, Nationwide will provide a notification to the Contract Owner describing the following three options, along with instructions on how to submit the election to Nationwide:

- (1) The Contract Owner can take Lifetime Withdrawals of the Lifetime Withdrawal Amount until the death of the Contract Owner;
- (2) The Contract Owner can elect the Age Based Lump Sum Settlement Option, as described below; or
- (3) If the Contract Owner qualifies after a medical examination, the Contract Owner can elect the Underwritten Lump Sum Settlement Option, as described below.

The options above each result in a different amount ultimately received under the 7% Nationwide Linc Rider. The Underwritten Lump Sum Settlement Option will generally pay a larger amount than the Age Based Lump Sum Settlement Option when a Contract Owner is healthier than the normal population. Regardless of age or health, the Underwritten Lump Sum Settlement Option amount will never be less than the Age Based Lump Sum Settlement Option amount. Election of the Age Based Lump Sum Settlement Option enables the Contract Owner to receive payment without a medical exam, which could potentially delay payment. Before selecting a settlement option, consult with a qualified financial advisor to determine which option is best based on the Contract Owner's individual financial situation and needs.

The Contract Owner will have 60 days from the date of Nationwide's notification letter to make an election ("Notification Period"). Once the Contract Owner makes an election, the election is irrevocable. **If the Contract Owner is receiving Systematic Withdrawals of the Lifetime Withdrawal Amount and does not make an election within the Notification Period, Nationwide will continue sending Systematic Withdrawals of the full amount of the Lifetime Withdrawal Amount to the Contract Owner.** If the Contract Owner had requested Systematic Withdrawals of only a portion of the Lifetime Withdrawal Amount prior to the notice, Systematic Withdrawals will continue, but Nationwide will increase the Lifetime Withdrawals to the full amount of the Lifetime Withdrawal Amount.

If the Contract Owner is not taking Systematic Withdrawals of the Lifetime Withdrawal Amount and does not make an election within the Notification Period, Nationwide will initiate Systematic Withdrawals of the Lifetime Withdrawal Amount on behalf of the Contract Owner and will begin mailing to the Contract Owner on an annual basis an amount equal to the Lifetime Withdrawal Amount. If Nationwide initiates Systematic Withdrawals of the Lifetime Withdrawal Amount on behalf of the Contract Owner, it will be irrevocable. If Nationwide initiates Systematic Withdrawals of the Lifetime Withdrawal Amount on behalf of the Contract Owner, the first payment of the Lifetime Withdrawal Amount will be sent on the next business day following the Notification Period ("Settlement Payment Date"). Nationwide will then send the Contract Owner the Lifetime Withdrawal Amount annually on the anniversary of the Settlement Payment Date (or the next business day if the anniversary of the Settlement Payment Date does not fall on a business day). Nationwide will mail a check to the Contract Owner's address on record. The Contract Owner may contact the Service Center at any time to change the frequency of the Systematic Withdrawals.

Note: In any event, if the Contract Owner does not make an election within the Notification Period, Nationwide will send the Contract Owner the full amount of the Lifetime Withdrawal Amount to which he/she is entitled to each year. There may be tax consequences if Nationwide increases or initiates the Lifetime Withdrawals on behalf of a Contract Owner. Consult a qualified tax advisor.

Age Based Lump Sum Settlement Option

Under the Age Based Lump Sum Settlement Option, in lieu of taking Lifetime Withdrawals of the Lifetime Withdrawal Amount, Nationwide will pay the Contract Owner a lump sum equal to the Contract Owner's most recently calculated Lifetime Withdrawal Amount multiplied by the Annual Benefit Multiplier listed below:

<u>Contract Owner's Age*</u>	<u>Up to Age 70</u>	<u>71-75</u>	<u>76-80</u>	<u>81-85</u>	<u>86-90</u>	<u>91-95</u>	<u>96+</u>
Annual Benefit Multiplier.....	5.5	4.5	3.5	2.5	2.0	1.5	1.0

* As of the date the Age Based Lump Sum Option is elected.

For contracts that have elected the Joint Option for the 7% Nationwide Lifetime Income Rider, if both spouses are living on the date the Age Based Lump Sum Settlement Option is elected, Nationwide will use the age of the younger spouse minus three years to determine the Annual Benefit Multiplier. If only one spouse is living on the date the Age Based Lump Sum Settlement Option is elected, Nationwide will use the age of the living spouse to determine the Annual Benefit Multiplier.

Underwritten Lump Sum Settlement Option

Under the Underwritten Lump Sum Settlement Option, in lieu of taking Lifetime Withdrawals of the Lifetime Withdrawal Amount, for those who qualify based on a medical exam, Nationwide will pay the Contract Owner a lump sum based upon the attained age, sex, and health of the Contract Owner (and spouse if the Joint Option for the 7% Nationwide Lifetime Income Rider is elected). Once Nationwide receives the Contract Owner's election to take the Underwritten Lump Sum Settlement Option, Nationwide will provide the Contract Owner with a medical examination form, which must be completed

by a certified physician chosen by the Contract Owner and returned to the Service Center within 30 days. Upon completion of underwriting by Nationwide, the lump sum settlement amount (determined as of the date that Nationwide received all of the necessary information) is issued to the Contract Owner. If Nationwide does not receive the completed form within the 30-day period, Nationwide will pay the Contract Owner the amount that would be payable under the Age Based Lump Sum Settlement Option.

Annuitization

If the Contract Owner elects to annuitize the contract, this option will terminate. Specifically, the charge associated with the option will no longer be assessed and all benefits associated with the 7% Nationwide L.inc Rider will terminate.

Death of Determining Life

For contracts with no Joint Option for the 7% Nationwide Lifetime Income Rider, upon the death of the determining life, the benefits associated with the option terminate. If the Contract Owner is also the Annuitant, the death benefit will be paid in accordance with the *Death Benefits* provision. If the Contract Owner is not the Annuitant, the Contract Value will be distributed as described in *Appendix C: Contract Types and Tax Information*.

For contracts with the Joint Option for the 7% Nationwide Lifetime Income Rider, upon the death of the determining life, the surviving spouse continues to receive the same benefit associated with the 7% Nationwide L.inc Rider which had been received by the deceased spouse, for the remainder of the survivor's lifetime. The Contract Value will reflect the death benefit and the Spousal Protection Feature.

Tax Treatment

Although the tax treatment for Lifetime Withdrawals under withdrawal benefits such as the 7% Nationwide L.inc Rider is not clear, Nationwide will treat a portion of each Lifetime Withdrawal as a taxable distribution, as follows:

First, Nationwide determines which is greater: (1) the Contract Value immediately before the Lifetime Withdrawal; or (2) the Lifetime Withdrawal Amount immediately before the Lifetime Withdrawal. That amount (the greater of (1) or (2)) minus any remaining investment in the contract at the time of the Lifetime Withdrawal will be reported as a taxable distribution.

For any Lifetime Withdrawal taken when the Contract Value is less than or equal to the total investment in the contract, Nationwide treats the Lifetime Withdrawal as a tax-free return of investment until the entire investment in the contract has been received tax-free. Once the entire investment in the contract has been received tax-free, Lifetime Withdrawals will be reported as taxable distributions. Consult a qualified tax advisor.

5% Nationwide Lifetime Income Rider (formerly the 5% Lifetime Income Option)

The 5% Nationwide Lifetime Income Rider (the "5% Nationwide L.inc Rider") provides for Lifetime Withdrawals, up to a certain amount each year, even after the Contract Value is \$0, provided that the Contract Owner does not deplete the Current Income Benefit Base by taking excess withdrawals. Investment restrictions apply. The age of the person upon which the benefit depends (the "determining life") must be between 45 and 85 years old at the time of application. For most contracts, the determining life is that of the Contract Owner. For those contracts where the Contract Owner is a non-natural person, for purposes of this option, the determining life is that of the Annuitant, and all references in this option to "Contract Owner" shall mean Annuitant. If, in addition to the Annuitant, a Co-Annuitant or Joint Annuitant has been elected, the determining life will be that of the primary Annuitant as named on the application. The determining life may not be changed.

Availability

The 5% Nationwide Lifetime Income Rider is available under the contract at the time of application. The 5% Nationwide L.inc Rider is not available on beneficially owned contracts – those contracts that are inherited by a beneficiary and the beneficiary continues to hold the contract as a beneficiary (as opposed to treating the contract as his/her own) for tax purposes. However, contracts that are purchased in the normal course of business with the 5% Nationwide L.inc Rider may keep the 5% Nationwide L.inc Rider even after such contract becomes beneficially owned. However, once a contract becomes beneficially owned, the contract will not receive the benefit of the RMD privilege discussed later in this section.

5% Nationwide L.inc Rider Charge

In exchange for Lifetime Withdrawals, Nationwide will assess an annual charge not to exceed 1.00% of the Current Income Benefit Base. Currently, the charge for the 5% Nationwide Lifetime Income Rider is 0.75% of the Current Income Benefit Base. The current charge will not change, except, possibly, upon the Contract Owner's election to reset the benefit base, as discussed herein. If the current charge does change, it will not exceed the maximum charge of 1.00% of the Current Income Benefit Base.

The charge will be assessed on each anniversary of the date the 5% Nationwide L.inc Rider was elected (each a "5% Nationwide L.inc Anniversary") and will be deducted via redemption of Accumulation Units. A prorated charge will also be deducted upon full surrender of the contract. Accumulation Units will be redeemed proportionally from each Sub-Account in which the Contract Owner is invested at the time the charge is taken. Amounts redeemed as the 5% Nationwide L.inc Rider charge will not negatively impact calculations associated with other benefits elected or available under the contract, will not be subject to a CDSC, and will not reduce amounts available under the CDSC-free withdrawal privilege.

Lifetime Income Rider Investment Requirements

Election of the 5% Nationwide L.inc Rider requires that the Contract Owner, until annuitization, allocate the entire Contract Value to a limited set of investment options currently available in the contract. For the list of available investment options, see *Income Benefit Investment Options*. Allocation requests to investment options other than those listed in the *Income Benefit Investment Options* section will not be honored; they will be treated as though no allocation request was submitted. Nationwide may offer Dollar Cost Averaging for Living Benefits described in the *Contract Owner Services* provision. Allocation to the Fixed Account is not permitted (except as the originating account when the Contract Owner elects Dollar Cost Averaging for Living Benefits).

Transfers Among Permitted Investment Options

The Contract Owner may reallocate the Contract Value among the limited set of investment options in accordance with the *Transfers Prior to Annuitization* provision. The Contract Owner may reallocate the Contract Value within the Custom Portfolio Asset Rebalancing Service in accordance with that provision. Additionally, Contract Owners may change from the Custom Portfolio Asset Rebalancing Service to the permitted investment options, and vice versa.

Subsequent Purchase Payments

Subsequent purchase payments are permitted under the 5% Nationwide L.inc Rider as long as the Contract Value is greater than \$0. There may be instances where a subsequent purchase payment creates a financial risk that Nationwide is unwilling to bear. If this occurs, Nationwide may exercise its right to refuse subsequent purchase payments which total in aggregate \$50,000 or more in any calendar year. The \$50,000 threshold will take into consideration all contracts issued by Nationwide to a particular Contract Owner or using the same determining life. If Nationwide exercises this right to refuse a purchase payment, the entire purchase payment that causes the aggregate amount to exceed \$50,000 will be immediately returned to the Contract Owner in the same form in which it was received. Generally, Nationwide may invoke this right in times of economic instability. Contract Owners may contact the Service Center to find out if Nationwide will accept a particular subsequent purchase payment.

Determination of the Income Benefit Base Prior to the First Withdrawal

Upon contract issuance, the Original Income Benefit Base is equal to the Contract Value. Thereafter, Nationwide tracks, on a continuous basis, the Current Income Benefit Base which is used to calculate the Lifetime Withdrawal Amount. The Current Income Benefit Base from the date of contract issuance until the first Lifetime Withdrawal will reflect any additional purchase payments, Purchase Payment Credits, and reset opportunities, as described below.

Provided no withdrawals are taken from the contract, the Current Income Benefit Base for the 5% Nationwide L.inc Rider will equal the greater of:

- (1) the highest Contract Value on any Contract Anniversary plus purchase payments submitted and any Purchase Payment Credits applied after that Contract Anniversary; or
- (2) the 5% roll-up amount, which is equal to the sum of the following calculations:
 - (a) Original Income Benefit Base with Roll-up: the Original Income Benefit Base, plus 5% of the Original Income Benefit Base for each Contract Anniversary up to and including the 10th Contract Anniversary; plus
 - (b) Purchase Payments with Roll-up: any purchase payments submitted after contract issuance and before the 10th Contract Anniversary, plus any Purchase Payment Credits applied, increased by simple interest at an annual rate of 5% each year from the date of the purchase payment through the 10th Contract Anniversary; plus
 - (c) Purchase Payments with No Roll-up: any purchase payments submitted after the 10th Contract Anniversary plus any Purchase Payment Credits applied.

When a purchase payment and any Purchase Payment Credits are applied on a date other than a Contract Anniversary, simple interest is calculated using a prorated method based upon the number of days from the date of the purchase payment to the next Contract Anniversary. However, if at any time prior to the first withdrawal the Contract Value equals \$0, no additional purchase payments will be accepted and no further benefit base calculations will be made. The Current Income Benefit Base will be set equal to the benefit base calculated on the most recent Contract Anniversary minus

adjustments made for excess withdrawals after that date, and the Lifetime Withdrawal Amount will be based on that Current Income Benefit Base. Since the roll-up is only calculated for the first 10 Contract Years or prior to the first withdrawal, whichever comes first, any purchase payments the Contract Owner makes during that time period will increase the Current Income Benefit Base more than purchase payments made after that time period.

Lifetime Withdrawals

At any time after the 5% Nationwide L.inc Rider is elected, the Contract Owner may begin taking the Lifetime Withdrawal Amount by taking a withdrawal from the contract. The first withdrawal under the contract after the option is elected constitutes the first Lifetime Withdrawal, even if such withdrawal is taken to meet minimum distribution requirements under the Internal Revenue Code. Nationwide will surrender Accumulation Units proportionally from the Sub-Accounts as of the date of the withdrawal request. As with any withdrawal, Lifetime Withdrawals reduce the Contract Value and consequently, the amount available for annuitization.

At the time of the first Lifetime Withdrawal, the Current Income Benefit Base is locked in and will not change unless the Contract Owner takes excess withdrawals, elects a reset opportunity (both discussed later in this provision), or submits additional purchase payments. Additional purchase payments submitted after the first Lifetime Withdrawal will increase the Current Income Benefit Base by the amount of the purchase payment.

Simultaneously, the Lifetime Withdrawal Percentage is determined based on the age of the Contract Owner as indicated in the following table:

Contract Owner's Age (at time of first lifetime income withdrawal)	<u>45 up to 59½</u>	<u>59½ through 64</u>	<u>65 through 80</u>	<u>81 and older</u>
Lifetime Withdrawal Percentage.....	3.00%	3.50%	4.50%	5.50%

For contracts issued on or after December 5, 2011, or the date of state approval (whichever is later) that elect the 5% Spousal Continuation Benefit, the Lifetime Withdrawal Percentages will be equal to or less than the Lifetime Withdrawal Percentages above (see *Joint Option for the 5% Nationwide Lifetime Income Rider (formerly the 5% Spousal Continuation Benefit)*).

A Contract Owner will receive the greatest Lifetime Withdrawal Percentage only if he or she does not take a withdrawal from the contract prior to age 81.

Note: The Internal Revenue Code requires that IRAs, SEP IRAs, Simple IRAs, and Investment-Only Contracts begin distributions no later than April 1 of the calendar year following the calendar year in which the Contract Owner reaches age 70½. **Contract Owners subject to minimum required distribution rules may not be able to take advantage of the Lifetime Withdrawal Percentages available at higher age bands if distributions are taken from the contract to meet these Internal Revenue Code requirements.** Contract Owners who elect not to take minimum required distributions from this contract, i.e., they take minimum required distributions from other sources, may be able to take advantage of Lifetime Withdrawal Percentages at the higher age bands. Consult a qualified tax advisor for more information.

At the time of the first Lifetime Withdrawal and on 5% Nationwide L.inc Anniversary thereafter, the Lifetime Withdrawal Percentage is multiplied by the Current Income Benefit Base to determine the Lifetime Withdrawal Amount for that year. The Lifetime Withdrawal Amount is the maximum amount that can be withdrawn from the contract before the next 5% Nationwide L.inc Anniversary without reducing the Current Income Benefit Base. The ability to withdraw the Lifetime Withdrawal Amount will continue until the earlier of the Contract Owner's death or annuitization.

The Contract Owner can elect to set up Systematic Withdrawals or can request each withdrawal separately. All Lifetime Withdrawal requests must be made on a Nationwide form available by contacting the Service Center.

Each year's Lifetime Withdrawal Amount is non-cumulative. A Contract Owner cannot take a previous year's Lifetime Withdrawal Amount in a subsequent year without causing an excess withdrawal (discussed herein) that will reduce the Current Income Benefit Base. Although Lifetime Withdrawals up to the Lifetime Withdrawal Amount do not reduce the Current Income Benefit Base, they do reduce the Contract Value and the death benefit.

Impact of Withdrawals in Excess of the Lifetime Withdrawal Amount

The Contract Owner is permitted to withdraw Contract Value in excess of that year's Lifetime Withdrawal Amount provided that the Contract Value is greater than \$0. Withdrawals in excess of the Lifetime Withdrawal Amount will reduce the Current Income Benefit Base, and consequently, the Lifetime Withdrawal Amount calculated for subsequent years. In the event of excess withdrawals, the Current Income Benefit Base will be reduced by the greater of:

- (1) the dollar amount of the withdrawal in excess of the Lifetime Withdrawal Amount; or

- (2) a figure representing the proportional amount of the withdrawal. This amount is determined by the following formula:

$$\frac{\text{dollar amount of the excess withdrawal}}{\text{Contract Value (reduced by the amount of the Lifetime Withdrawal Amount withdrawn)}} \times \text{Current Income Benefit Base prior to the withdrawal}$$

In situations where the Contract Value exceeds the existing Current Income Benefit Base, excess withdrawals will typically result in a dollar amount reduction to the new Current Income Benefit Base. In situations where the Contract Value is less than the existing Current Income Benefit Base, excess withdrawals will typically result in a proportional reduction to the new Current Income Benefit Base.

Currently, Nationwide allows for an "RMD privilege" whereby Nationwide permits a Contract Owner to withdraw Contract Value in excess of the Lifetime Withdrawal Amount without reducing the Current Income Benefit Base if such excess withdrawal is for the sole purpose of meeting Internal Revenue Code required minimum distributions for this contract. This RMD privilege does not apply to beneficially owned contracts. In order to qualify for the RMD privilege, the Contract Owner must:

- (1) be at least 70½ years old as of the date of the request;
- (2) own the contract as an IRA, SEP IRA, Simple IRA, or Investment-Only Contract; and
- (3) submit a completed administrative form in advance of the withdrawal to the Service Center.

Nationwide reserves the right to modify or eliminate the RMD privilege if there is any change to the Internal Revenue Code or IRS rules relating to required minimum distributions, including the issuance of relevant IRS guidance. If Nationwide exercises this right, Nationwide will provide notice to Contract Owners and any withdrawal in excess of the Lifetime Withdrawal Amount will reduce the remaining Current Income Benefit Base.

Once the Contract Value falls to \$0, the Contract Owner is no longer permitted to submit additional purchase payments or take withdrawals in excess of the Lifetime Withdrawal Amount. Additionally, there is no Contract Value to annuitize, making the payment of the Lifetime Withdrawal Amount associated with this option the only income stream producing benefit remaining in the contract.

Reset Opportunities

Nationwide offers an automatic reset of the Current Income Benefit Base. If, on any 5% Nationwide L.inc Anniversary, the Contract Value exceeds the Current Income Benefit Base, Nationwide will automatically reset the Current Income Benefit Base to equal that Contract Value. This higher amount will be the new Current Income Benefit Base. This automatic reset will continue until either the current price or the list of permitted investment options associated with the 5% Nationwide L.inc Rider changes.

In the event the current price or the list of permitted investment options of the 5% Nationwide L.inc Rider changes, the reset opportunities still exist, but are no longer automatic. An election to reset the Current Income Benefit Base must be made by the Contract Owner to Nationwide. On or about each 5% Nationwide L.inc Anniversary, Nationwide will provide the Contract Owner with information necessary to make this determination. Specifically, Nationwide will provide: the Contract Value; the Current Income Benefit Base; the current terms and conditions associated with the 5% Nationwide L.inc Rider; and instructions on how to communicate an election to reset the benefit base.

If the Contract Owner elects to reset the Current Income Benefit Base, it will be at the then current terms and conditions of the option as described in the most current prospectus. If Nationwide does not receive a Contract Owner's election to reset the Current Income Benefit Base within 60 days after the 5% Nationwide L.inc Anniversary, Nationwide will assume that the Contract Owner does not wish to reset the Current Income Benefit Base. If the Current Income Benefit Base is not reset, it will remain the same and the terms and conditions of the 5% Nationwide L.inc Rider will not change (as applicable to that particular contract).

Contract Owners may cancel the automatic reset feature of the 5% Nationwide L.inc Rider by notifying Nationwide as to such election. Nationwide reserves the right to modify or terminate the automatic reset feature at any time upon written notice to Contract Owners.

Settlement Options

If a Contract Owner's Contract Value falls to \$0 and there is still a positive Current Income Benefit Base, Nationwide will provide the Contract Owner with settlement options. Specifically, Nationwide will provide a notification to the Contract Owner describing the following three options, along with instructions on how to submit the election to Nationwide:

- (1) The Contract Owner can take Lifetime Withdrawals of the Lifetime Withdrawal Amount until the death of the Contract Owner;
- (2) The Contract Owner can elect the Age Based Lump Sum Settlement Option, as described below; or
- (3) If the Contract Owner qualifies after a medical examination, the Contract Owner can elect the Underwritten Lump Sum Settlement Option, as described below.

The options above each result in a different amount ultimately received under the 5% Nationwide L.inc Rider. The Underwritten Lump Sum Settlement Option will generally pay a larger amount than the Age Based Lump Sum Settlement Option when a Contract Owner is healthier than the normal population. Regardless of age or health, the Underwritten Lump Sum Settlement Option amount will never be less than the Age Based Lump Sum Settlement Option amount. Election of the Age Based Lump Sum Settlement Option enables the Contract Owner to receive payment without a medical exam, which could potentially delay payment. Before selecting a settlement option, consult with a qualified financial advisor to determine which option is best based on the Contract Owner's individual financial situation and needs.

The Contract Owner will have 60 days from the date of Nationwide's notification letter to make an election ("Notification Period"). Once the Contract Owner makes an election, the election is irrevocable. **If the Contract Owner is receiving Systematic Withdrawals of the Lifetime Withdrawal Amount and does not make an election within the Notification Period, Nationwide will continue sending Systematic Withdrawals of the full amount of the Lifetime Withdrawal Amount to the Contract Owner.** If the Contract Owner had requested Systematic Withdrawals of only a portion of the Lifetime Withdrawal Amount prior to the notice, Systematic Withdrawals will continue, but Nationwide will increase the Lifetime Withdrawals to the full amount of the Lifetime Withdrawal Amount.

If the Contract Owner is not taking Systematic Withdrawals of the Lifetime Withdrawal Amount and does not make an election within the Notification Period, Nationwide will initiate Systematic Withdrawals of the Lifetime Withdrawal Amount on behalf of the Contract Owner and will begin mailing to the Contract Owner on an annual basis an amount equal to the Lifetime Withdrawal Amount. If Nationwide initiates Systematic Withdrawals of the Lifetime Withdrawal Amount on behalf of the Contract Owner, it will be irrevocable. If Nationwide initiates Systematic Withdrawals of the Lifetime Withdrawal Amount on behalf of the Contract Owner, the first payment of the Lifetime Withdrawal Amount will be sent on the next business day following the Notification Period ("Settlement Payment Date"). Nationwide will then send the Contract Owner the Lifetime Withdrawal Amount annually on the anniversary of the Settlement Payment Date (or the next business day if the anniversary of the Settlement Payment Date does not fall on a business day). Nationwide will mail a check to the Contract Owner's address on record. The Contract Owner may contact the Service Center at any time to change the frequency of the Systematic Withdrawals.

Note: In any event, if the Contract Owner does not make an election within the Notification Period, Nationwide will send the Contract Owner the full amount of the Lifetime Withdrawal Amount to which he/she is entitled to each year. There may be tax consequences if Nationwide increases or initiates the Lifetime Withdrawals on behalf of a Contract Owner. Consult a qualified tax advisor.

Age Based Lump Sum Settlement Option

Under the Age Based Lump Sum Settlement Option, in lieu of taking Lifetime Withdrawals of the Lifetime Withdrawal Amount, Nationwide will pay the Contract Owner a lump sum equal to the Contract Owner's most recently calculated Lifetime Withdrawal Amount multiplied by the Annual Benefit Multiplier listed below:

<u>Contract Owner's Age*</u>	<u>Up to Age 70</u>	<u>71-75</u>	<u>76-80</u>	<u>81-85</u>	<u>86-90</u>	<u>91-95</u>	<u>96+</u>
Annual Benefit Multiplier.....	5.5	4.5	3.5	2.5	2.0	1.5	1.0

* As of the date the Age Based Lump Sum Option is elected.

For contracts that have elected the Joint Option for the 5% Nationwide Lifetime Income Rider, if both spouses are living on the date the Age Based Lump Sum Settlement Option is elected, Nationwide will use the age of the younger spouse minus three years to determine the Annual Benefit Multiplier. If only one spouse is living on the date the Age Based Lump Sum Settlement Option is elected, Nationwide will use the age of the living spouse to determine the Annual Benefit Multiplier.

Underwritten Lump Sum Settlement Option

Under the Underwritten Lump Sum Settlement Option, in lieu of taking Lifetime Withdrawals of the Lifetime Withdrawal Amount, for those who qualify based on a medical exam, Nationwide will pay the Contract Owner a lump sum based upon the attained age, sex, and health of the Contract Owner (and spouse if the Joint Option for the 5% Nationwide Lifetime Income Rider is elected). Once Nationwide receives the Contract Owner's election to take the Underwritten Lump Sum Settlement Option, Nationwide will provide the Contract Owner with a medical examination form, which must be completed

by a certified physician chosen by the Contract Owner and returned to the Service Center within 30 days. Upon completion of underwriting by Nationwide, the lump sum settlement amount (determined as of the date that Nationwide received all of the necessary information) is issued to the Contract Owner. If Nationwide does not receive the completed form within the 30-day period, Nationwide will pay the Contract Owner the amount that would be payable under the Age Based Lump Sum Settlement Option.

Annuitization

If the Contract Owner elects to annuitize the contract, this option will terminate. Specifically, the charge associated with the option will no longer be assessed and all benefits associated with the 5% Nationwide L.inc Rider will terminate.

Death of Determining Life

For contracts with no Joint Option for the 5% Nationwide Lifetime Income Rider, upon the death of the determining life, the benefits associated with the option terminate. If the Contract Owner is also the Annuitant, the death benefit will be paid in accordance with the *Death Benefits* provision. If the Contract Owner is not the Annuitant, the Contract Value will be distributed as described in *Appendix C: Contract Types and Tax Information*.

For contracts with the Joint Option for the 5% Nationwide Lifetime Income Rider, upon the death of the determining life, the surviving spouse continues to receive the same benefit associated with the 5% Nationwide L.inc Rider which had been received by the deceased spouse, for the remainder of the survivor's lifetime. The Contract Value will reflect the death benefit and the Spousal Protection Feature.

Tax Treatment

Although the tax treatment for withdrawals under withdrawal benefits such as the 5% Nationwide Lifetime Income Rider is not clear, Nationwide will treat a portion of each Lifetime Withdrawal as a taxable distribution, as follows:

First, Nationwide determines which is greater: (1) the Contract Value immediately before the Lifetime Withdrawal; or (2) the Lifetime Withdrawal Amount immediately before the Lifetime Withdrawal. That amount (the greater of (1) or (2)) minus any remaining investment in the contract at the time of the Lifetime Withdrawal will be reported as a taxable distribution.

For any Lifetime Withdrawal taken when the Contract Value is less than or equal to the total investment in the contract, Nationwide treats the Lifetime Withdrawal as a tax-free return of investment until the entire investment in the contract has been received tax-free. Once the entire investment in the contract has been received tax-free, Lifetime Withdrawals will be reported as taxable distributions. Consult a qualified tax advisor.

Joint Option for the 7% Nationwide Lifetime Income Rider (formerly the 7% Spousal Continuation Benefit)

At the time the 7% Nationwide Lifetime Income ("7% Nationwide L.inc") Rider is elected (at time of application), the Contract Owner may elect the Joint Option for the 7% Nationwide Lifetime Income Rider ("Joint Option") (not available for contracts issued as Charitable Remainder Trusts). The Joint Option allows a surviving spouse to continue to receive, for the duration of his/her lifetime, the benefit associated with the 7% Nationwide L.inc Rider, provided certain conditions are met. Once the Joint Option is elected, it may not be removed from the contract, except as provided in the *Marriage Termination* section. If the Joint Option is elected, the determining life for purposes of the 7% Nationwide L.inc Rider will be that of the younger spouse. The Joint Option is not available for contracts issued as Charitable Remainder Trusts.

The charge for the 7% Spousal Continuation Benefit will not exceed 0.30% of the Current Income Benefit Base. For contracts issued on or after December 5, 2011 or the date of state approval (whichever is later) that elect the 7% Spousal Continuation Benefit, there is no charge for the this option. However, Nationwide will reduce the Lifetime Withdrawal Percentages associated with the 7% Nationwide Linc Option as follows:

Contract Owner's Age (at time of first withdrawal)	50 up to 59½	59½ through 64	65 through 80	81 and older
Lifetime Withdrawal Percentage.....	3.00%	3.25%	4.25%	5.25%

The Lifetime Withdrawal Percentage will be based on the age of the younger spouse as of the date of the first withdrawal from the contract.

For contracts issued before December 5, 2011 or the date of state approval (whichever is later) that elected the 7% Spousal Continuation Benefit, the current charge is 0.15% of the Current Income Benefit Base and there is no reduction to the Lifetime Withdrawal Percentages associated with the 7% Lifetime Income Option.

To be eligible for the Joint Option, the following conditions must be met:

- (1) Both spouses must be between 50 and 85 years old at the time of application;

- (2) Both spouses must be at least age 50 before either spouse is eligible to begin withdrawals. **Note:** the Internal Revenue Code imposes a penalty tax if a distribution is made before the Contract Owner reaches age 59½ unless certain exceptions are met (see *Appendix C: Contract Types and Tax Information*);
- (3) If the Contract Owner is a non-natural person, both spouses must be named as Co-Annuitants;
- (4) One or both spouses (or a revocable trust of which either or both of the spouses is/are grantor(s)) must be named as the Contract Owner. For contracts issued as IRAs and Roth IRAs, only the person for whom the IRA or Roth IRA was established may be named as the Contract Owner;
- (5) Both spouses must be named as primary beneficiaries;
- (6) No person other than the spouse may be named as Contract Owner, Annuitant, or primary beneficiary; and
- (7) If both spouses are alive upon annuitization, the Contract Owner must specify which spouse is the Annuitant upon whose continuation of life any annuity payments involving life contingencies depend (for IRA and Roth IRA contracts, this person must be the Contract Owner).

Note: The Joint Option is distinct from the Spousal Protection Feature associated with the death benefits. The Joint Option allows a surviving spouse to continue receiving the Lifetime Withdrawals associated with the 7% Nationwide L.inc Rider. In contrast, the Spousal Protection Feature is a death benefit bump-up feature associated with the death benefit.

Marriage Termination

If, prior to taking any withdrawals from the contract, the marriage terminates due to divorce, dissolution, or annulment, the Contract Owner may remove the Joint Option from the contract. Nationwide will remove the benefit and the associated charge after the Contract Owner submits to the Service Center a written request and evidence of the marriage termination satisfactory to Nationwide. Once the Joint Option is removed from the contract, the benefit may not be re-elected or added to cover a subsequent spouse.

If, after taking any withdrawals from the contract, the marriage terminates due to divorce, dissolution, or annulment, the Contract Owner may not remove the Joint Option from the contract.

Risks Associated with Electing the Joint Option

There are situations where a Contract Owner who elects the Joint Option will not receive the benefits associated with the option. This will occur if:

- (1) the Contract Owner's spouse (Co-Annuitant) dies before him/her;
- (2) the contract is annuitized; or
- (3) after the first withdrawal, the marriage terminates due to divorce, dissolution, or annulment.

Additionally, in the situations described in (1) and (3) above, not only will the Contract Owner not receive the benefit associated with the Joint Option, but he/she must continue to pay any applicable charge until annuitization.

Joint Option for the 5% Nationwide Lifetime Income Rider (formerly the 5% Spousal Continuation Benefit)

At the time the 5% Nationwide Lifetime Income ("5% Nationwide L.inc") Rider is elected, the Contract Owner may elect the Joint Option for the 5% Nationwide Lifetime Income Rider ("Joint Option") (not available for contracts issued as Charitable Remainder Trusts). The Joint Option allows a surviving spouse to continue to receive, for the duration of his/her lifetime, the benefit associated with the 5% Nationwide L.inc Rider, provided certain conditions are met. Once the Joint Option is elected, it may not be removed from the contract, except as provided in the *Marriage Termination* section. If the Joint Option is elected, the determining life for purposes of the 5% Nationwide L.inc Rider will be that of the younger spouse. The Joint Option is only available for election at the time of application if the 5% Nationwide Lifetime Income Rider is elected. The Joint Option is not available for contracts issued as Charitable Remainder Trusts.

The charge for the 5% Spousal Continuation Benefit will not exceed 0.15% of the Current Income Benefit Base. For contracts issued on or after December 5, 2011, or the date of state approval (whichever is later) that elect the 5% Spousal Continuation Benefit, there is no charge for this option. However, Nationwide will reduce the Lifetime Withdrawal Percentages associated with the 5% Nationwide Linc Option as follows:

Contract Owner's Age (at time of first withdrawal)	45 up to 59½	59½ through 64	65 through 80	81 and older
Lifetime Withdrawal Percentage	3.00%	3.00%	4.00%	5.00%

The Lifetime Withdrawal Percentage will be based on the age of the younger spouse as of the date of the first withdrawal from the contract.

For contracts issued before December 5, 2011, or the date of state approval (whichever is later) that elect the 5% Spousal Continuation Benefit, the current charge is 0.15% of the Current Income Benefit Base and there is no reduction to the Lifetime Withdrawal Percentages associated with the 5% Nationwide Linc Option.

To be eligible for the Joint Option, the following conditions must be met:

- (1) Both spouses must be between 45 and 85 years old at the time of application;
- (2) Both spouses must be at least age 45 before either spouse is eligible to begin withdrawals. **Note:** the Internal Revenue Code imposes a penalty tax if a distribution is made before the Contract Owner reaches age 59½ unless certain exceptions are met (see *Appendix C: Contract Types and Tax Information*);
- (3) If the Contract Owner is a non-natural person, both spouses must be named as Co-Annuitants;
- (4) One or both spouses (or a revocable trust of which either or both of the spouses is/are grantor(s)) must be named as the Contract Owner. For contracts issued as IRAs and Roth IRAs, only the person for whom the IRA or Roth IRA was established may be named as the Contract Owner;
- (5) Both spouses must be named as primary beneficiaries;
- (6) No person other than the spouse may be named as Contract Owner, Annuitant, or primary beneficiary; and
- (7) If both spouses are alive upon annuitization, the Contract Owner must specify which spouse is the Annuitant upon whose continuation of life any annuity payments involving life contingencies depend (for IRA and Roth IRA contracts, this person must be the Contract Owner).

Note: The Joint Option is distinct from the Spousal Protection Feature associated with the death benefits. The Joint Option allows a surviving spouse to continue receiving the Lifetime Withdrawals associated with the 5% Nationwide Linc Rider. In contrast, the Spousal Protection Feature is a death benefit bump-up feature associated with the death benefit.

Marriage Termination

If, prior to taking any withdrawals from the contract, the marriage terminates due to divorce, dissolution, or annulment, the Contract Owner may remove the Joint Option from the contract. Nationwide will remove the benefit and the associated charge after the Contract Owner submits to the Service Center a written request and evidence of the marriage termination satisfactory to Nationwide. Once the Joint Option is removed from the contract, the benefit may not be re-elected or added to cover a subsequent spouse.

If, after taking any withdrawals from the contract, the marriage terminates due to divorce, dissolution, or annulment, the Contract Owner may not remove the Joint Option from the contract.

Risks Associated with Electing the Joint Option

There are situations where a Contract Owner who elects the Joint Option will not receive the benefits associated with the option. This will occur if:

- (1) the Contract Owner's spouse (Co-Annuitant) dies before him/her;
- (2) the contract is annuitized; or
- (3) after the first withdrawal, the marriage terminates due to divorce, dissolution, or annulment.

Additionally, in the situations described in (1) and (3) above, not only will the Contract Owner not receive the benefit associated with the Joint Option, but he/she must continue to pay any applicable charge until annuitization.

Income Benefit Investment Options

Following is a list of the investment options that are permitted when the 10% Nationwide Lifetime Income Rider, 7% Nationwide Lifetime Income Rider, or 5% Nationwide Lifetime Income Rider is elected. Only the investment options shown are available for election.

- Custom Portfolio Asset Rebalancing Service - Balanced
- Custom Portfolio Asset Rebalancing Service - Capital Appreciation
- Custom Portfolio Asset Rebalancing Service - Conservative
- Custom Portfolio Asset Rebalancing Service - Moderate
- Custom Portfolio Asset Rebalancing Service - Moderately Conservative
- Fidelity Variable Insurance Products Fund - Fidelity VIP Freedom Fund 2010 Portfolio: Service Class 2
- Fidelity Variable Insurance Products Fund - Fidelity VIP Freedom Fund 2020 Portfolio: Service Class 2
- Nationwide Variable Insurance Trust - American Funds NVIT Asset Allocation Fund: Class II
- Nationwide Variable Insurance Trust - NVIT Cardinal(SM) Balanced Fund: Class II

- Nationwide Variable Insurance Trust - NVIT Cardinal(SM) Capital Appreciation Fund: Class II
- Nationwide Variable Insurance Trust - NVIT Cardinal(SM) Conservative Fund: Class II
- Nationwide Variable Insurance Trust - NVIT Cardinal(SM) Moderate Fund: Class II
- Nationwide Variable Insurance Trust - NVIT Cardinal(SM) Moderately Conservative Fund: Class II
- Nationwide Variable Insurance Trust - NVIT Investor Destinations Balanced Fund: Class II
- Nationwide Variable Insurance Trust - NVIT Investor Destinations Capital Appreciation Fund: Class II
- Nationwide Variable Insurance Trust - NVIT Investor Destinations Conservative Fund: Class II
- Nationwide Variable Insurance Trust - NVIT Investor Destinations Moderate Fund: Class II
- Nationwide Variable Insurance Trust - NVIT Investor Destinations Moderately Conservative Fund: Class II
- Static Asset Allocation Models - American Funds Option (33% American Funds NVIT Asset Allocation Fund, 33% American Funds NVIT Bond Fund and 34% American Funds NVIT Growth-Income Fund)

Note: Some of the investment options listed are funds of funds. Additionally, some of the indicated investment options may not be available to a particular Contract Owner due to the date the contract was issued. Refer to *Appendix A: Underlying Mutual Funds* for more information.

Removal of Variable Account Charges

For certain optional benefits, a charge is assessed only for a specified period of time. To remove the charge, Nationwide systematically re-rates the contract. This re-rating results in lower contract charges, but no change in Contract Value or any other contractual benefit.

Re-rating involves two steps: the adjustment of contract expenses and the adjustment of the number of units in the contract.

The first step, the adjustment of contract expenses, involves removing the charge from the unit value calculation. For example, on a contract where the only optional benefit elected is the Liquidity Option, the Variable Account value will be calculated using unit values with Variable Account charges of 1.80% for the first four Contract Years. At the end of that period, the charge associated with the Liquidity Option will be removed. From that point on, the Variable Account value will be calculated using the unit values with Variable Account charges at 1.30%. Thus, the Liquidity Option charge is no longer included in the daily Sub-Account valuation for the contract.

The second step of the re-rating process, the adjustment of the number of units in the contract, is necessary in order to keep the re-rating process from altering the Contract Value. Generally, for any given Sub-Account, the higher the Variable Account charges, the lower the unit value, and vice versa. For example, Sub-Account X with charges of 1.80% will have a lower unit value than Sub-Account X with charges of 1.30% (higher expenses result in lower unit values). When, upon re-rating, the unit values used in calculating Variable Account value are dropped from the higher expense level to the lower expense level, the higher unit values will cause an incidental increase in the Contract Value. In order to avoid this incidental increase, Nationwide adjusts the number of units in the contract down so that the Contract Value after the re-rating is the same as the Contract Value before the re-rating.

Ownership and Interests in the Contract

Contract Owner

Prior to the Annuitization Date, the Contract Owner has all rights under the contract, unless a joint owner is named. If a joint owner is named, each joint owner has all rights under the contract. *Purchasers who name someone other than themselves as the Contract Owner will have no rights under the contract.*

On the Annuitization Date, the Annuitant becomes the Contract Owner, unless the Contract Owner is a Charitable Remainder Trust. If the Contract Owner is a Charitable Remainder Trust, the Charitable Remainder Trust continues to be the Contract Owner after annuitization.

Contract Owners of Non-Qualified Contracts may name a new Contract Owner at any time before the Annuitization Date. Any change of Contract Owner automatically revokes any prior Contract Owner designation. Changes in contract ownership may result in federal income taxation and may be subject to state and federal gift taxes.

Joint Owner

Joint owners each own an undivided interest in the contract.

Non-Qualified Contract Owners can name a joint owner at any time before annuitization. However, joint owners must be spouses at the time joint ownership is requested. Joint ownership is not permitted on contracts owned by a non-natural Contract Owner.

Generally, the exercise of any ownership rights under the contract must be in writing and signed by both joint owners. However, if a written election, signed by both Contract Owners, authorizing Nationwide to allow the exercise of ownership rights independently by either joint owner is submitted, Nationwide will permit joint owners to act independently. If such an authorization is submitted, Nationwide will not be liable for any loss, liability, cost, or expense for acting in accordance with the instructions of either joint owner.

If either joint owner dies before the Annuitization Date, the contract continues with the surviving joint owner as the remaining Contract Owner.

Contingent Owner

The contingent owner succeeds to the rights of a Contract Owner if a Contract Owner who is not the Annuitant dies before the Annuitization Date and there is no surviving joint owner.

If a Contract Owner who is the Annuitant dies before the Annuitization Date, the contingent owner will not have any rights under the contract, unless such contingent owner is also the beneficiary.

The Contract Owner may name a contingent owner at any time before the Annuitization Date.

Annuitant

The Annuitant is the person who will receive annuity payments and upon whose continuation of life any annuity payment involving life contingencies depends. This person must be age 85 or younger at the time of contract issuance, unless Nationwide approves a request for an Annuitant of greater age.

Only Non-Qualified Contract Owners may name someone other than himself/herself as the Annuitant.

The Contract Owner may not name a new Annuitant without Nationwide's consent.

Contingent Annuitant

If the Annuitant dies before the Annuitization Date, the contingent annuitant becomes the Annuitant. The contingent annuitant must be age 85 or younger at the time of contract issuance, unless Nationwide approves a request for a contingent annuitant of greater age.

If a contingent annuitant is named, all provisions of the contract that are based on the Annuitant's death prior to the Annuitization Date will be based on the death of the last survivor of the Annuitant and contingent annuitant.

Co-Annuitant

A Co-Annuitant, if named, must be the Annuitant's spouse. The Co-Annuitant must be named at the time of application and will receive the benefit of the Spousal Protection Feature, provided all of the requirements set forth in the *Spousal Protection Feature* section are met.

If either Co-Annuitant dies before the Annuitization Date, the surviving Co-Annuitant may continue the contract and will receive the benefit of the Spousal Protection Feature.

Joint Annuitant

The joint annuitant is designated as a second person (in addition to the Annuitant) upon whose continuation of life any annuity payment involving life contingencies depends. The joint annuitant is named at the time of annuitization.

Beneficiary and Contingent Beneficiary

The beneficiary is the person who is entitled to the death benefit if the Annuitant (and contingent annuitant, if applicable) dies before the Annuitization Date and there is no joint owner. The Contract Owner can name more than one beneficiary. Multiple beneficiaries will share the death benefit equally, unless otherwise specified.

A contingent beneficiary will succeed to the rights of the beneficiary if no beneficiary is alive when a death benefit is paid. The Contract Owner can name more than one contingent beneficiary. Multiple contingent beneficiaries will share the death benefit equally, unless otherwise specified.

Changes to the Parties to the Contract

Prior to the Annuitization Date (and subject to any existing assignments), the Contract Owner may request to change the following:

- Contract Owner (Non-Qualified Contracts only);
- joint owner;
- Contingent Owner;
- Annuitant (subject to Nationwide's underwriting and approval);
- contingent annuitant (subject to Nationwide's underwriting and approval);
- Co-Annuitant;
- beneficiary; or
- contingent beneficiary.

The Contract Owner must submit the request to Nationwide in writing and Nationwide must receive the request at the Service Center before the Annuitization Date. Once Nationwide receives and records the change request, the change will be effective as of the date the written request was signed (unless otherwise specified by the Contract Owner), whether or not the Contract Owner or Annuitant is living at the time it was recorded. The change will not affect any action taken by Nationwide before the change was recorded.

Any request to change the Contract Owner must be signed by the existing Contract Owner and the person designated as the new Contract Owner. Nationwide may require a signature guarantee.

If the Contract Owner is not a natural person and there is a change of the Annuitant, distributions will be made as if the Contract Owner died at the time of the change, regardless of whether the Contract Owner named a contingent annuitant.

Nationwide reserves the right to reject any change request that would alter the nature of the risk that Nationwide assumed when it originally issued the contract.

Operation of the Contract

Purchase Payment Credits

Purchase Payment Credits ("PPCs") are additional credits that Nationwide will apply to a contract when cumulative purchase payments reach certain aggregate levels.

When determining PPCs Nationwide will include the purchase payments in this contract, as well as the purchase payments of any other Nationwide annuity contract issued to an immediate family member within the 12 months before the purchase of this contract. Immediate family members include spouses, children, or other family members living within the Contract Owner's household. In order to be considered for PPCs, the Contract Owner must notify Nationwide in writing of all Nationwide annuity contracts owned by the Contract Owner or immediate family members.

Each time a Contract Owner submits a purchase payment, Nationwide will perform a calculation to determine if and how many PPCs are payable as a result of that particular deposit.

The formula used to determine the amount of the PPC is as follows:

$$(\text{Cumulative Purchase Payments} \times \text{PPC}\%) - \text{PPCs Paid to Date} = \text{PPCs Payable}$$

Cumulative Purchase Payments = the total of all purchase payments applied to the contract(s) eligible to receive a PPC, including the current deposit, minus any withdrawals.

PPC% = either 0.0%, 0.5%, or 1.0%, depending on the level of Cumulative Purchase Payments as follows:

<u>If Cumulative Purchase Payments are</u>	<u>Then the PPC% is</u>
\$0 - \$499,999	0.0% (no PPC is payable)
\$500,000 - \$999,999	0.5%
\$1,000,000 or more	1.0%

PPCs Paid to Date = the total PPCs that Nationwide has already applied to this contract.

PPCs Payable = the PPCs that Nationwide will apply to the contract as a result of the current deposit.

For example, on March 1, Ms. Z makes an initial deposit of \$200,000 to her contract. Her contract is the only one eligible to receive PPCs. For this deposit, she does not receive a PPC since her Cumulative Purchase Payments are less than \$500,000.

On April 1, Ms. Z applies additional purchase payments of \$350,000. Cumulative Purchase Payments now equal \$550,000. Nationwide will apply PPCs to Ms. Z's contract equal to \$2,750, which is $(0.5\% \times \$550,000) - \0 .

On May 1, Ms. Z takes a withdrawal of \$150,000. Cumulative Purchase Payments now equal \$400,000.

On June 1, Ms. Z applies additional purchase payments of \$500,000. Cumulative Purchase Payments now equal \$900,000. Nationwide will apply PPCs to Ms. Z's contract equal to \$1,750, which is $(\$900,000 \times 0.5\%) - \$2,750$. At this point in time, a total of \$4,500 in PPCs have been applied to Ms. Z's contract.

On July 1, Ms. Z applies additional purchase payments of \$300,000. Cumulative Purchase Payments now equal \$1,200,000. Nationwide will apply PPCs to Ms. Z's contract equal to \$7,500, which is $(\$1,200,000 \times 1.0\%) - \$4,500$. At this point in time, a total of \$12,000 in PPCs have been applied to Ms. Z's contract. For purposes of all benefits and taxes under these contracts, PPCs are considered earnings, not purchase payments, and they will be allocated in the same proportion that purchase payments are allocated on the date the PPCs are applied.

Recapture of Purchase Payment Credits

If the Contract Owner cancels the contract pursuant to the contractual free look provision, Nationwide will recapture all PPCs applied to the contract. The Contract Owner will retain any earnings attributable to the PPCs, but all losses attributable to the PPCs will be incurred by Nationwide.

All PPCs are fully vested after the end of the contractual free look period and are not subject to recapture.

Pricing

Generally, Nationwide prices Accumulation Units on each day that the New York Stock Exchange is open. (Pricing is the calculation of a new Accumulation Unit value that reflects that day's investment experience.)

Accumulation Units are not priced when the New York Stock Exchange is closed or on the following nationally recognized holidays:

- New Year's Day
- Martin Luther King, Jr. Day
- Presidents' Day
- Good Friday
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving
- Christmas

Nationwide also will not price purchase payments, withdrawals, or transfers if:

- (1) trading on the New York Stock Exchange is restricted;
- (2) an emergency exists making disposal or valuation of securities held in the Variable Account impracticable; or
- (3) the SEC, by order, permits a suspension or postponement for the protection of security holders.

Rules and regulations of the SEC will govern as to when the conditions described in (2) and (3) exist. If Nationwide is closed on days when the New York Stock Exchange is open, Contract Value may change and Contract Owners will not have access to their accounts.

Application and Allocation of Purchase Payments

Initial Purchase Payments

Initial purchase payments will be priced at the Accumulation Unit value next determined no later than two business days after receipt of an order to purchase if the application and all necessary information are complete and are received at the Service Center before the close of the New York Stock Exchange, which generally occurs at 4:00 p.m. EST. If the order is received after the close of the New York Stock Exchange, the initial purchase payment will be priced within two business days after the next Valuation Date.

If an incomplete application is not completed within five business days after receipt at the Service Center, the prospective purchaser will be informed of the reason for the delay. The purchase payment will be returned unless the prospective purchaser specifically consents to allow Nationwide to hold the purchase payment until the application is completed.

Nationwide will immediately allocate initial purchase payments to the investment options based on the instructions contained on the application.

Subsequent Purchase Payments

Any subsequent purchase payment received at the Service Center (along with all necessary information) before the close of the New York Stock Exchange on any Valuation Date will be priced at the Accumulation Unit value next determined after receipt of the purchase payment. If a subsequent purchase payment is received at the Service Center (along with all necessary information) after the close of the New York Stock Exchange, it will be priced at the Accumulation Unit value determined on the following Valuation Date.

Allocation of Purchase Payments

Nationwide allocates purchase payments to Sub-Accounts as instructed by the Contract Owner. Shares of the underlying mutual funds allocated to the Sub-Accounts are purchased at Net Asset Value, then converted into Accumulation Units.

Contract Owners can change allocations or make exchanges among the Sub-Accounts after the time of application by submitting a written request to the Service Center. However, no change may be made that would result in an amount less than 1% of the purchase payments being allocated to any Sub-Account. In the event that Nationwide receives such a request, Nationwide will inform the Contract Owner that the allocation instructions are invalid and that the contract's allocations among the Sub-Accounts prior to the request will remain in effect. Certain transactions may be subject to conditions imposed by the underlying mutual funds.

Determining the Contract Value

The Contract Value is the sum of the value of amounts (including any PPCs) allocated to the Sub-Accounts plus any amount held in the Fixed Account. If charges are assessed against the whole Contract Value, Nationwide will deduct a proportionate amount from each Sub-Account and the Fixed Account based on current cash values.

Determining Variable Account Value - Valuing an Accumulation Unit

Sub-Account allocations are accounted for in Accumulation Units. Accumulation Unit values (for each Sub-Account) are determined by calculating the Net Investment Factor for the Sub-Accounts for the current Valuation Period and multiplying that result with the Accumulation Unit values determined on the previous Valuation Period. For each Sub-Account, the Net Investment Factor is the investment performance of the underlying mutual fund in which a particular Sub-Account invests, including the charges assessed against that Sub-Account for a Valuation Period.

Nationwide uses the Net Investment Factor as a way to calculate the investment performance of a Sub-Account from Valuation Period to Valuation Period.

The Net Investment Factor for any particular Sub-Account before the Annuitization Date is determined by dividing (a) by (b), and then subtracting (c) from the result, where:

- (a) is the sum of:
 - (1) the Net Asset Value of the underlying mutual fund as of the end of the current Valuation Period; and
 - (2) the per share amount of any dividend or income distributions made by the underlying mutual fund (if the date of the dividend or income distribution occurs during the current Valuation Period).
- (b) is the Net Asset Value of the underlying mutual fund determined as of the end of the preceding Valuation Period.
- (c) is a factor representing the daily total Variable Account charges, which may include charges for optional benefits elected by the Contract Owner. The factor is equal to an annualized rate ranging from 1.30% to 2.00% of the Daily Net Assets, depending on which optional benefits the Contract Owner elects.

Note: The range shown above reflects only those Variable Account charges that are assessed daily as part of the daily Accumulation Unit calculation. It does not reflect the cost of other optional benefits that assess charges via the redemption of Accumulation Units.

Based on the change in the Net Investment Factor, the value of an Accumulation Unit may increase or decrease. Changes in the Net Investment Factor may not be directly proportional to changes in the Net Asset Value of the underlying mutual fund shares because of the deduction of Variable Account charges.

Though the number of Accumulation Units will not change as a result of investment experience, the value of an Accumulation Unit may increase or decrease from Valuation Period to Valuation Period.

Determining Fixed Account Value

Nationwide determines the value of the Fixed Account by:

- (1) adding all amounts allocated to the Fixed Account (including any Purchase Payment Credits applied to the contract), minus amounts previously transferred or withdrawn from the Fixed Account;

- (2) adding any interest earned on the amounts allocated to the Fixed Account; and
- (3) subtracting charges deducted in accordance with the contract.

Transfer Requests

Contract Owners may submit transfer requests in writing, over the telephone, or via the Internet to the Service Center. Some benefits or features under the contract may limit the manner in which transfer requests can be submitted, as indicated in the respective provision. Nationwide may restrict or withdraw the telephone and/or Internet transfer privilege at any time.

Generally, Sub-Account transfers will receive the Accumulation Unit value next computed after the transfer request is received at the Service Center. However, if a contract that is limited to submitting transfer requests via U.S. mail submits a transfer request via the Internet or telephone pursuant to Nationwide's one-day delay policy, the transfer will be executed on the next Valuation Date after the exchange request is received at the Service Center (see *Managers of Multiple Contracts*).

Transfer Restrictions

Neither the contracts described in this prospectus nor the underlying mutual funds are designed to support active trading strategies that require frequent movement between or among Sub-Accounts (sometimes referred to as "market-timing" or "short-term trading"). A Contract Owner who intends to use an active trading strategy should consult his/her registered representative and request information on other Nationwide variable annuity contracts that offer investment in underlying mutual funds that are designed specifically to support active trading strategies.

Nationwide discourages (and will take action to deter) short-term trading in this contract because the frequent movement between or among Sub-Accounts may negatively impact other investors in the contract. Short-term trading can result in:

- the dilution of the value of the investors' interests in the underlying mutual fund;
- underlying mutual fund managers taking actions that negatively impact performance (keeping a larger portion of the underlying mutual fund assets in cash or liquidating investments prematurely in order to support redemption requests); and/or
- increased administrative costs due to frequent purchases and redemptions.

To protect investors in this contract from the negative impact of these practices, Nationwide has implemented, or reserves the right to implement, several processes and/or restrictions aimed at eliminating the negative impact of active trading strategies. Nationwide makes no assurances that all risks associated with short-term trading will be completely eliminated by these processes and/or restrictions.

Nationwide cannot guarantee that its attempts to deter active trading strategies will be successful. If Nationwide is unable to deter active trading strategies, the performance of the Sub-Accounts that are actively traded may be adversely impacted.

Redemption Fees

Some underlying mutual funds assess a short-term trading fee in connection with transfers from a Sub-Account that occur within 60 days after the date of the allocation to the Sub-Account. The fee is assessed against the amount transferred and is paid to the underlying mutual fund. Redemption fees compensate the underlying mutual fund for any negative impact on fund performance resulting from short-term trading.

U.S. Mail Restrictions

Nationwide monitors transfer activity in order to identify those who may be engaged in harmful trading practices. Transaction reports are produced and examined. Generally, a contract may appear on these reports if the Contract Owner (or a third party acting on their behalf) engages in a certain number of "transfer events" in a given period. A "transfer event" is any transfer, or combination of transfers, occurring on a given trading day (Valuation Period). For example, if a Contract Owner executes multiple transfers involving 10 investment options in one day, this counts as one transfer event. A single transfer occurring on a given trading day and involving only two investment options will also count as one transfer event.

As a result of this monitoring process, Nationwide may restrict the method of communication by which transfer orders will be accepted. In general, Nationwide will adhere to the following guidelines:

Trading Behavior	Nationwide's Response
Six or more transfer events in one calendar quarter	Nationwide will mail a letter to the Contract Owner notifying them that: <ul style="list-style-type: none"> (1) they have been identified as engaging in harmful trading practices; and (2) if their transfer events exceed 11 in two consecutive calendar quarters or 20 in one calendar year, the Contract Owner will be limited to submitting transfer requests via U.S. mail on a Nationwide issued form.
More than 11 transfer events in two consecutive calendar quarters OR More than 20 transfer events in one calendar year	Nationwide will automatically limit the Contract Owner to submitting transfer requests via U.S. mail on a Nationwide issued form.

For purposes of Nationwide's transfer policy, U.S. mail includes standard U.S. mail, overnight U.S. mail, and overnight delivery via private carrier.

Each January 1, Nationwide will start the monitoring anew, so that each contract starts with 0 transfer events each January 1. See, however, the *Other Restrictions* provision.

Managers of Multiple Contracts

Some investment advisors/representatives manage the assets of multiple Nationwide contracts pursuant to trading authority granted or conveyed by multiple Contract Owners. These multi-contract advisors will generally be required by Nationwide to submit all transfer requests via U.S. mail.

Nationwide may, as an administrative practice, implement a "one-day delay" program for these multi-contract advisors, which they can use in addition to or in lieu of submitting transfer requests via U.S. mail. The one-day delay option permits multi-contract advisors to continue to submit transfer requests via the Internet or telephone. However, transfer requests submitted by multi-contract advisors via the Internet or telephone will not receive the next available Accumulation Unit value. Rather, they will receive the Accumulation Unit value that is calculated on the following Valuation Date. Transfer requests submitted under the one-day delay program are irrevocable. Multi-contract advisors will receive advance notice of being subject to the one-day delay program.

Other Restrictions

Contract Owners that are required to submit transfer requests via U.S. mail will be required to use a Nationwide issued form for their transfer request. Nationwide will refuse transfer requests that either do not use the Nationwide issued form for their transfer request or fail to provide accurate and complete information on their transfer request form. In the event that a Contract Owner's transfer request is refused by Nationwide, they will receive notice in writing by U.S. mail and will be required to resubmit their transfer request on a Nationwide issued form.

Nationwide reserves the right to refuse or limit transfer requests, or take any other action it deems necessary in order to protect Contract Owners, Annuitants, and beneficiaries from the negative investment results that may result from short-term trading or other harmful investment practices employed by some Contract Owners (or third parties acting on their behalf). In particular, trading strategies designed to avoid or take advantage of Nationwide's monitoring procedures (and other measures aimed at curbing harmful trading practices) that are nevertheless determined by Nationwide to constitute harmful trading practices, may be restricted.

Any restrictions that Nationwide implements will be applied consistently and uniformly.

Underlying Mutual Fund Restrictions and Prohibitions

Pursuant to regulations adopted by the SEC, Nationwide is required to enter into written agreements with the underlying mutual funds which allow the underlying mutual funds to:

- (1) request the taxpayer identification number, international taxpayer identification number, or other government issued identifier of any Contract Owner;
- (2) request the amounts and dates of any purchase, redemption, transfer, or exchange request ("transaction information"); and
- (3) instruct Nationwide to restrict or prohibit further purchases or exchanges by Contract Owners that violate policies established by the underlying mutual fund (whose policies may be more restrictive than Nationwide's policies).

Nationwide is required to provide such transaction information to the underlying mutual funds upon their request. In addition, Nationwide is required to restrict or prohibit further purchases or requests to exchange into a specific Sub-Account upon instruction from the underlying mutual fund in which that Sub-Account invests. Nationwide and any affected Contract Owner may not have advance notice of such instructions from an underlying mutual fund to restrict or prohibit further purchases or requests to exchange. If an underlying mutual fund refuses to accept a purchase or request to exchange into the Sub-Account associated with the underlying mutual fund submitted by Nationwide, Nationwide will keep any affected Contract Owner in their current Sub-Account allocation.

Transfers Prior to Annuitization

Transfers from the Fixed Account

A Contract Owner may request to transfer allocations from the Fixed Account to the Sub-Accounts only upon reaching the end of a Fixed Account interest rate guarantee period. Fixed Account transfers must be made within 45 days after the end of the interest rate guarantee period.

Normally, Nationwide will permit 100% of the maturing Fixed Account allocations to be transferred. However, Nationwide may limit the amount that can be transferred from the Fixed Account. Nationwide will determine the amount that may be transferred and will declare this amount at the end of the Fixed Account interest rate guarantee period. The maximum transferable amount will never be less than 10% of the Fixed Account allocation reaching the end of a Fixed Account interest rate guarantee period.

Contract Owners who use Dollar Cost Averaging may transfer from the Fixed Account under the terms of that program.

Nationwide is required by state law to reserve the right to postpone payment or transfer of assets from the Fixed Account for a period of up to six months from the date of the withdrawal or transfer request.

Transfers from the Sub-Accounts

A Contract Owner may request to transfer allocations from the Sub-Accounts to the Fixed Account at any time.

Nationwide reserves the right to limit or refuse transfers to the Fixed Account. Generally, Nationwide will invoke this right when interest rates are low by historical standards.

Transfers Among the Sub-Accounts

A Contract Owner may request to transfer allocations among the Sub-Accounts at any time, subject to terms and conditions imposed by this prospectus and the underlying mutual funds.

Transfers After Annuitization

After annuitization, the portion of the Contract Value allocated to fixed annuity payments and the portion of the Contract Value allocated to variable annuity payments may not be changed.

After annuitization, transfers among Sub-Accounts may only be made once per calendar year.

Right to Examine and Cancel

If the Contract Owner elects to cancel the contract, he/she may return it to the Service Center within a certain period of time known as the "free look" period. The free look period is 10 days, unless the contract is purchased as a replacement for another annuity contract, in which case it is 60 days. For ease of administration, Nationwide will honor any free look cancellation that is received at the Service Center or postmarked within 30 days after the contract issue date. Nationwide will also honor any free look cancellation for replacement annuity contracts that are received at the Service Center or postmarked within 60 days after the contract issue date. The contract issue date is the date the initial purchase payment is applied to the contract.

In the event of a free look cancellation, Nationwide will return the Contract Value as of the date of the cancellation, less any withdrawals from the contract and any applicable federal and state income tax withholding. Nationwide will recapture all of the Purchase Payment Credits applied to the contract. The Contract Owner will retain any earnings attributable to the Purchase Payment Credits, but all losses attributable to the Purchase Payment Credits will be incurred by Nationwide.

Liability of the Variable Account under this provision is limited to the Contract Value in each Sub-Account on the date of revocation. Any additional amounts refunded to the Contract Owner will be paid by Nationwide.

Surrender/Withdrawal Prior to Annuitization

Prior to annuitization and before the Annuitant's death, Contract Owners may generally withdraw some or all of their Contract Value. Withdrawals from the contract may be subject to federal income tax and/or a tax penalty (see *Appendix C: Contract Types and Tax Information*). Withdrawal requests must be submitted in writing to the Service Center and Nationwide may require additional information. When taking a full surrender, the contract must accompany the written request. Nationwide may require a signature guarantee.

Surrender and withdrawal requests will receive the Accumulation Unit value next determined at the end of the current Valuation Period if the request and all necessary information is received at the Service Center before the close of the New York Stock Exchange (generally, 4:00 pm EST). If the request and all necessary information is received after the close of the New York Stock Exchange, the request will receive the Accumulation Unit value determined at the end of the next Valuation Day.

Nationwide will pay any amounts withdrawn from the Sub-Accounts within seven days after the request is received in good order at the Service Center (see *Determining the Contract Value*). However, Nationwide may suspend or postpone payment when it is unable to price a purchase payment or transfer.

Nationwide is required by state law to reserve the right to postpone payment or transfer of assets from the Fixed Account for a period of up to six months from the date of the withdrawal or transfer request.

Partial Withdrawals

If a Contract Owner requests a partial withdrawal, Nationwide will redeem Accumulation Units from the Sub-Accounts and an amount from the Fixed Account. The amount withdrawn from each investment option will be in proportion to the value in each option at the time of the withdrawal request, unless Nationwide is instructed otherwise.

Partial withdrawals are subject to the CDSC provisions of the contract. If a CDSC is assessed, the Contract Owner may elect to have the CDSC deducted from either:

- (a) the amount requested; or
- (b) the Contract Value remaining after the Contract Owner has received the amount requested.

If the Contract Owner does not make a specific election, any applicable CDSC will be deducted from the amount requested by the Contract Owner.

The CDSC deducted is a percentage of the amount requested by the Contract Owner. Amounts deducted for CDSC are not subject to subsequent CDSC.

Partial Withdrawals to Pay Investment Advisory Fees

Some Contract Owners utilize an investment advisor(s) to manage their assets, for which the investment advisor assesses a fee. Investment advisors are not endorsed or affiliated with Nationwide and Nationwide makes no representation as to their qualifications. The fees for these investment advisory services are specified in the respective account agreements and are separate from and in addition to the contract fees and expenses described in this prospectus. Some Contract Owners authorize their investment advisor to take a partial withdrawal(s) from the contract in order to collect investment advisory fees. Withdrawals taken from this contract to pay advisory or investment management fees are subject to the CDSC provisions of the contract and may be subject to income tax and/or tax penalties. **In addition, withdrawals taken from the contract to pay advisory or investment management fees may negatively impact the benefit associated with the 10% Nationwide Lifetime Income Rider, 7% Nationwide Lifetime Income Rider, and 5% Nationwide Lifetime Income Rider.**

Full Surrenders

Upon full surrender, the Contract Value may be more or less than the total of all purchase payments made to the contract. The Contract Value will reflect:

- Variable Account charges
- underlying mutual fund charges
- the investment performance of the underlying mutual funds
- amounts allocated to the Fixed Account and any interest credited
- charges associated with the 10% Nationwide Lifetime Income Rider, 7% Nationwide Lifetime Income Rider, or 5% Nationwide Lifetime Income Rider and Joint Option (if elected)
- Purchase Payment Credits, if applicable

- a \$30 Contract Maintenance Charge (this charge will be waived upon full surrender if the Contract Value is equal to or greater than \$50,000 at the time of the full surrender or on any Contract Anniversary prior to the full surrender)

The CDSC-free withdrawal privilege does not apply to full surrenders of the contract. For purposes of the CDSC-free withdrawal privilege, a full surrender is:

- multiple withdrawals taken within a Contract Year that deplete the entire Contract Value; or
- any single net withdrawal of 90% or more of the Contract Value.

Surrender/Withdrawal After Annuitization

After the Annuitization Date, withdrawals other than regularly scheduled annuity payments are not permitted.

Assignment

Contracts other than Non-Qualified Contracts may not be assigned, pledged or otherwise transferred except where allowed by law.

A Non-Qualified Contract Owner may assign some or all rights under the contract subject to Nationwide's consent. Additionally, Nationwide reserves the right to refuse to recognize assignments on a non-discriminatory basis. Nationwide is not responsible for the validity or tax consequences of any assignment and Nationwide is not liable for any payment or settlement made before the assignment is recorded. Assignments will not be recorded until Nationwide receives sufficient direction from the Contract Owner and the assignee regarding the proper allocation of contract rights.

Contract Owner Services

Asset Rebalancing

Asset Rebalancing is the automatic reallocation of Contract Values to the Sub-Accounts on a predetermined percentage basis. Asset Rebalancing is not available for assets held in the Fixed Account. Requests for Asset Rebalancing must be on a Nationwide form and submitted to the Service Center. Once Asset Rebalancing is elected, it will only be terminated upon specific instruction from the Contract Owner; manual transfers will not automatically terminate the program.

Asset Rebalancing occurs every three months or on another frequency if permitted by Nationwide. If the last day of the designated rebalancing period falls on a Saturday, Sunday, recognized holiday, or any other day when the New York Stock Exchange is closed, Asset Rebalancing will occur on the next business day. Each Asset Rebalancing reallocation is considered a transfer event.

Contract Owners should consult a financial advisor to discuss the use of Asset Rebalancing.

Nationwide reserves the right to stop establishing new Asset Rebalancing programs.

Dollar Cost Averaging

Dollar Cost Averaging is a long-term transfer program that allows the Contract Owner to make regular, level investments over time. Dollar Cost Averaging involves the automatic transfer of a specific amount from the Fixed Account and/or certain Sub-Accounts into other Sub-Accounts. With this service, the Contract Owner benefits from the ability to invest in the Sub-Accounts over a period of time, thereby smoothing out the effects of market volatility. Nationwide does not guarantee that this program will result in profit or protect Contract Owners from loss.

Contract Owners direct Nationwide to automatically transfer specified amounts from the Fixed Account and the following Sub-Accounts (if available):

- Nationwide Variable Insurance Trust - NVIT Core Bond Fund: Class II
- Nationwide Variable Insurance Trust - NVIT Government Bond Fund: Class I
- Nationwide Variable Insurance Trust - NVIT Money Market Fund: Class I
- Nationwide Variable Insurance Trust - NVIT Short Term Bond Fund: Class II
- Neuberger Berman Advisers Management Trust - AMT Short Duration Bond Portfolio: I Class
- PIMCO Variable Insurance Trust - Low Duration Portfolio: Advisor Class

to any other Sub-Account(s). Dollar Cost Averaging transfers may not be directed to the Fixed Account. Transfers from the Fixed Account must be equal to or less than 1/30th of the Fixed Account value at the time the program is requested. Contract Owners that wish to utilize Dollar Cost Averaging from the Fixed Account should first inquire whether any Enhanced Fixed Account Dollar Cost Averaging programs are available.

Transfers occur monthly or on another frequency if permitted by Nationwide. Nationwide will process transfers until either the value in the originating investment option is exhausted or the Contract Owner instructs Nationwide to stop the transfers. When a Contract Owner instructs Nationwide to stop the transfers, all amounts remaining in the originating Fixed Account or Sub-Account will remain allocated to the Fixed Account or Sub-Account, unless Nationwide is instructed otherwise. Dollar Cost Averaging transfers are not considered transfer events.

Nationwide reserves the right to stop establishing new Dollar Cost Averaging programs.

Nationwide is required by state law to reserve the right to postpone payment or transfer of assets from the Fixed Account for a period of up to six months from the date of the withdrawal or transfer request.

Enhanced Fixed Account Dollar Cost Averaging

Nationwide may, periodically, offer Dollar Cost Averaging programs with an enhanced interest rate referred to as "Enhanced Fixed Account Dollar Cost Averaging." Enhanced Fixed Account Dollar Cost Averaging involves the automatic transfer of a specific amount from an enhanced rate Fixed Account into any Sub-Account(s). With this service, the Contract Owner benefits from the ability to invest in the Sub-Accounts over a period of time, thereby smoothing out the effects of market volatility. Nationwide does not guarantee that this program will result in profit or protect Contract Owners from loss.

Only new purchase payments to the contract are eligible for Enhanced Fixed Account Dollar Cost Averaging. Enhanced Fixed Account Dollar Cost Averaging transfers may not be directed to the Fixed Account. Amounts allocated to the enhanced rate Fixed Account as part of an Enhanced Fixed Account Dollar Cost Averaging program earn a higher rate of interest than assets allocated to the standard Fixed Account. Each enhanced rate is guaranteed for as long as the corresponding program is in effect.

Transfers occur monthly or on another frequency if permitted by Nationwide. Nationwide will process transfers until either amounts allocated to the Fixed Account as part of an Enhanced Fixed Account Dollar Cost Averaging program are exhausted or the Contract Owner instructs Nationwide to stop the transfers. When a Contract Owner instructs Nationwide to stop the transfers, Nationwide will automatically reallocate any amount remaining in the enhanced rate Fixed Account according to future investment allocation instructions, unless directed otherwise. Enhanced Fixed Account Dollar Cost Averaging transfers are not considered transfer events.

Nationwide reserves the right to stop establishing new Enhanced Fixed Account Dollar Cost Averaging programs.

Nationwide is required by state law to reserve the right to postpone payment or transfer of assets from the Fixed Account for a period of up to six months from the date of the withdrawal or transfer request.

Dollar Cost Averaging for Living Benefits

Nationwide may periodically offer Dollar Cost Averaging programs with the 10% Nationwide Lifetime Income Rider, 7% Nationwide Lifetime Income Rider, or 5% Nationwide Lifetime Income Rider referred to as "Dollar Cost Averaging for Living Benefits." Dollar Cost Averaging for Living Benefits involves the automatic transfer of a specific amount from the Fixed Account into another Sub-Account(s). With this service, the Contract Owner benefits from the ability to invest in the Sub-Account over a period of time, thereby smoothing out the effects of market volatility. Nationwide does not guarantee that this program will result in profit or protect Contract Owners from loss.

Only new purchase payments to the contract are eligible for Dollar Cost Averaging for Living Benefits. Only those investment options available with the elected option are available for use in Dollar Cost Averaging for Living Benefits. If a Contract Owner elected Custom Portfolio, Dollar Cost Averaging for Living Benefits transfers into the elected model will be allocated to the Sub-Accounts in the same percentages as the model allocations to those Sub-Accounts. Refer to the *Income Benefit Investment Options* provision for the investment options available for the 10% Nationwide Lifetime Income Rider, 7% Nationwide Lifetime Income Rider, or 5% Nationwide Lifetime Income Rider.

Once a Dollar Cost Averaging for Living Benefits program has begun, no transfers among or between Sub-Accounts are permitted until the Dollar Cost Averaging for Living Benefits program is completed or terminated. The interest rate credited on amounts applied to the Fixed Account as part of Dollar Cost Averaging for Living Benefits programs may vary depending on the Nationwide Lifetime Income Rider elected.

Transfers occur monthly or on another frequency if permitted by Nationwide. Nationwide will process transfers until either amounts allocated to the Fixed Account as part of a Dollar Cost Averaging for Living Benefits program are exhausted or the Contract Owner instructs Nationwide to stop the transfers. When a Contract Owner instructs Nationwide to stop the transfers, Nationwide will automatically reallocate any amount remaining in the Fixed Account according to future investment allocation instructions, unless directed otherwise. Dollar Cost Averaging for Living Benefits transfers are not considered transfer events.

Nationwide reserves the right to stop establishing new Dollar Cost Averaging for Living Benefits programs.

Nationwide is required by state law to reserve the right to postpone payment or transfer of assets from the Fixed Account for a period of up to six months from the date of the withdrawal or transfer request.

Fixed Account Interest Out Dollar Cost Averaging

Nationwide may, periodically, offer a Dollar Cost Averaging program that permits the transfer of interest earned on Fixed Account allocations referred to as "Fixed Account Interest Out Dollar Cost Averaging." Fixed Account Interest Out Dollar Cost Averaging involves the automatic transfer of the interest earned on Fixed Account allocations into any other Sub-Account(s). With this service, the Contract Owner benefits from the ability to invest in the Sub-Accounts over a period of time, thereby smoothing out the effects of market volatility. Nationwide does not guarantee that this program will result in profit or protect Contract Owners from loss.

Fixed Account Interest Out Dollar Cost Averaging transfers may not be directed to the Fixed Account.

Transfers occur monthly or on another frequency if permitted by Nationwide. Nationwide will continue to process transfers until the Contract Owner instructs Nationwide in writing to stop the transfers. Fixed Account Interest Out Dollar Cost Averaging transfers are not considered transfer events.

Nationwide reserves the right to stop establishing new Fixed Account Interest Out Dollar Cost Averaging programs.

Nationwide is required by state law to reserve the right to postpone payment or transfer of assets from the Fixed Account for a period of up to six months from the date of the withdrawal or transfer request.

Systematic Withdrawals

Systematic Withdrawals allow Contract Owners to receive a specified amount (of at least \$100) on a monthly, quarterly, semi-annual, or annual basis. Requests for Systematic Withdrawals and requests to discontinue Systematic Withdrawals must be submitted in writing to the Service Center.

The withdrawals will be taken from the Sub-Accounts and the Fixed Account proportionally unless Nationwide is instructed otherwise.

Nationwide will withhold federal income taxes from Systematic Withdrawals unless otherwise instructed by the Contract Owner. The Internal Revenue Service may impose a 10% penalty tax if the Contract Owner is under age 59½ unless the Contract Owner has made an irrevocable election of distributions of substantially equal payments.

A CDSC may apply to amounts taken through Systematic Withdrawals. If the Contract Owner takes Systematic Withdrawals, the maximum amount that can be withdrawn annually without a CDSC is the greater of the amount available under the CDSC-free withdrawal privilege (see *Contingent Deferred Sales Charge*), and a given percentage of the Contract Value that is based on the Contract Owner's age, as shown in the following table:

<u>Contract Owner's Age</u>	<u>Percentage of Contract Value</u>
Under age 59½	5%
59½ through age 61	7%
62 through age 64.....	8%
65 through age 74.....	10%
75 and over	13%

The Contract Owner's age is determined as of the date the request for Systematic Withdrawals is recorded by the Service Center. For joint owners, the older joint owner's age will be used.

The CDSC-free withdrawal privilege for Systematic Withdrawals is non-cumulative. Free amounts not taken during any Contract Year cannot be taken as free amounts in a subsequent Contract Year. In any given Contract Year, any amount withdrawn in excess of the amount permitted under this program will be subject to the CDSC provisions (see *Contingent Deferred Sales Charge*).

Nationwide reserves the right to stop establishing new Systematic Withdrawal programs. Systematic Withdrawals are not available before the end of the free look period.

Custom Portfolio Asset Rebalancing Service

For Contract Owners that have elected 10% Nationwide Lifetime Income Rider, 7% Nationwide Lifetime Income Rider, or 5% Nationwide Lifetime Income Rider, Nationwide makes available the Custom Portfolio Asset Rebalancing Service ("Custom Portfolio") at no extra charge. Custom Portfolio is an asset allocation program that Contract Owners can use to build their own customized portfolio of investments, subject to certain limitations. Asset allocation is the process of investing in different asset classes (such as equity funds, fixed income funds, and money market funds) and may reduce the risk and volatility of investing. There are no guarantees that Custom Portfolio will result in a profit or protect against loss in a declining market.

Each model is comprised of different percentages of standardized asset categories designed to meet different investment goals, risk tolerances, and investment time horizons. The Contract Owner selects their model, then selects the specific Sub-Accounts (also classified according to standardized asset categories) and investment percentages within the model's parameters, enabling the Contract Owner to create their own unique "Custom Portfolio." Only one Custom Portfolio may be created and in effect at a time and the entire Variable Account Contract Value must participate in the model.

Note: Contract Owners should consult with a qualified investment advisor regarding the use of Custom Portfolio and to determine which model is appropriate for them.

Once the Contract Owner creates their Custom Portfolio, that Contract Owner's model is static. This means that the percentage allocated to each Sub-Account will not change over time, except for quarterly rebalancing, as described below.

Note: Allocation percentages within a particular model may subsequently change, but any such changes will not apply to existing model participants; the changes will only apply to participants that elect the model after the change implementation date.

To participate in Custom Portfolio, eligible Contract Owners must submit the proper administrative form to the Service Center. While Custom Portfolio is elected, Contract Owners cannot participate in Asset Rebalancing.

Asset Allocation Models Available with Custom Portfolio

The following models are available with Custom Portfolio:

Conservative:	Designed for Contract Owners that are willing to accept very little risk but still want to see a small amount of growth.
Moderately Conservative:	Designed for Contract Owners that are willing to accept some market volatility in exchange for greater potential income and growth.
Balanced:	Designed for Contract Owners that are willing to accept some market volatility in exchange for potential long-term returns.
Moderate:	Designed for Contract Owners that are willing to accept some short-term price fluctuations in exchange for potential long-term returns.
Capital Appreciation:	Designed for Contract Owners that are willing to accept more short-term price fluctuations in exchange for potential long-term returns.

The specific Sub-Accounts available to comprise the equity and fixed income components of the models are contained in the election form, which is provided to Contract Owners at the time Custom Portfolio is elected. At that time, Contract Owners elect their model and the specific Sub-Accounts and percentages that will comprise their Custom Portfolio. The availability of some models may be restricted (see *Income Benefit Investment Options*).

Quarterly Rebalancing

At the end of each calendar quarter, Nationwide will reallocate the Sub-Account allocations so that the percentages allocated to each Sub-Account match the most recently provided percentages provided by the Contract Owner. If the end of a calendar quarter is a Saturday, Sunday, recognized holiday, or any other day that the New York Stock Exchange is closed, the quarterly rebalancing will occur on the next business day. Rebalancing will be priced using the unit value determined on the last Valuation Date of the calendar quarter. Each quarterly rebalancing is considered a transfer event. However, quarterly rebalancing transfers are not subject to short-term trading fees.

Changing Models or Underlying Mutual Fund Allocations

Contract Owners who have elected the 10% Nationwide Lifetime Income Rider, 7% Nationwide Lifetime Income Rider, or 5% Nationwide Lifetime Income Rider, may change the Sub-Account allocations within their elected model, percentages within their elected model and/or may change models and create a new Custom Portfolio within that new model. To implement one of these changes, Contract Owners must submit new allocation instructions to the Service Center in writing on Nationwide's administrative form. Any model and percentage changes will be subject to Short-Term Trading Fees and will count as a transfer event, as described in the *Transfer Restrictions* provision.

Nationwide reserves the right to limit the number of model changes a Contract Owner can make each year.

Terminating Participation in Custom Portfolio

Contract Owners can terminate participation in Custom Portfolio by submitting a written request to the Service Center. In order for the termination to be effective, the termination request must contain valid reallocation instructions that are in accordance with the terms and conditions of the elected Nationwide Lifetime Income Rider. Termination is effective on the date the termination request is received at the Service Center in good order.

Static Asset Allocation Model

For Contract Owners that have elected 10% Nationwide Lifetime Income Rider, 7% Nationwide Lifetime Income Rider, or 5% Nationwide Lifetime Income Rider, Nationwide makes available as a permitted investment option the following Static Asset Allocation Model(s): American Funds Option (33% NVIT - American Funds NVIT Asset Allocation Fund, 33% NVIT - American Funds NVIT Bond Fund, and 34% NVIT - American Funds NVIT Growth-Income Fund). The availability of some models may be restricted (see *Income Benefit Investment Options*).

A Static Asset Allocation Model is an allocation strategy comprised of two or more underlying mutual funds that together provide a unique allocation mix not available as a single underlying mutual fund. Contract Owners that elect a Static Asset Allocation Model directly own Sub-Account units of the underlying mutual funds that comprise the particular model. In other words, a Static Asset Allocation Model is not a portfolio of underlying mutual funds with one Accumulation Unit value, but rather, direct investment in a certain allocation of Sub-Accounts. There is no additional charge associated with investing in a Static Asset Allocation Model.

A Static Asset Allocation Model is just that: static. The allocations or "split" between one or more Sub-Accounts is not monitored and adjusted to reflect changing market conditions. However, a Contract Owner's investment in a Static Asset Allocation Model is rebalanced quarterly to ensure that the assets are allocated to the percentages in the same proportion that they were allocated at the time of election. The entire Contract Value must be allocated to the elected model.

With respect to transferring into and out of a Static Asset Allocation Model, the model is treated like a Sub-Account and is subject to the *Transfers Prior to Annuitization* provision. The Contract Owner may request to transfer from a model to a permitted Sub-Account. Each transfer into or out of a Static Asset Allocation Model is considered one transfer event.

For additional information about the underlying mutual funds that comprise a Static Asset Allocation Model, see *Appendix A: Underlying Mutual Funds*.

Death Benefit

Death of Contract Owner

If a Contract Owner (including a Joint Owner) who is not the Annuitant dies before the Annuitization Date, no death benefit is payable and the surviving Joint Owner becomes the Contract Owner. If there is no surviving Joint Owner, the Contingent Owner becomes the Contract Owner. If there is no surviving Contingent Owner, the beneficiary becomes the Contract Owner. If there is no surviving beneficiary, the last surviving Contract Owner's estate becomes the Contract Owner.

Distributions will be made as described in *Appendix C: Contract Types and Tax Information*.

Death of Annuitant

If the Annuitant who is not a Contract Owner dies before the Annuitization Date, the Contingent Annuitant becomes the Annuitant and no death benefit is payable. If no Contingent Annuitant is named, a death benefit is payable to the beneficiary. Multiple beneficiaries will share the death benefit equally unless otherwise specified. If no beneficiaries survive the Annuitant, the contingent beneficiary receives the death benefit. Multiple contingent beneficiaries will share the death benefit equally unless otherwise specified. If no beneficiaries or contingent beneficiaries survive the Annuitant, the Contract Owner or the last surviving Contract Owner's estate will receive the death benefit.

If the Annuitant dies after the Annuitization Date, any benefit that may be payable will be paid according to the selected annuity payment option.

If the Contract Owner is a Charitable Remainder Trust and the Annuitant dies before the Annuitization Date, the death benefit will accrue to the Charitable Remainder Trust. Any designation in conflict with the Charitable Remainder Trust's right to the death benefit will be void.

Death of Contract Owner/Annuitant

If a Contract Owner (including a Joint Owner) who is also the Annuitant dies before the Annuitization Date, a death benefit is payable to the surviving Joint Owner. If there is no surviving Joint Owner, the death benefit is payable to the beneficiary. Multiple beneficiaries will share the death benefit equally unless otherwise specified. If no beneficiaries survive the Contract Owner/Annuitant, the contingent beneficiary receives the death benefit. Multiple contingent beneficiaries will share the death benefit equally unless otherwise specified. If no contingent beneficiaries survive the Contract Owner/Annuitant, the last surviving Contract Owner's estate will receive the death benefit.

If the Contract Owner/Annuitant dies after the Annuitization Date, any benefit that may be payable will be paid according to the selected annuity payment option.

Death Benefit Payment

The recipient of the death benefit may elect to receive the death benefit:

- (1) in a lump sum;
- (2) as an annuity (see *Annuity Payment Options*); or
- (3) in any other manner permitted by law and approved by Nationwide.

Premium taxes may be deducted from death benefit proceeds. Nationwide will pay (or will begin to pay) the death benefit after it receives proof of death and the instructions as to the payment of the death benefit. Death benefit claims must be submitted to the Service Center. If the recipient of the death benefit does not elect the form in which to receive the death benefit payment, Nationwide will pay the death benefit in a lump sum. Contract Value will continue to be allocated according to the most recent allocation instructions until the death benefit is paid.

If the contract has multiple beneficiaries entitled to receive a portion of the death benefit, the Contract Value will continue to be allocated according to the most recent allocation instructions until the first beneficiary provides Nationwide with all the information necessary to pay that beneficiary's portion of the death benefit proceeds. At the time the first beneficiary's proceeds are paid, the remaining portion(s) of the death benefit proceeds that are allocated to Sub-Accounts will be reallocated to the available money market Sub-Account until instructions are received from the remaining beneficiary(ies).

Any Contract Value not allocated to the Sub-Accounts will remain invested and will not be reallocated to the available money market Sub-Account.

Death Benefit Calculations

An applicant may elect either the standard death benefit (Return of Premium) or the optional death benefit that is offered under the contract for an additional charge. If no election is made at the time of application, the death benefit will be the standard death benefit.

The value of each component of the death benefit calculation will be determined as of the date of the Annuitant's death, except for the Contract Value component, which will be determined as of the date Nationwide receives:

- (1) proper proof of the Annuitant's death;
- (2) an election specifying the distribution method; and
- (3) any state required form(s).

Nationwide reserves the right to refuse any purchase payment that would result in the cumulative total for all contracts issued by Nationwide on the life of any one Annuitant or owned by any one Contract Owner to exceed \$1,000,000. If a Contract Owner does not submit purchase payments in excess of \$1,000,000, or if Nationwide has refused to accept purchase payments in excess of \$1,000,000, the references in this provision to purchase payments in excess of \$1,000,000 will not apply.

Standard Death Benefit (Return of Premium)

If the Annuitant dies prior to the Annuitization Date, the death benefit will be the greater of:

- (1) the Contract Value; or

(2) the total of all purchase payments, less an adjustment for amounts withdrawn.

Any adjustment for amounts withdrawn will reduce the applicable factor above in the same proportion that the Contract Value was reduced on the date(s) of the partial withdrawal(s).

The standard death benefit (Return of Premium) also includes the Spousal Protection Feature, which allows a surviving spouse to continue the contract while receiving the economic benefit of the death benefit upon the death of the other spouse.

One-Year Enhanced Death Benefit Option

For an additional charge at an annualized rate of 0.20% of the Daily Net Assets, an applicant can elect the One-Year Enhanced Death Benefit Option. The One-Year Enhanced Death Benefit Option is only available for contracts with Annuitants age 80 or younger at the time of application. Nationwide may realize a profit from the charge assessed for this option.

If the Annuitant dies prior to the Annuitization Date and the total of all purchase payments made to the contract is less than or equal to \$3,000,000, the death benefit will be the greatest of:

- (1) the Contract Value as of the date that Nationwide receives all the information necessary to pay the death benefit;
- (2) the total of all purchase payments, less an adjustment for amounts withdrawn; or
- (3) the highest Contract Value on any Contract Anniversary prior to the Annuitant's 86th birthday, less an adjustment for amounts subsequently withdrawn, plus purchase payments received after that Contract Anniversary.

Any adjustment for amounts withdrawn will reduce the applicable factor above in the same proportion that the Contract Value was reduced on the date(s) of the partial withdrawal(s).

If Nationwide does not receive all information necessary to pay the death benefit within one year of the Annuitant's death, the death benefit will be the greater of (1) or (2) above.

If the Annuitant dies prior to the Annuitization Date and the total of all purchase payments made to the contract is greater than \$3,000,000, the death benefit will be determined using the following formula:

$(A \times F) + B(1 - F)$, where

A = the greatest of:

- (1) the Contract Value as of the date that Nationwide receives all the information necessary to pay the death benefit;
- (2) the total of all purchase payments, less an adjustment for amounts withdrawn; or
- (3) the highest Contract Value on any Contract Anniversary prior to the Annuitant's 86th birthday, less an adjustment for amounts subsequently withdrawn, plus purchase payments received after that Contract Anniversary.

If Nationwide does not receive all information necessary to pay the death benefit within one year of the Annuitant's death, the calculation for A above will be the greater of (1) or (2) above.

B = the Contract Value as of the date that Nationwide receives all the information necessary to pay the death benefit; and

F = the ratio of \$3,000,000 to the total of all purchase payments made to the contract.

Any adjustment for amounts withdrawn will reduce the applicable factor above in the same proportion that the Contract Value was reduced on the date(s) of the partial withdrawal(s).

The practical effect of this formula is that, in down markets, the beneficiary recovers a lesser percentage of purchase payments in excess of \$3,000,000 than for purchase payments up to \$3,000,000. In up markets, the formula is less likely to have a negative effect. In no event will the beneficiary receive less than the Contract Value.

The One-Year Enhanced Death Benefit Option also includes the Spousal Protection Feature, which allows a surviving spouse to continue the contract while receiving the economic benefit of the death benefit upon the death of the other spouse.

Spousal Protection Feature

The standard death benefit and the One-Year Enhanced Death Benefit Option include a Spousal Protection Feature at no additional charge. The Spousal Protection Feature is not available for contracts issued as Charitable Remainder Trusts. The Spousal Protection Feature allows a surviving spouse to continue the contract while receiving the economic benefit of the death benefit upon the death of the other spouse, provided the conditions described below are satisfied:

- (1) One or both spouses (or a revocable trust of which either or both of the spouses is/are grantor(s)) must be named as the Contract Owner. For contracts issued as an IRA or Roth IRA, only the person for whom the IRA or Roth IRA was established may be named as the Contract Owner;
- (2) The spouses must be Co-Annuitants;
- (3) Both spouses must be age 85 or younger at the time the contract is issued; however, if the death benefit option is elected, both spouses must meet the age requirements for the death benefit option at the time of application;
- (4) Both spouses must be named as beneficiaries;
- (5) No person other than the spouse may be named as Contract Owner, Annuitant, or primary beneficiary;
- (6) If both spouses are alive upon annuitization, the Contract Owner must specify which spouse is the Annuitant upon whose continuation of life any annuity payments involving life contingencies depend (for an IRA or Roth IRA contract, this person must be the Contract Owner); and
- (7) If the Contract Owner requests to add a Co-Annuitant after contract issuance, the date of marriage must be after the contract issue date and Nationwide will require the Contract Owner to provide a copy of the marriage certificate.

If a Co-Annuitant dies before the Annuitization Date, the surviving spouse may continue the contract as its sole Contract Owner. Additionally, if the death benefit value is higher than the Contract Value at the time of the first Co-Annuitant's death, Nationwide will adjust the Contract Value to equal the death benefit value. The surviving Co-Annuitant may then name a new beneficiary but may not name another Co-Annuitant.

If the marriage of the Co-Annuitants terminates due to the death of a spouse, divorce, dissolution, or annulment, the Spousal Protection Feature terminates and the Contract Owner is not permitted to cover a subsequent spouse.

Additional purchase payments made to the contract after receiving the benefit of the Spousal Protection Feature are subject to the same CDSC provisions that were applicable prior to receiving the benefit of the Spousal Protection Feature.

Annuity Commencement Date

The Annuity Commencement Date is the date on which annuity payments are scheduled to begin. Generally, the Contract Owner designates the Annuity Commencement Date at the time of application. If no Annuity Commencement Date is designated at the time of application, Nationwide will establish the Annuity Commencement Date as the date the Annuitant reaches age 90.

The Contract Owner may change the Annuity Commencement Date before annuitization. This change must be submitted in writing to the Service Center and approved by Nationwide. The Annuity Commencement Date may not be later than the first day of the first calendar month after the Annuitant's 90th birthday (or the 90th birthday of the oldest Annuitant if there are joint annuitants) unless approved by Nationwide.

Generally, Nationwide will not initiate annuitization until specifically directed to do so. However, for Non-Qualified Contracts only, Nationwide will automatically initiate annuitization within 45 days after the Annuity Commencement Date (whether default or otherwise), unless (1) Nationwide has had direct contact with the Contract Owner (indicating that the contract is not abandoned); or (2) the Contract Owner has taken some type of action which is inconsistent with the desire to annuitize.

Annuity Commencement Date and the 10% Nationwide Lifetime Income Rider, 7% Nationwide Lifetime Income Rider, and 5% Nationwide Lifetime Income Rider

If the Contract Owner elected the 10% Nationwide Lifetime Income Rider, 7% Nationwide Lifetime Income Rider, or 5% Nationwide Lifetime Income Rider, Nationwide will, approximately three months before the Annuity Commencement Date, notify the Contract Owner of the impending Annuity Commencement Date and give the Contract Owner the opportunity to defer the Annuity Commencement Date in order to preserve the benefit associated with the 10% Nationwide Lifetime Income Rider, 7% Nationwide Lifetime Income Rider, and 5% Nationwide Lifetime Income Rider.

Annuitizing the Contract

Annuitization Date

The Annuitization Date is the date that annuity payments begin. If the Contract Owner has elected the 10% Nationwide Lifetime Income Rider, 7% Nationwide Lifetime Income Rider, or 5% Nationwide Lifetime Income Rider, an election to begin annuity payments will terminate all benefits, conditions, guarantees, and charges associated with the elected option.

The Annuitization Date will be the first day of a calendar month unless otherwise agreed. Unless otherwise required by state law, the Annuitization Date must be at least two years after the contract is issued, but may not be later than either:

- the age (or date) specified in the contract; or
- the age (or date) specified by state law, where applicable.

The Internal Revenue Code may require that distributions be made prior to the Annuitization Date (see *Appendix C: Contract Types and Tax Information*).

On the Annuitization Date, the Annuitant becomes the Contract Owner unless the Contract Owner is a Charitable Remainder Trust.

Annuitization

Annuitization is the period during which annuity payments are received. It is irrevocable once payments have begun. Upon arrival of the Annuitization Date, the Annuitant must choose:

- (1) an annuity payment option; and
- (2) either a fixed payment annuity, variable payment annuity, or an available combination.

Actual purchase rates used to determine annuity payments will be those in effect on the Annuitization Date.

Nationwide guarantees that each payment under a fixed payment annuity will be the same throughout annuitization. Under a variable payment annuity, the amount of each payment will vary with the performance of the Sub-Accounts elected.

The Custom Portfolio Asset Rebalancing Service and the Static Asset Allocation Models are not available after annuitization.

Any allocations in the Fixed Account that are to be annuitized as a variable payment annuity must be transferred to one or more Sub-Accounts prior to the Annuitization Date. There are no restrictions on Fixed Account transfers made in anticipation of annuitization.

Any allocations in the Sub-Accounts that are to be annuitized as a fixed payment annuity must be transferred to the Fixed Account prior to the Annuitization Date. Short-term trading fees do not apply to transfers made in anticipation of annuitization.

Fixed Annuity Payments

Fixed annuity payments provide for level annuity payments. Premium taxes are deducted prior to determining fixed annuity payments. The fixed annuity payments will remain level unless the annuity payment option provides otherwise.

Variable Annuity Payments

Variable annuity payments will vary depending on the performance of the Sub-Accounts selected. The Sub-Accounts available during annuitization are those Sub-Accounts corresponding to the underlying mutual funds shown in *Appendix A: Underlying Mutual Funds*.

First Variable Annuity Payment

A number of factors determine the amount of the first variable annuity payment, including, but not limited to:

- the portion of purchase payments allocated to provide variable annuity payments;
- the Variable Account value on the Annuitization Date;
- the adjusted age and sex of the Annuitant (and joint annuitant, if any) in accordance with the contract;
- the annuity payment option elected;
- the frequency of annuity payments;
- the Annuitization Date;
- the assumed investment return (the net investment return required to maintain level variable annuity payments);
- the deduction of applicable premium taxes; and
- the date the contract was issued.

Assumed Investment Return

An assumed investment return is the net investment return required to maintain level variable annuity payments. Nationwide uses a 3.5% assumed investment return factor. Therefore, if the net investment performance of each Sub-Account in which the Contract Owner invests exactly equals 3.5% for every payment period, then each payment will be the same amount. To the extent that investment performance is not equal to 3.5% for given payment periods, the amount of

the payments in those periods will not be the same. Payments will increase from one payment date to the next if the annualized net rate of return is greater than 3.5% during that time. Conversely, payments will decrease from one payment to the next if the annualized net rate of return is less than 3.5% during that time.

Nationwide uses the assumed investment rate of return to determine the amount of the first variable annuity payment.

Subsequent Variable Annuity Payments

Variable annuity payments after the first will vary with the performance of the Sub-Accounts chosen by the Contract Owner after the investment performance is adjusted by the assumed investment return factor.

The dollar amount of each subsequent variable annuity payment is determined by taking the portion of the first annuity payment funded by a particular Sub-Account divided by the Annuity Unit value for that Sub-Account as of the Annuitization Date. This establishes the number of Annuity Units provided by each Sub-Account for each variable annuity payment after the first.

The number of Annuity Units comprising each variable annuity payment, on a Sub-Account basis, will remain constant, unless the Contract Owner transfers value from one Sub-Account to another. After annuitization, transfers among Sub-Accounts may only be made once per calendar year.

The number of Annuity Units for each Sub-Account is multiplied by the Annuity Unit value for that Sub-Account for the Valuation Period for which the payment is due. The sum of these results for all the Sub-Accounts in which the Contract Owner invests establishes the dollar amount of the variable annuity payment.

Subsequent variable annuity payments may be more or less than the previous variable annuity payment, depending on whether the net investment performance of the elected Sub-Accounts is greater or lesser than the assumed investment return.

Value of an Annuity Unit

Annuity Unit values for Sub-Accounts are determined by:

- (1) multiplying the Annuity Unit value for each Sub-Account for the immediately preceding Valuation Period by the Net Investment Factor for the Sub-Account for the subsequent Valuation Period; and then
- (2) multiplying the result from (1) by a factor to neutralize the assumed investment return factor.

The Net Investment Factor for any particular Sub-Account on or after the Annuitization Date is determined by dividing (a) by (b), and then subtracting (c) from the result, where:

- (a) is the sum of:
 - (1) the Net Asset Value of the underlying mutual fund as of the end of the current Valuation Period; and
 - (2) the per share amount of any dividend or income distributions made by the underlying mutual fund (if the date of the dividend or income distribution occurs during the current Valuation Period).
- (b) is the Net Asset Value of the underlying mutual fund determined as of the end of the preceding Valuation Period.
- (c) is a factor representing the daily Variable Account charges, which is equal to 1.30% of the Daily Net Assets.

Based on the change in the Net Investment Factor, the value of an Annuity Unit may increase or decrease. Changes in the Net Investment Factor may not be directly proportional to changes in the Net Asset Value of the underlying mutual fund shares because of the deduction of Variable Account charges.

Though the number of Annuity Units will not change as a result of investment experience, the value of an Annuity Unit may increase or decrease from Valuation Period to Valuation Period.

Frequency and Amount of Annuity Payments

Annuity payments are based on the annuity payment option elected.

If no purchase payments are received in the three years before the Annuitization Date and if the net amount to be annuitized is less than \$2,000, Nationwide reserves the right to pay this amount in a lump sum instead of periodic annuity payments.

Nationwide reserves the right to change the frequency of payments if the amount of any payment becomes less than \$20. The payment frequency will be changed to an interval that will result in payments of at least \$20. Nationwide will send annuity payments no later than seven days after each annuity payment date.

Annuity Payment Options

The Annuitant must elect an annuity payment option before the Annuitization Date. If the Annuitant does not elect an annuity payment option, a variable payment Single Life with a 20 Year Term Certain annuity payment option will be assumed as the automatic form of payment upon annuitization. Once elected or assumed, the annuity payment option may not be changed.

Not all of the annuity payment options may be available in all states. Additionally, the annuity payment options available may be limited based on the Annuitant's age (and the joint annuitant's age, if applicable) or requirements under the Internal Revenue Code.

Nationwide reserves the right to refuse any purchase payment that would result in the cumulative total for all contracts issued by Nationwide on the life of any one Annuitant or owned by any one Contract Owner to exceed \$1,000,000. If a Contract Owner does not submit purchase payments in excess of \$1,000,000, or if Nationwide has refused to accept purchase payments in excess of \$1,000,000, the references in this provision to purchase payments in excess of \$1,000,000 will not apply. If the Contract Owner is permitted to submit purchase payments in excess of \$1,000,000, additional restrictions apply, as follows.

Annuity Payment Options for Contracts with Total Purchase Payments and Contract Value Annuitized Less Than or Equal to \$2,000,000

If, at the Annuitization Date, the total of all purchase payments made to the contract and the Contract Value annuitized is less than or equal to \$2,000,000, the annuity payment options available are:

- Single Life;
- Standard Joint and Survivor; and
- Single Life with a 10 or 20 Year Term Certain.

Each of the annuity payment options is discussed more thoroughly below.

Single Life

The Single Life annuity payment option provides for annuity payments to be paid during the lifetime of the Annuitant. This option is not available if the Annuitant is 86 or older on the Annuitization Date.

Payments will cease with the last payment before the Annuitant's death. For example, if the Annuitant dies before the second annuity payment date, the Annuitant will receive only one payment. The Annuitant will only receive two annuity payments if he or she dies before the third payment date, and so on. No death benefit will be paid.

No withdrawals other than the scheduled annuity payments are permitted.

Standard Joint and Survivor

The Standard Joint and Survivor annuity payment option provides for annuity payments to continue during the joint lifetimes of the Annuitant and joint annuitant. After the death of either the Annuitant or joint annuitant, payments will continue for the life of the survivor. This option is not available if the Annuitant or joint Annuitant is 86 or older on the Annuitization Date.

Payments will cease with the last payment due prior to the death of the last survivor of the Annuitant and joint annuitant. As is the case of the Single Life annuity payment option, there is no guaranteed number of payments. Therefore, it is possible that if the Annuitant dies before the second annuity payment date, the Annuitant will receive only one annuity payment. No death benefit will be paid.

No withdrawals other than the scheduled annuity payments are permitted.

Single Life with a 10 or 20 Year Term Certain

The Single Life with a 10 or 20 Year Term Certain annuity payment option provides that monthly annuity payments will be paid during the Annuitant's lifetime or for the term selected, whichever is longer. The term may be either 10 or 20 years.

If the Annuitant dies before the end of the 10 or 20 year term, payments will be paid to the beneficiary for the remainder of the term.

No withdrawals other than the scheduled annuity payments are permitted.

Any Other Option

Annuity payment options not set forth in this provision may be available. Any annuity payment option not set forth in this provision must be approved by Nationwide.

Annuity Payment Options for Contracts with Total Purchase Payments and/or Contract Value Annuitized Greater Than \$2,000,000

If, at the Annuitization Date, the total of all purchase payments made to the contract and/or the Contract Value to be annuitized is greater than \$2,000,000, Nationwide may limit the annuity payment option to the longer of:

- (1) a Fixed Life Annuity with a 20 Year Term Certain; or
- (2) a Fixed Life Annuity with a Term Certain to Age 95.

Annuitization of Amounts Greater than \$5,000,000

Additionally, Nationwide may limit the amount that may be annuitized on a single life to \$5,000,000. If the total amount to be annuitized is greater than \$5,000,000 under this contract and/or for all Nationwide issued annuity contracts with the same Annuitant, the Contract Owner must:

- (1) reduce the amount to be annuitized to \$5,000,000 or less by taking a partial withdrawal from the contract;
- (2) reduce the amount to be annuitized to \$5,000,000 or less by exchanging the portion of the Contract Value in excess of \$5,000,000 to another annuity contract; or
- (3) annuitize the portion of the Contract Value in excess of \$5,000,000 under an annuity payment option with a term certain, if available.

Statements and Reports

Nationwide will mail Contract Owners statements and reports. Therefore, Contract Owners should promptly notify the Service Center of any address change.

These mailings will contain:

- statements showing the contract's quarterly activity;
- confirmation statements showing transactions that affect the contract's value. Confirmation statements will not be sent for recurring transactions (*i.e.*, Dollar Cost Averaging or salary reduction programs). Instead, confirmation of recurring transactions will appear in the contract's quarterly statements; and
- semi-annual and annual reports of allocated underlying mutual funds.

Contract Owners can receive information from Nationwide faster and reduce the amount of mail received by signing up for Nationwide's eDelivery program. Nationwide will notify Contract Owners by email when important documents (statements, prospectuses, and other documents) are ready for a Contract Owner to view, print, or download from Nationwide's secure server. To choose this option, go to: www.nationwide.com/login.

Contract Owners should review statements and confirmations carefully. All errors or corrections must be reported to Nationwide immediately to assure proper crediting to the contract. Unless Nationwide is notified within 30 days of receipt of the statement, Nationwide will assume statements and confirmation statements are correct.

IMPORTANT NOTICE REGARDING DELIVERY OF SECURITY OWNER DOCUMENTS

When multiple copies of the same disclosure document(s), such as prospectuses, supplements, proxy statements, and semi-annual and annual reports are required to be mailed to multiple Contract Owners in the same household, Nationwide will mail only one copy of each document, unless notified otherwise by the Contract Owner(s). Household delivery will continue for the life of the contracts.

A Contract Owner can revoke their consent to household delivery and reinstitute individual delivery by contacting the Service Center. Nationwide will reinstitute individual delivery within 30 days after receiving such notification.

Legal Proceedings

Nationwide Life Insurance Company

Nationwide Financial Services, Inc. (NFS, or collectively with its subsidiaries, "the Company") was formed in November 1996. NFS is the holding company for Nationwide Life Insurance Company (NLIC), Nationwide Life and Annuity Insurance Company (NLAIC) and other companies that comprise the life insurance and retirement savings operations of the Nationwide group of companies (Nationwide). This group includes Nationwide Financial Network (NFN), an affiliated distribution network that markets directly to its customer base. NFS is incorporated in Delaware and maintains its principal executive offices in Columbus, Ohio.

The Company is subject to legal and regulatory proceedings in the ordinary course of its business. The Company's legal and regulatory matters include proceedings specific to the Company and other proceedings generally applicable to business practices in the industries in which the Company operates. The Company's litigation and regulatory matters are subject to many uncertainties, and given their complexity and scope, their outcomes cannot be predicted. Regulatory proceedings also could affect the outcome of one or more of the Company's litigation matters. Furthermore, it is often not possible to determine the ultimate outcomes of the pending regulatory investigations and legal proceedings or to provide reasonable ranges of potential losses with any degree of certainty. Some matters, including certain of those referred to below, are in very preliminary stages, and the Company does not have sufficient information to make an assessment of the plaintiffs' claims for liability or damages. In some of the cases seeking to be certified as class actions, the court has not yet decided whether a class will be certified or (in the event of certification) the size of the class and class period. In many of the cases, the plaintiffs are seeking undefined amounts of damages or other relief, including punitive damages and equitable remedies, which are difficult to quantify and cannot be defined based on the information currently available. The Company believes, however, that based on currently known information, the ultimate outcome of all pending legal and regulatory matters is not likely to have a material adverse effect on the Company's consolidated financial position. Nonetheless, given the large or indeterminate amounts sought in certain of these matters and the inherent unpredictability of litigation, it is possible that such outcomes could materially affect the Company's consolidated financial position or results of operations in a particular quarter or annual period.

The financial services industry has been the subject of increasing scrutiny on a broad range of issues by regulators and legislators. The Company and/or its affiliates have been contacted by, self reported or received subpoenas from state and federal regulatory agencies, including the Securities and Exchange Commission, and other governmental bodies, state securities law regulators and state attorneys general for information relating to, among other things, sales compensation, the allocation of compensation, unsuitable sales or replacement practices, and claims handling and escheatment practices. The Company is cooperating with and responding to regulators in connection with these inquiries and will cooperate with Nationwide Mutual Insurance Company (NMIC) in responding to these inquiries to the extent that any inquiries encompass NMIC's operations.

In October 2012, NLIC and NLAIC entered into a Regulatory Settlement Agreement with the Florida Office of Insurance Regulation and 21 other state Departments of Insurance to resolve a multi-state market conduct exam regarding claim settlement practices. The Regulatory Settlement Agreement applies prospectively and requires NLIC and NLAIC to adopt and implement additional procedures relating to the use of to the Social Security Death Master File and identifying and locating beneficiaries once deaths are identified. In October 2012, NLIC and NLAIC also entered into a Global Resolution Agreement to resolve the related unclaimed property audit.

On November 20, 2007, Nationwide Retirement Solutions, Inc. (NRS) and NLIC were named in a lawsuit filed in the Circuit Court of Jefferson County, Alabama entitled *Ruth A. Gwin and Sandra H. Turner, and a class of similarly situated individuals v. Nationwide Life Insurance Company, Nationwide Retirement Solutions, Inc., Alabama State Employees Association, PEBCO, Inc. and Fictitious Defendants A to Z*. On March 12, 2010, NRS and NLIC were named in a Second Amended Class Action Complaint filed in the Circuit Court of Jefferson County, Alabama entitled *Steven E. Coker, Sandra H. Turner, David N. Lichtenstein and a class of similarly situated individuals v. Nationwide Life Insurance Company, Nationwide Retirement Solutions, Inc., Alabama State Employees Association, Inc., PEBCO, Inc. and Fictitious Defendants A to Z* claiming to represent a class of all participants in the Alabama State Employees Association, Inc. (ASEA) Plan, excluding members of the Deferred Compensation Committee, ASEA's directors, officers and board members, and PEBCO's directors, officers and board members. On October 22, 2010, the parties to this action executed a stipulation of settlement that agreed to certify a class for settlement purposes only, that provided for payments to the settlement class, and that provided for releases, certain bar orders, and dismissal of the case. The settlement fund has been paid out. On December 6, 2011 the Court entered an Order that NRS owes indemnification to ASEA and PEBCO for the Coker (Gwin) class action, and dismissed NLIC. The Company has resolved the indemnification claims of ASEA. On February 13, 2013, the Court issued its Order determining the amount of fees due to PEBCO on its indemnification claim. On March 28, 2013, the Company filed a notice of appeal to the Alabama Supreme Court. NRS continues to defend this case vigorously.

On August 15, 2001, NFS and NLIC were named in a lawsuit filed in the United States District Court for the District of Connecticut entitled *Lou Haddock, as trustee of the Flyte Tool & Die, Incorporated Deferred Compensation Plan, et al v. Nationwide Financial Services, Inc. and Nationwide Life Insurance Company*. On November 18, 2009, the plaintiffs filed a sixth amended complaint amending the list of named plaintiffs and claiming to represent a class of qualified retirement plan trustees under the Employee Retirement Income Security Act of 1974 (ERISA) that purchased variable annuities from NLIC. The plaintiffs allege that they invested ERISA plan assets in their variable annuity contracts and that NLIC and NFS breached ERISA fiduciary duties by allegedly accepting service payments from certain mutual funds. The complaint seeks disgorgement of some or all of the payments allegedly received by NFS and NLIC, other unspecified relief for

restitution, declaratory and injunctive relief, and attorneys' fees. On November 6, 2009, the Court granted the plaintiff's motion for class certification and certified a class of "All trustees of all employee pension benefit plans covered by ERISA which had variable annuity contracts with NFS and NLIC or whose participants had individual variable annuity contracts with NFS and NLIC at any time from January 1, 1996, or the first date NFS and NLIC began receiving payments from mutual funds based on a percentage of assets invested in the funds by NFS and NLIC, whichever came first, to the date of November 6, 2009." On October 21, 2010, the District Court dismissed NFS from the lawsuit. On February 6, 2012, the Second Circuit Court of Appeals vacated the November 6, 2009, order granting class certification and remanded the class back to the District Court for further consideration. The plaintiffs have renewed their motion for class certification. On December 18, 2012, the District Court heard oral argument on the motion for class certification. NLIC continues to defend this lawsuit vigorously.

On June 8, 2011, NMIC and NLIC were named in a lawsuit filed in Court of Common Pleas, Cuyahoga County, Ohio entitled *Stanley Andrews and Donald Clark, on their behalf and on behalf of the class defined herein v. Nationwide Mutual Insurance Company and Nationwide Life Insurance Company*. The lower court granted Nationwide's motion to dismiss. Plaintiffs appealed. The Court of Appeals affirmed the dismissal on October 24, 2012. Plaintiffs filed a petition for rehearing en banc on November 5, 2012. The Court of Appeals denied the petition on December 14, 2012. Plaintiff filed a notice of appeal to the Ohio Supreme Court on January 24, 2013. Nationwide has 30 days to file an opposition memorandum. Nationwide filed its memorandum in opposition to plaintiffs' petition for jurisdiction to the Ohio Supreme Court on February 27, 2013.

Lehman Brothers Holdings, Inc. (Debtors) and Giddens, James v NLIC and NMIC, et al. In 2012 the Plaintiff, Debtor in Possession Lehman Brothers Special Financing, Inc., filed a class action in the United States Bankruptcy Court for the Southern District of New York seeking the recovery of nearly \$3 billion in assets from all the named defendants including NLIC and NMIC. This litigation arises from two collateralized debt obligation transactions, 801 Grand and Alta, which resulted in payments to NLIC and NMIC. In 2008, the Plaintiff and its parent company, Lehman Brothers Holding, Inc. filed for bankruptcy which triggered an early termination of the above transactions. The Plaintiff seeks to have sums returned to the bankruptcy estate in addition to prejudgment interest and costs. The case is currently stayed and on February 13, 2013, the Court extended the stay. Responsive pleadings are now due September 5, 2013. Lehman recently sent correspondence out to all defendants inviting settlement discussions which is under review.

Appendix A: Underlying Mutual Funds

This appendix contains information about the underlying mutual funds in which the Sub-Accounts invest. The underlying mutual funds in which the Sub-Accounts invest are designed primarily as investments for variable annuity contracts and variable life insurance policies issued by insurance companies. There is no guarantee that the investment objectives will be met. Refer to the prospectus for each underlying mutual fund for more detailed information.

Designations Key:

- STTF: The underlying mutual fund assesses (or reserves the right to assess) a short-term trading fee (see *Short-Term Trading Fees*).
- FF: The underlying mutual fund primarily invests in other mutual funds. Therefore, a proportionate share of the fees and expenses of any acquired funds are indirectly borne by investors. As a result, investors in this Sub-Account may incur higher charges than if the assets were invested in an underlying mutual fund that does not invest in other mutual funds. Refer to the prospectus for this underlying mutual fund for more information.
- VOL: The underlying mutual fund was developed primarily for use in connection with living benefits that are available in this contract or other contracts that Nationwide offers. The underlying mutual fund is designed to help reduce a Contract Owner's exposure to equity investments when equity markets are more volatile. The fund uses a volatility overlay to minimize the costs and risks to Nationwide of supporting the living benefit guarantees. This could create a conflict of interest between the beneficial shareholders and Nationwide. In light of the fund's design, additional consideration should be given to whether investment in this fund is appropriate without election of a living benefit.

AllianceBernstein Variable Products Series Fund, Inc. - AllianceBernstein Small/Mid Cap Value Portfolio: Class B

Investment Advisor: AllianceBernstein L.P.
Investment Objective: Long-term growth of capital.

AllianceBernstein Variable Products Series Fund, Inc. - AllianceBernstein VPS Dynamic Asset Allocation Portfolio: Class B

Investment Advisor: AllianceBernstein L.P.
Investment Objective: Maximize total return consistent with the Adviser's determination of reasonable risk.

American Century Variable Portfolios II, Inc. - American Century VP Inflation Protection Fund: Class II

Investment Advisor: American Century Investment Management, Inc.
Investment Objective: Long-term total return using a strategy that seeks to protect against U.S. inflation.

American Century Variable Portfolios, Inc. - American Century VP Mid Cap Value Fund: Class II

Investment Advisor: American Century Investment Management, Inc.
Investment Objective: Long-term capital growth with income as a secondary objective.

BlackRock Variable Series Funds, Inc. - BlackRock Global Allocation V.I. Fund: Class III

Investment Advisor: BlackRock Advisors, LLC
Sub-advisor: BlackRock Investment Management, LLC; BlackRock International Limited
Investment Objective: Seeks high total investment return.

Delaware VIP Trust - Delaware VIP Small Cap Value Series: Service Class

Investment Advisor: Delaware Management Company, Inc.
Investment Objective: The fund seeks capital appreciation.

Dreyfus Investment Portfolios - Small Cap Stock Index Portfolio: Service Shares

This underlying mutual fund is only available in contracts for which good order applications were received before May 1, 2013

Investment Advisor: The Dreyfus Corporation
Investment Objective: To match performance of the S&P SmallCap 600 Index®.

Dreyfus Stock Index Fund, Inc.: Service Shares

This underlying mutual fund is only available in contracts for which good order applications were received before May 1, 2013

Investment Advisor: The Dreyfus Corporation
Investment Objective: To match performance of the S&P 500.

Dreyfus Variable Investment Fund - Appreciation Portfolio: Initial Shares

Investment Advisor: The Dreyfus Corporation
Sub-advisor: Fayez Sarofim & Co.
Investment Objective: Long-term capital growth consistent with the preservation of capital.

Fidelity Variable Insurance Products Fund - Fidelity VIP Freedom Fund 2010 Portfolio: Service Class 2

Investment Advisor: Strategic Advisers Inc. Boston MA
Sub-advisor: FMR Co., Inc., Fidelity Research & Analysis Company
Investment Objective: High total return with a secondary objective of principal preservation as the fund approaches its target date and beyond.
Designation: FF

Fidelity Variable Insurance Products Fund - Fidelity VIP Freedom Fund 2020 Portfolio: Service Class 2

Investment Advisor: Strategic Advisers Inc. Boston MA
Sub-advisor: FMR Co., Inc., Fidelity Research & Analysis Company
Investment Objective: High total return with a secondary objective of principal preservation as the fund approaches its target date and beyond.
Designation: FF

Fidelity Variable Insurance Products Fund - Fidelity VIP Freedom Fund 2030 Portfolio: Service Class 2

Investment Advisor: Strategic Advisers Inc. Boston MA
Sub-advisor: FMR Co., Inc., Fidelity Research & Analysis Company
Investment Objective: High total return with a secondary objective of principal preservation as the fund approaches its target date and beyond.
Designation: FF

Fidelity Variable Insurance Products Fund - VIP Energy Portfolio: Service Class 2

Investment Advisor: Fidelity Management & Research Company
Sub-advisor: FMR Co., Inc., Fidelity Research & Analysis Company
Investment Objective: Capital appreciation.
Designation: STTF

Fidelity Variable Insurance Products Fund - VIP Equity-Income Portfolio: Service Class 2

Investment Advisor: Fidelity Management & Research Company
Sub-advisor: FMR Co., Inc., Fidelity Management & Research (U.K.) Inc., Fidelity Research & Analysis Company, Fidelity Investments Japan Limited, Fidelity International Investment Advisors, Fidelity International Investment Advisors (U.K.) Limited
Investment Objective: Reasonable income.

Fidelity Variable Insurance Products Fund - VIP Growth Portfolio: Service Class 2

Investment Advisor: Fidelity Management & Research Company
Sub-advisor: FMR Co., Inc., Fidelity Management & Research (U.K.) Inc., Fidelity Research & Analysis Company, Fidelity International Investment Advisors, Fidelity International Investment Advisors (U.K.) Limited, Fidelity Investments Japan Limited
Investment Objective: Capital appreciation.

Fidelity Variable Insurance Products Fund - VIP Investment Grade Bond Portfolio: Service Class 2

Investment Advisor: Fidelity Management & Research Company
Sub-advisor: Fidelity Investments Money Management, Inc., Fidelity Research & Analysis Company, Fidelity International Investment Advisors, Fidelity International Investment Advisors (U.K.) Limited
Investment Objective: High level of current income.

Fidelity Variable Insurance Products Fund - VIP Mid Cap Portfolio: Service Class 2

Investment Advisor: Fidelity Management & Research Company
Sub-advisor: FMR Co., Inc., Fidelity Management & Research (U.K.) Inc., Fidelity Research & Analysis Company, Fidelity Investments Japan Limited, Fidelity International Investment Advisors, Fidelity International Investment Advisors (U.K.) Limited
Investment Objective: Long-term growth of capital.

Fidelity Variable Insurance Products Fund - VIP Overseas Portfolio: Service Class 2R

Investment Advisor: Fidelity Management & Research Company
Sub-advisor: FMR Co., Inc., Fidelity Management & Research (U.K.) Inc., Fidelity Research & Analysis Company, Fidelity International Investment Advisors, Fidelity International Investment Advisors (U.K.) Limited, Fidelity Investments Japan Limited
Investment Objective: Long-term capital growth.
Designation: STTF

Franklin Templeton Variable Insurance Products Trust - Franklin Income Securities Fund: Class 2

Investment Advisor: Franklin Advisers, Inc.
Investment Objective: Maximum income while maintaining prospects for capital appreciation.

Franklin Templeton Variable Insurance Products Trust - Franklin Small Cap Value Securities Fund: Class 2

This underlying mutual fund is only available in contracts for which good order applications were received before May 1, 2013

Investment Advisor: Franklin Advisory Services, LLC
Investment Objective: Long-term total return.

Franklin Templeton Variable Insurance Products Trust - Franklin Templeton VIP Founding Funds Allocation Fund: Class 2

Investment Advisor: Franklin Templeton Services, LLC
Investment Objective: Capital appreciation with income as a secondary goal.
Designation: FF

Franklin Templeton Variable Insurance Products Trust - Templeton Global Bond Securities Fund: Class 3

Investment Advisor: Franklin Advisers, Inc.
Investment Objective: High current income, consistent with preservation of capital, with capital appreciation as a secondary consideration.
Designation: STTF

Goldman Sachs Variable Insurance Trust - Goldman Sachs Global Markets Navigator Fund: Service Shares

Investment Advisor: Goldman Sachs Asset Management, L.P.
Investment Objective: Seeks to achieve investment results that approximate the performance of the GS Global Markets Navigator Index (the "Index").

Guggenheim Variable Fund - Multi-Hedge Strategies

Investment Advisor: Security Investors, LLC
Investment Objective: Capital appreciation consistent with the return and risk characteristics of the hedge fund universe and, secondarily, to achieve these returns with low correlation to and less volatility than equity indices.

Huntington VA Funds - Huntington VA International Equity Fund

Investment Advisor: Huntington Asset Advisors, Inc.
Investment Objective: Seeks total return on its assets.

Huntington VA Funds - Huntington VA Situs Fund

Investment Advisor: Huntington Asset Advisors, Inc.
Investment Objective: Seeks long-term capital appreciation.

Invesco - Invesco V.I. Mid Cap Core Equity Fund: Series II

Investment Advisor: Invesco Advisers, Inc.
Investment Objective: Long-term growth of capital.

Invesco - Invesco V.I. Mid Cap Growth Fund: Series II Shares (formerly, Invesco - Invesco Van Kampen V.I. Mid Cap Growth Fund: Series II)

This underlying mutual fund is only available in contracts for which good order applications were received before May 1, 2012

Investment Advisor: Invesco Advisers, Inc.
Investment Objective: Capital growth.

Ivy Funds Variable Insurance Portfolios - Asset Strategy

Investment Advisor: Waddell & Reed Investment Management Company
Investment Objective: Seeks high total return over the long term.

Ivy Funds Variable Insurance Portfolios - High Income

Investment Advisor: Waddell & Reed Investment Management Company
Investment Objective: Seeks a high level of current income and capital when consistent with its primary objective as a secondary objective.

Ivy Funds Variable Insurance Portfolios - Mid Cap Growth

Investment Advisor: Waddell & Reed Investment Management Company
Investment Objective: Seeks to provide growth of investment.

Janus Aspen Series - Forty Portfolio: Service Shares

Investment Advisor: Janus Capital Management LLC
Investment Objective: Long-term growth of capital.

Janus Aspen Series - Global Technology Portfolio: Service Shares

Investment Advisor: Janus Capital Management LLC
Investment Objective: Long-term growth of capital.

Janus Aspen Series - Overseas Portfolio: Service Shares

Investment Advisor: Janus Capital Management LLC
Investment Objective: Long-term growth of capital.

MFS® Variable Insurance Trust - MFS New Discovery Series: Service Class

Investment Advisor: Massachusetts Financial Services Company
Investment Objective: To seek capital appreciation.

MFS® Variable Insurance Trust - MFS Value Series: Service Class

Investment Advisor: Massachusetts Financial Services Company
Investment Objective: To seek capital appreciation.

MFS® Variable Insurance Trust II - MFS International Value Portfolio: Service Class

Investment Advisor: Massachusetts Financial Services Company
Investment Objective: The fund's investment objective is to seek capital appreciation. MFS normally invests the fund's assets primarily in foreign equity securities, including emerging market equity securities.

Nationwide Variable Insurance Trust - American Century NVIT Growth Fund: Class II

Investment Advisor: Nationwide Fund Advisors
Sub-advisor: American Century Investment Management, Inc.
Investment Objective: Seeks long-term capital appreciation.

Nationwide Variable Insurance Trust - American Century NVIT Multi Cap Value Fund: Class II

Investment Advisor: Nationwide Fund Advisors
Sub-advisor: American Century Investment Management, Inc.

Appendix B: Condensed Financial Information

The following tables list the Condensed Financial Information (the Accumulation Unit value information for Accumulation Units outstanding) for contracts with no optional benefits (the minimum Variable Account charge of 1.30%) and contracts with the most expensive combination of allowable optional benefits as of December 31, 2012 (the maximum Variable Account charge of 2.00%). The term "Period" is defined as a complete calendar year, unless otherwise noted. Those Periods with an asterisk (*) reflect Accumulation Unit information for a partial year only. To obtain a copy of the Condensed Financial Information for any other Variable Account expense tier, contact the Service Center and request a copy of the Statement of Additional Information, which is available free of charge.

The following Sub-Accounts were added to the Variable Account after December 31, 2012; therefore, no Condensed Financial Information is available:

Appendix C: Contract Types and Tax Information

Types of Contracts

The contracts described in this prospectus are classified according to the tax treatment to which they are subject under the Internal Revenue Code (the "Code"). Following is a general description of the various contract types. Eligibility requirements, tax benefits (if any), limitations, and other features of the contracts will differ depending on contract type.

Non-Qualified Contracts

A non-qualified contract is a contract that does not qualify for certain tax benefits under the Code, and which is not an IRA, Roth IRA, SEP IRA, Simple IRA, or tax sheltered annuity.

Upon the death of the owner of a non-qualified contract, mandatory distribution requirements are imposed to ensure distribution of the entire balance in the contract within a required period.

Non-qualified contracts that are owned by natural persons allow the deferral of taxation on the income earned in the contract until it is distributed or deemed to be distributed. Non-qualified contracts that are owned by non-natural persons, such as trusts, corporations, and partnerships are generally subject to current income tax on the income earned inside the contract, unless the non-natural person owns the contract as an agent of a natural person.

Charitable Remainder Trusts

Charitable Remainder Trusts are trusts that meet the requirements of Section 664 of the Code. Non-Qualified Contracts that are issued to Charitable Remainder Trusts will differ from other Non-Qualified Contracts in three respects:

- (1) Waiver of sales charges. In addition to any sales load waivers included in the contract, Charitable Remainder Trusts may also withdraw the difference between:
 - (a) the contract value on the day before the withdrawal; and
 - (b) the total amount of purchase payments made to the contract (less an adjustment for amounts surrendered).
- (2) Contract ownership at annuitization. On the annuitization date, if the contract owner is a Charitable Remainder Trust, the Charitable Remainder Trust will continue to be the contract owner and the annuitant will NOT become the contract owner.
- (3) Recipient of death benefit proceeds. With respect to the death benefit proceeds, if the contract owner is a Charitable Remainder Trust, the death benefit is payable to the Charitable Remainder Trust. Any designation in conflict with the Charitable Remainder Trust's right to the death benefit will be void.

While these provisions are intended to facilitate a Charitable Remainder Trust's ownership of this contract, the rules governing Charitable Remainder Trusts are numerous and complex. A Charitable Remainder Trust that is considering purchasing this contract should seek the advice of a qualified tax and/or financial advisor prior to purchasing the contract. An annuity that has a Charitable Remainder Trust endorsement is not a Charitable Remainder Trust; the endorsement is merely to facilitate ownership of the contract by a Charitable Remainder Trust.

Individual Retirement Annuities (IRAs)

IRAs are contracts that satisfy the provisions of Section 408(b) of the Code, including the following requirements:

- the contract is not transferable by the owner;
- the premiums are not fixed;
- if the contract owner is younger than age 50, the annual premium cannot exceed \$5,500; if the contract owner is age 50 or older, the annual premium cannot exceed \$6,500 (although rollovers of greater amounts from Qualified Plans, Tax Sheltered Annuities, and other IRAs can be received);
- certain minimum distribution requirements must be satisfied after the owner attains the age of 70½;
- the entire interest of the owner in the contract is nonforfeitable; and
- after the death of the owner, additional distribution requirements may be imposed to ensure distribution of the entire balance in the contract within the statutory period of time.

Depending on the circumstance of the owner, all or a portion of the contributions made to the account may be deducted for federal income tax purposes.

IRAs may receive rollover contributions from other individual retirement accounts, other individual retirement annuities, tax sheltered annuities, certain 457 governmental plans, and qualified retirement plans (including 401(k) plans).

When the owner of an IRA attains the age of 70½, the Code requires that certain minimum distributions be made. In addition, upon the death of the owner of an IRA, mandatory distribution requirements are imposed by the Code to ensure distribution of the entire contract value within the required statutory period. Due to recent changes in Treasury Regulations, the amount used to compute the mandatory distributions may exceed the contract value.

Failure to make the mandatory distributions can result in an additional penalty tax of 50% of the excess of the amount required to be distributed over the amount that was actually distributed.

For further details regarding IRAs, refer to the disclosure statement provided when the IRA was established and the annuity contract's IRA endorsement.

As used herein, the term "individual retirement plans" shall refer to both individual retirement annuities and individual retirement accounts that are described in Section 408 of the Code.

Roth IRAs

Roth IRA contracts are contracts that satisfy the provisions of Section 408A of the Code, including the following requirements:

- the contract is not transferable by the owner;
- the premiums are not fixed;
- if the contract owner is younger than age 50, the annual premium cannot exceed \$5,500; if the contract owner is age 50 or older, the annual premium cannot exceed \$6,500 (although rollovers of greater amounts from other Roth IRAs and other individual retirement plans can be received);
- the entire interest of the owner in the contract is nonforfeitable; and
- after the death of the owner, certain distribution requirements may be imposed to ensure distribution of the entire balance in the contract within the statutory period of time.

A Roth IRA can receive a rollover from an individual retirement plan or another eligible retirement plan; however, the amount rolled over from the individual retirement plan or other eligible retirement plan to the Roth IRA is required to be included in the owner's federal gross income at the time of the rollover, and will be subject to federal income tax.

There are income limitations on eligibility to participate in a Roth IRA.

For further details regarding Roth IRAs, please refer to the disclosure statement provided when the Roth IRA was established and the annuity contract's IRA endorsement.

Simplified Employee Pension IRAs (SEP IRA)

A SEP IRA is a written plan established by an employer for the benefit of employees which permits the employer to make contributions to an IRA established for the benefit of each employee.

An employee may make deductible contributions to a SEP IRA subject to the same restrictions and limitations as an IRA. In addition, the employer may make contributions to the SEP IRA, subject to dollar and percentage limitations imposed by both the Code and the written plan.

A SEP IRA plan must satisfy:

- minimum participation rules;
- top-heavy contribution rules;
- nondiscriminatory allocation rules; and
- requirements regarding a written allocation formula.

In addition, the plan cannot restrict withdrawals of non-elective contributions, and must restrict withdrawals of elective contributions before March 15th of the following year.

When the owner of a SEP IRA attains the age of 70½, the Code requires that certain minimum distributions be made. Due to recent changes in Treasury Regulations, the amount used to compute the minimum distributions may exceed the contract value. In addition, upon the death of the owner of a SEP IRA, mandatory distribution requirements are imposed by the Code to ensure distribution of the entire contract value within the required statutory period.

Simple IRAs

A Simple IRA is an Individual Retirement Annuity that is funded exclusively by a qualified salary reduction arrangement and satisfies:

- vesting requirements;
- participation requirements; and

- administrative requirements.

The funds contributed to a Simple IRA cannot be commingled with funds in other individual retirement plans or SEP IRAs.

A Simple IRA cannot receive rollover distributions except from another Simple IRA.

When the owner of a Simple IRA attains the age of 70½, the Code requires that certain minimum distributions be made. Due to recent changes in Treasury Regulations, the amount used to compute the minimum distributions may exceed the contract value. In addition, upon the death of the owner of a Simple IRA, mandatory distribution requirements are imposed by the Code to ensure distribution of the entire contract value within the required statutory period.

Investment Only (Qualified Plans)

Contracts that are owned by Qualified Plans are not intended to confer tax benefits on the beneficiaries of the plan; they are used as investment vehicles for the plan. The income tax consequences to the beneficiary of a Qualified Plan are controlled by the operation of the plan, not by operation of the assets in which the plan invests.

Beneficiaries of Qualified Plans should contact their employer and/or trustee of the plan to obtain and review the plan, trust, summary plan description and other documents for the tax and other consequences of being a participant in a Qualified Plan.

Federal Tax Considerations

Federal Income Taxes

The tax consequences of purchasing a contract described in this prospectus will depend on:

- the type of contract purchased;
- the purposes for which the contract is purchased; and
- the personal circumstances of individual investors having interests in the contracts.

Existing tax rules are subject to change, and may affect individuals differently depending on their situation. Nationwide does not guarantee the tax status of any contracts or any transactions involving the contracts.

Representatives of the Internal Revenue Service have informally suggested, from time to time, that the number of underlying mutual funds available or the number of transfer opportunities available under a variable product may be relevant in determining whether the product qualifies for the desired tax treatment. In 2003, the Internal Revenue Service issued formal guidance, in Revenue Ruling 2003-91, that indicates that if the number of underlying mutual funds available in a variable insurance product does not exceed 20, the number of underlying mutual funds alone would not cause the contract to not qualify for the desired tax treatment. The Internal Revenue Service has also indicated that exceeding 20 investment options may be considered a factor, along with other factors including the number of transfer opportunities available under the contract, when determining whether the contract qualifies for the desired tax treatment. The revenue ruling did not indicate the actual number of underlying mutual funds that would cause the contract to not provide the desired tax treatment. Should the U.S. Secretary of the Treasury issue additional rules or regulations limiting the number of underlying mutual funds, transfers between underlying mutual funds, exchanges of underlying mutual funds or changes in investment objectives of underlying mutual funds such that the contract would no longer qualify for tax deferred treatment under Section 72 of the Code, Nationwide will take whatever steps are available to remain in compliance.

If the contract is purchased as an investment of certain retirement plans (such as qualified retirement plans, Individual Retirement Accounts, and custodial accounts as described in Sections 401 and 408(a) of the Code), tax advantages enjoyed by the contract owner and/or annuitant may relate to participation in the plan rather than ownership of the annuity contract. Such plans are permitted to purchase investments other than annuities and retain tax-deferred status.

The following is a brief summary of some of the federal income tax considerations related to the types of contracts sold in connection with this prospectus. In addition to the federal income tax, distributions from annuity contracts may be subject to state and local income taxes. Nothing in this prospectus should be considered to be tax advice. Purchasers and prospective purchasers of the contract should consult a financial consultant, tax advisor, or legal counsel to discuss the taxation and use of the contracts.

IRAs, SEP IRAs, and Simple IRAs

Distributions from IRAs, SEP IRAs, and Simple IRAs are generally taxed as ordinary income when received. If any of the amounts contributed to the Individual Retirement Annuity was non-deductible for federal income tax purposes, then a portion of each distribution is excludable from income.

If distributions of income from an IRA are made prior to the date that the owner attains the age of 59½ years, the income is subject to the regular income tax, and an additional penalty tax of 10% is generally applicable. (For Simple IRAs, the 10% penalty is increased to 25% if the distribution is made during the 2-year period beginning on the date that the individual first participated in the Simple IRA.) The 10% penalty tax can be avoided if the distribution is:

- made to a beneficiary on or after the death of the owner;
- attributable to the owner becoming disabled (as defined in the Code);
- part of a series of substantially equal periodic payments made not less frequently than annually made for the life (or life expectancy) of the owner, or the joint lives (or joint life expectancies) of the owner and his or her designated beneficiary;
- used for qualified higher education expenses; or
- used for expenses attributable to the purchase of a home for a qualified first-time buyer.

If the contract owner dies before the contract is completely distributed, the balance will be included in the contract owner's gross estate for tax purposes.

Roth IRAs

Distributions of earnings from Roth IRAs are taxable or nontaxable depending upon whether they are "qualified distributions" or "non-qualified distributions." A "qualified distribution" is one that satisfies the five-year rule and meets one of the following requirements:

- it is made on or after the date on which the contract owner attains age 59½;
- it is made to a beneficiary (or the contract owner's estate) on or after the death of the contract owner;
- it is attributable to the contract owner's disability; or
- it is used for expenses attributable to the purchase of a home for a qualified first-time buyer.

The five-year rule generally is satisfied if the distribution is not made within the five-year period beginning with the first taxable year in which a contribution is made to any Roth IRA established for the owner.

A qualified distribution is not included in gross income for federal income tax purposes.

A non-qualified distribution is not includable in gross income to the extent that the distribution, when added to all previous distributions, does not exceed the total amount of contributions made to the Roth IRA. Any non-qualified distribution in excess of total contributions is includable in the contract owner's gross income as ordinary income in the year that it is distributed to the contract owner.

Special rules apply for Roth IRAs that have proceeds received from an individual retirement plan prior to January 1, 1999 if the owner elected the special four-year income averaging provisions that were in effect for 1998.

If non-qualified distributions of income from a Roth IRA are made prior to the date that the owner attains the age of 59½ years, the income is subject to both the regular income tax and an additional penalty tax of 10%. The penalty tax can be avoided if the distribution is:

- made to a beneficiary on or after the death of the owner;
- attributable to the owner becoming disabled (as defined in the Code);
- part of a series of substantially equal periodic payments made not less frequently than annually made for the life (or life expectancy) of the owner, or the joint lives (or joint life expectancies) of the owner and his or her designated beneficiary;
- for qualified higher education expenses; or
- used for expenses attributable to the purchase of a home for a qualified first-time buyer.

If the contract owner dies before the contract is completely distributed, the balance will be included in the contract owner's gross estate for tax purposes.

Non-Qualified Contracts - Natural Persons as Contract Owners

Generally, the income earned inside a non-qualified annuity contract that is owned by a natural person is not taxable until it is distributed from the contract.

Distributions before the annuitization date are taxable to the contract owner to the extent that the cash value of the contract exceeds the contract owner's investment in the contract at the time of the distribution. In general, the investment in the contract is equal to the purchase payments made with after-tax dollars reduced by any nontaxable distribution. Distributions, for this purpose, include full and partial surrenders, any portion of the contract that is assigned or pledged, amounts borrowed from the contract, or any portion of the contract that is transferred by gift. For these purposes, a transfer by gift may occur upon annuitization if the contract owner and the annuitant are not the same individual.

With respect to annuity distributions on or after the annuitization date, a portion of each annuity payment is excludable from taxable income. The amount excludable from each annuity payment is determined by multiplying the annuity payment by a fraction which is equal to the contract owner's investment in the contract, divided by the expected return on the contract. Once the entire investment in the contract is recovered, all distributions are fully includable in income. The maximum amount excludable from income is the investment in the contract. If the annuitant dies before the entire investment in the contract has been excluded from income, and as a result of the annuitant's death no more payments are due under the contract, then the unrecovered investment in the contract may be deducted on his or her final tax return.

Commencing after December 31, 2010, the Code provides that if only a portion of a non-qualified annuity contract is annuitized for either (a) a period of 10 years or greater, or (b) for the life or lives of one or more persons, then the portion of the contract that has been annuitized would be treated as if it were a separate annuity contract. This means that an annuitization date can be established for a portion of the annuity contract (rather than requiring the entire contract to be annuitized at once) and the above description of the taxation of annuity distributions after the annuitization date would apply to the portion of the contract that has been annuitized. The investment in the contract is required to be allocated pro rata between the portion of the contract that is annuitized and the portion that is not. All other benefits under the contract (e.g., death benefit) would also be reduced pro rata. For example, if 1/3 of the cash value of the contract were to be annuitized, the death benefit would also be reduced by 1/3.

In determining the taxable amount of a distribution that is made prior to the annuitization date, all annuity contracts issued after October 21, 1988 by the same company to the same contract owner during the same calendar year will be treated as one annuity contract.

A special rule applies to distributions from contracts that have investments that were made prior to August 14, 1982. For those contracts, distributions that are made prior to the annuitization date are treated first as the nontaxable recovery of the investment in the contract as of that date. A distribution in excess of the amount of the investment in the contract as of August 14, 1982, will be treated as taxable income.

The Code imposes a penalty tax if a distribution is made before the contract owner reaches age 59½. The amount of the penalty is 10% of the portion of any distribution that is includable in gross income. The penalty tax does not apply if the distribution is:

- the result of a contract owner's death;
- the result of a contract owner's disability (as defined in the Code);
- one of a series of substantially equal periodic payments made over the life (or life expectancy) of the contract owner or the joint lives (or joint life expectancies) of the contract owner and the beneficiary selected by the contract owner to receive payment under the annuity payment option selected by the contract owner; or
- is allocable to an investment in the contract before August 14, 1982.

If the contract owner dies before the contract is completely distributed, the balance will be included in the contract owner's gross estate for tax purposes.

Non-Qualified Contracts - Non-Natural Persons as Contract Owners

The previous discussion related to the taxation of non-qualified contracts owned by individuals. Different rules (the so-called "non-natural persons" rules) apply if the contract owner is not a natural person.

Generally, contracts owned by corporations, partnerships, trusts, and similar entities are not treated as annuity contracts for most purposes of the Code. Therefore, income earned under a non-qualified contract that is owned by a non-natural person is taxed as ordinary income during the taxable year in which it is earned. Taxation is not deferred, even if the income is not distributed out of the contract. The income is taxable as ordinary income, not capital gain.

The non-natural persons rules do not apply to all entity-owned contracts. For purposes of the non-natural persons rule, a contract that is owned by a non-natural person as an agent of an individual is treated as owned by the individual. This would cause the contract to be treated as an annuity under the Code, allowing tax deferral. However, this exception does not apply when the non-natural person is an employer that holds the contract under a non-qualified deferred compensation arrangement for one or more employees.

The non-natural persons rules also do not apply to contracts that are:

- acquired by the estate of a decedent by reason of the death of the decedent;
- issued in connection with certain qualified retirement plans and individual retirement plans;
- purchased by an employer upon the termination of certain qualified retirement plans; or
- immediate annuities within the meaning of Section 72(u) of the Code.

If the annuitant dies before the contract is completely distributed, the balance may be included in the annuitant's gross estate for tax purposes, depending on the obligations that the non-natural owner may have owed to the annuitant.

Exchanges

As a general rule, federal income tax law treats exchanges of property in the same manner as a sale of the property. However, pursuant to Section 1035 of the Code, an annuity contract may be exchanged tax-free for another annuity, provided that the obligee (the person to whom the annuity obligation is owed) is the same for both contracts. If the exchange includes the receipt of property in addition to another annuity contract, such as cash, special rules may cause a portion of the transaction to be taxable to the extent of the value of the property, other than the annuity contract received in the exchange.

Tax Treatment of a Partial 1035 Exchange With Subsequent Withdrawal

In June 2011, the Internal Revenue Service issued Rev. Proc. 2011-38, which addresses the income tax consequences of the direct transfer of a portion of the cash value of an annuity contract in exchange for the issuance of a second annuity contract. Rev. Proc. 2011-38 modified and superseded prior guidance that was contained in Rev. Proc. 2008-24. A direct transfer that satisfies the revenue procedure will be treated as a tax-free exchange under Section 1035 of the Code if, for a period of at least 180 days from the date of the direct transfer, there are no distributions or surrenders from either annuity contract involved in the exchange. In addition, the 180-day period will be deemed to have been satisfied with respect to amounts received as an annuity for a period of 10 years or more, or as an annuity for the life of one or more persons. The taxation of distributions (other than distributions described in the immediately preceding sentence) received within the 180-day period will be determined using general tax principles to determine the substance of those payments. For example, they could be treated as taxable "boot" in an otherwise tax-free exchange, or as a distribution from the new contract. Rev. Proc. 2011-38 also removed numerous exceptions to the 180-day waiting period that Rev. Proc. 2008-11 provided for in its 12-month waiting period. Please discuss any tax consequences concerning any contemplated or completed transactions with a professional tax advisor.

Taxation of Lifetime Withdrawals Under the 10% Nationwide Lifetime Income Rider, 7% Nationwide Lifetime Income Rider, or 5% Nationwide Lifetime Income Rider

While the tax treatment for withdrawals for benefits such as 10% Nationwide Lifetime Income Rider, 7% Nationwide Lifetime Income Rider, or 5% Nationwide Lifetime Income Rider is not clear under federal tax law, Nationwide intends to treat withdrawals under these options as taxable to the extent that the cash value of the contract exceeds the contract owner's investment at the time of the withdrawal. Specifically, Nationwide intends to treat the following amount of each withdrawal as a taxable distribution:

The greater of:

- (1) A–C; or
- (2) B–C,

Where:

- A = the contract value immediately before the withdrawal;
- B = the guaranteed annual benefit amount immediately before the withdrawal; and
- C = the remaining investment in the contract.

In certain circumstances, this treatment could result in the contract value being less than the investment in the contract after such a withdrawal. If the Contract Owner subsequently withdraws the contract under such circumstances, the Contract Owner would have a loss that may be deductible. If the Contract Owner purchases one of these options in an IRA, withdrawals in excess of the annual benefit amount may be required to satisfy the minimum distribution requirements under the Code. Consult a qualified tax adviser.

Same-Sex Marriages, Domestic Partnership, and Other Similar Relationships

Pursuant to Section 3 of the federal Defense of Marriage Act ("DOMA"), same-sex marriages currently are not recognized for purposes of federal law. Therefore, the favorable income-deferral options afforded by federal tax law to an opposite-sex spouse under Code Sections 72(s) and 401(a)(9) are currently NOT available to a same-sex spouse. Same-sex spouses who own or are considering the purchase of annuity products that provide benefits based upon status as a spouse should consult a tax advisor. To the extent that an annuity contract or certificate accords to spouses other rights or benefits that are not affected by DOMA, same-sex spouses remain entitled to such rights or benefits to the same extent as any annuity holder's spouse.

Withholding

Pre-death distributions from the contracts are subject to federal income tax. Nationwide is required to withhold the tax from the distributions unless the contract owner requests otherwise. If the distribution is from a Tax Sheltered Annuity, it will be subject to mandatory 20% withholding that cannot be waived, unless:

- the distribution is made directly to another Tax Sheltered Annuity, qualified pension or profit-sharing plan described in Section 401(a), an eligible deferred compensation plan described in Section 457(b) which is maintained by an eligible employer described in section 457(e)(1)(A) or individual reatirement plan; or
- the distribution satisfies the minimum distribution requirements imposed by the Code.
- In addition, under some circumstances, the Code will not permit contract owners to waive withholding. Such circumstances include:
 - if the payee does not provide Nationwide with a taxpayer identification number; or
 - if Nationwide receives notice from the Internal Revenue Service that the taxpayer identification number furnished by the payee is incorrect.

If a contract owner is prohibited from waiving withholding, as described above, the distribution will be subject to withholding rates established by Section 3405 of the Code and is applied against the amount of income that is distributed.

Non-Resident Aliens

Generally, a pre-death distribution from a contract to a non-resident alien is subject to federal income tax at a rate of 30% of the amount of income that is distributed.

Nationwide is required to withhold this amount and send it to the Internal Revenue Service. Some distributions to non-resident aliens may be subject to a lower (or no) tax if a treaty applies. In order to obtain the benefits of such a treaty, the non-resident alien must:

- (1) provide Nationwide with a properly completed withholding certificate claiming the treaty benefit of a lower tax rate or exemption from tax; and
- (2) provide Nationwide with an individual taxpayer identification number.

If the non-resident alien does not meet the above conditions, Nationwide will withhold 30% of income from the distribution.

Another exemption from the 30% withholding rate is for the non-resident alien to provide Nationwide with sufficient evidence that:

- (1) the distribution is connected to the non-resident alien's conduct of business in the United States;
- (2) the distribution is includable in the non-resident alien's gross income for United States federal income tax purposes; and
- (3) provide Nationwide with a properly completed withholding certificate claiming the exemption.

Note that for the preceding exemption, the distributions would be subject to the same withholding rules that are applicable to payments to United States persons.

This prospectus does not address any tax matters that may arise by reason of application of the laws of a non-resident alien's country of citizenship and/or country of residence. Purchasers and prospective purchasers should consult a financial consultant, tax advisor or legal counsel to discuss the applicability of laws of those jurisdictions to the purchase or ownership of a contract.

Federal Estate, Gift and Generation Skipping Transfer Taxes

The following transfers may be considered a gift for federal gift tax purposes:

- a transfer of the contract from one contract owner to another; or
- a distribution to someone other than a contract owner.

Upon the contract owner's death, the value of the contract may be subject to estate taxes, even if all or a portion of the value is also subject to federal income taxes.

Section 2612 of the Code may require Nationwide to determine whether a death benefit or other distribution is a "direct skip" and the amount of the resulting generation skipping transfer tax, if any. A direct skip is when property is transferred to, or a death benefit or other distribution is made to:

- a) an individual who is two or more generations younger than the contract owner; or
- b) certain trusts, as described in Section 2613 of the Code (generally, trusts that have no beneficiaries who are not two or more generations younger than the contract owner).

If the contract owner is not an individual, then for this purpose only, "contract owner" refers to any person:

- who would be required to include the contract, death benefit, distribution, or other payment in his or her federal gross estate at his or her death; or
- who is required to report the transfer of the contract, death benefit, distribution, or other payment for federal gift tax purposes.

If a payment is subject to the generation skipping transfer tax, Nationwide may be required to deduct the amount of the transfer tax from the death benefit, distribution or other payment, and remit it directly to the Internal Revenue Service.

Charge for Tax

Nationwide is not required to maintain a capital gain reserve liability on non-qualified contracts. If tax laws change requiring a reserve, Nationwide may implement and adjust a tax charge.

Diversification

Code Section 817(h) contains rules on diversification requirements for variable annuity contracts. A variable annuity contract that does not meet these diversification requirements will not be treated as an annuity, unless:

- the failure to diversify was accidental;
- the failure is corrected; and
- a fine is paid to the Internal Revenue Service.

The amount of the fine will be the amount of tax that would have been paid by the contract owner if the income, for the period the contract was not diversified, had been received by the contract owner.

If the violation is not corrected, the contract owner will be considered the owner of the underlying securities and will be taxed on the earnings of his or her contract. Nationwide believes that the investments underlying this contract meet these diversification requirements.

Required Distributions

The Code requires that certain distributions be made from the contracts issued in conjunction with this prospectus. Following is an overview of the required distribution rules applicable to each type of contract. Consult a qualified tax or financial advisor for more specific required distribution information.

If the Contract Owner purchases the 10% Nationwide Lifetime Income Rider, 7% Nationwide Lifetime Income Rider, or 5% Nationwide Lifetime Income Rider, withdrawals in excess of the annual benefit amount may be required to satisfy the minimum distribution requirements under the Code. Consult a qualified tax adviser.

Required Distributions – General Information

In general, a beneficiary is an individual or other entity that the contract owner designates to receive death proceeds upon the contract owner's death. The distribution rules in the Code make a distinction between "beneficiary" and "designated beneficiary" when determining the life expectancy that may be used for payments that are made from IRAs, SEP IRAs, Simple IRAs, Roth IRAs and Tax Sheltered Annuities after the death of the contract owner, or that are made from non-qualified contracts after the death of the contract owner. A designated beneficiary is a natural person who is designated by the contract owner as the beneficiary under the contract. Non-natural beneficiaries (e.g. charities or certain trusts) are not designated beneficiaries for the purpose of required distributions and the life expectancy of such a beneficiary is zero.

Life expectancies and joint life expectancies will be determined in accordance with the relevant guidance provided by the Internal Revenue Service and the Treasury Department, including but not limited to Treasury Regulation 1.72-9 and Treasury Regulation 1.401(a)(9)-9.

Required distributions paid upon the death of the contract owner are paid to the beneficiary or beneficiaries stipulated by the contract owner. How quickly the distributions must be made may be determined with respect to the life expectancies of the beneficiaries. For non-qualified contracts, the beneficiaries used in the determination of the distribution period are those in effect on the date of the contract owner's death. For contracts other than non-qualified contracts, the beneficiaries used in the determination of the distribution period do not have to be determined until September 30 of the year following the contract owner's death. If there is more than one beneficiary, the life expectancy of the beneficiary with the shortest life expectancy is used to determine the distribution period. Any beneficiary that is not a designated beneficiary has a life expectancy of zero.

Required Distributions for Non-Qualified Contracts

Code Section 72(s) requires Nationwide to make certain distributions when a contract owner dies. The following distributions will be made in accordance with the following requirements:

- (1) If any contract owner dies on or after the annuitization date and before the entire interest in the contract has been distributed, then the remaining interest must be distributed at least as rapidly as the distribution method in effect on the contract owner's death.
- (2) If any contract owner dies before the annuitization date, then the entire interest in the contract (consisting of either the death benefit or the contract value reduced by charges set forth elsewhere in the contract) will be distributed within five years of the contract owner's death, provided however:
 - (a) any interest payable to or for the benefit of a designated beneficiary may be distributed over the life of the designated beneficiary or over a period not longer than the life expectancy of the designated beneficiary. Payments must begin within one year of the contract owner's death unless otherwise permitted by federal income tax regulations; and
 - (b) if the designated beneficiary is the surviving spouse of the deceased contract owner, the spouse can choose to become the contract owner instead of receiving a death benefit. Any distributions required under these distribution rules will be made upon that spouse's death.

In the event that the contract owner is not a natural person (e.g., a trust or corporation), but is acting as an agent for a natural person, for purposes of these distribution provisions:

- (a) the death of the annuitant will be treated as the death of a contract owner;
- (b) any change of annuitant will be treated as the death of a contract owner; and
- (c) in either case, the appropriate distribution will be made upon the death or change, as the case may be.

These distribution provisions do not apply to any contract exempt from Section 72(s) of the Code by reason of Section 72(s)(5) or any other law or rule.

Required Distributions for IRAs, SEP IRAs, Simple IRAs, and Roth IRAs

Distributions from IRA, SEP IRA, or Simple IRA must begin no later than April 1 of the calendar year following the calendar year in which the contract owner reaches age 70½. Distributions may be paid in a lump sum or in substantially equal payments over:

- (a) the life of the contract owner or the joint lives of the contract owner and the contract owner's designated beneficiary; or
- (b) a period not longer than the period determined under the table in Treasury Regulation 1.401(a)(9)-9, which is the deemed joint life expectancy of the contract owner and a person 10 years younger than the contract owner. If the designated beneficiary is the spouse of the Co contract owner, the period may not exceed the longer of the period determined under such table or the joint life expectancy of the contract owner and the contract owner's spouse, determined in accordance with Treasury Regulation 1.72-9, or such additional guidance as may be provided pursuant to Treasury Regulation 1.401(a)(9)-9.

For IRAs, SEP IRAs, and Simple IRAs, required distributions do not have to be withdrawn from this contract if they are being withdrawn from another IRA, SEP IRA, or Simple IRA of the contract owner.

If the contract owner's entire interest in IRA, SEP IRA, or Simple IRA will be distributed in equal or substantially equal payments over a period described in (a) or (b) above, the payments must begin on or before the required beginning date. The required beginning date is April 1 of the calendar year following the calendar year in which the contract owner reaches age 70½. The rules for Roth IRAs do not require distributions to begin during the contract owner's lifetime, therefore, the required beginning date is not applicable to Roth IRAs.

Due to recent changes in Treasury Regulations, the amount used to compute the minimum distribution requirement may exceed the contract value.

If the contract owner dies before the required beginning date (in the case of IRA, SEP IRA, or Simple IRA) or before the entire contract value is distributed (in the case of a Roth IRA), any remaining interest in the contract must be distributed over a period not exceeding the applicable distribution period, which is determined as follows:

- (a) if the designated beneficiary is the contract owner's spouse, the applicable distribution period is the surviving spouse's remaining life expectancy using the surviving spouse's birthday for each distribution calendar year after the calendar year of the contract owner's death. For calendar years after the death of the contract owner's surviving spouse, the applicable distribution period is the spouse's remaining life expectancy using the spouse's age in the calendar year of the spouse's death, reduced by one for each calendar year that elapsed since the calendar year immediately following the calendar year of the spouse's death;

- (b) if the designated beneficiary is not the contract owner's surviving spouse, the applicable distribution period is the designated beneficiary's remaining life expectancy using the designated beneficiary's birthday in the calendar year immediately following the calendar year of the contract owner's death, reduced by one for each calendar year that elapsed thereafter; and
- (c) if there is no designated beneficiary, the entire balance of the contract must be distributed by December 31 of the fifth year following the contract owner's death.

If the contract owner dies on or after the required beginning date, the interest in the IRA, SEP IRA, or Simple IRA must be distributed over a period not exceeding the applicable distribution period, which is determined as follows:

- (a) if the designated beneficiary is the contract owner's spouse, the applicable distribution period is the surviving spouse's remaining life expectancy using the surviving spouse's birthday for each distribution calendar year after the calendar year of the contract owner's death. For calendar years after the death of the contract owner's surviving spouse, the applicable distribution period is the greater of (a) the contract owner's remaining life expectancy using the contract owner's birthday in the calendar year of the contract owner's death, reduced by one for each year thereafter; or (b) the spouse's remaining life expectancy using the spouse's age in the calendar year of the spouse's death, reduced by one for each calendar year that elapsed since the calendar year immediately following the calendar year of the spouse's death;
- (b) if the designated beneficiary is not the contract owner's surviving spouse, the applicable distribution period is the greater of (a) the contract owner's remaining life expectancy using the contract owner's birthday in the calendar year of the contract owner's death, reduced by one for each year thereafter; or (b) the designated beneficiary's remaining life expectancy using the designated beneficiary's birthday in the calendar year immediately following the calendar year of the contract owner's death, reduced by one for each calendar year that elapsed thereafter; and
- (c) if there is no designated beneficiary, the applicable distribution period is the contract owner's remaining life expectancy using the contract owner's birthday in the calendar year of the contract owner's death, reduced by one for each year thereafter.

If distribution requirements are not met, a penalty tax of 50% is levied on the difference between the amount that should have been distributed for that year and the amount that actually was distributed for that year.

For IRAs, SEP IRAs, and Simple IRAs, all or a portion of each distribution will be included in the recipient's gross income and taxed at ordinary income tax rates. The portion of a distribution that is taxable is based on the ratio between the amount by which non-deductible purchase payments exceed prior non-taxable distributions and total account balances at the time of the distribution. The owner of an IRA, SEP IRA, or Simple IRA must annually report the amount of non-deductible purchase payments, the amount of any distribution, the amount by which non-deductible purchase payments for all years exceed non taxable distributions for all years, and the total balance of all IRAs, SEP IRAs, or Simple IRAs.

Distributions from Roth IRAs may be either taxable or nontaxable, depending upon whether they are "qualified distributions" or "non-qualified distributions."

Tax Changes

The foregoing tax information is based on Nationwide's understanding of federal tax laws. It is NOT intended as tax advice. All information is subject to change without notice. You should consult with your personal tax and/or financial advisor for more information.

In 2001, the Economic Growth and Tax Relief Reconciliation Act (EGTRRA) was enacted. EGTRRA made numerous changes to the Code, including the following:

- generally lowering federal income tax rates;
- increasing the amounts that may be contributed to various retirement plans, such as individual retirement plans, Tax Sheltered Annuities, and Qualified Plans;
- increasing the portability of various retirement plans by permitting individual retirement plans, Tax Sheltered Annuities, Qualified Plans and certain governmental 457 plans to "roll" money from one plan to another;
- eliminating and/or reducing the highest federal estate tax rates;
- increasing the estate tax credit; and
- for persons dying after 2009, repealing the estate tax.

In 2006, the Pension Protection Act of 2006 made permanent the EGTRRA provisions noted above that increase the amounts that may be contributed to various retirement plans and that increase the portability of various retirement plans. However, all of the other changes resulting from EGTRRA were scheduled to "sunset," or become ineffective, after

December 31, 2010 unless they were extended by additional legislation. The American Taxpayer Relief Act (ATRA) was enacted on January 1, 2013 and made permanent the lower federal income tax rates established under EGTRRA, except for individuals with taxable income above \$400,000 (\$450,000 for married couples) whose tax rate will revert to the pre-EGTRRA tax rate of 39.6%. ATRA also permanently provides for a maximum federal estate tax rate of 40% with an annually inflation-adjusted \$5 million exclusion for estates of persons dying after December 31, 2012. Consult a qualified tax or financial advisor for further information relating to these and other tax issues.

State Taxation

The tax rules across the various states and localities are not uniform and therefore are not discussed in this prospectus. Tax rules that may apply to contracts issued in U.S. territories such as Puerto Rico and Guam are also not discussed. Purchasers and prospective purchasers should consult a financial consultant, tax advisor or legal counsel to discuss the taxation and use of the contracts.

All individuals selling this product must be licensed insurance agents and registered representatives.
